Extract Value from Consultants Gordon Perchthold,Jenny Sutton,2010 This book empowers managers to take control of the consulting process in any business environment Features Insiders reveal the secrets of the consulting trade Packed with firsthand observations case studies and valuable document templates this book details a step by step approach to effectively selecting and managing any consultant The authors explain how companies can take advantage of the increasingly complex world of global consulting A guide for maximising return and minimising costs for companies hiring consultants Too often consultants dictate where when and how they will deliver value The book gives managers the tools they need to select and manage the right consultants at the right time and determine whether or not they are delivering the goods Authors have global experience with major U S companies and consulting firms The authors have built consulting practices around the world working with companies such as Deloitte Consulting Aflac The Hartford ING Nationwide New York Life Northwestern Mutual and Swiss Life

Cross-Cultural Communication of Chinese Brands Jingyun Zhang,2024-05-31 This book presents theoretical insights into key aspects of Chinese brand cross cultural communication such as psychological distance implicit context brand narrative and influence of bridge crowds This book applies the psychological distance theory of communication to study the psychological distance strategy of cross cultural communication of Chinese brands from macro and micro perspectives and proposes to resolve cultural differences by adjusting psychological distance Based on the above theories the authors construct the cross cultural communication strategy model for Chinese brands in which the following models have been proposed such as the stages of globalization for Chinese brands Internationalization of Chinese Enterprises

general as well as several application models Chapter IX includes five cases studies including Huawei CRRC Yongji COFCO Yili Thailand and the Walking Lunar New Year's Eve Dinner project which represent four types of brands high end equipment fast moving consumer goods high technology and cultural activities brand This book not only provides readers with a broader understanding of brand cross cultural communication research but also offers practical suggestions for companies in emerging market countries especially Chinese enterprises that are undergoing brand globalization **The Oxford**

Handbook of Management Ideas Andrew Sturdy, Stefan Heusinkveld, Trish Reay, David Strang, 2019-03-28 Management ideas and their associated applications have become a prevalent feature of our working lives While their focus is familiar such as efficiency motivation and improvement they range from specific notions such as activity based costing to broad movements like corporate social responsibility This Handbook brings together some of the latest research from leading international scholars on how management ideas are produced promoted and adapted and their effects on business and working practices and society at large Rather than focusing on specific management ideas this volume explores their key socio political contexts and channels of dissemination and is organized around four core overlapping themes The first section sets out the research field in general in terms of both an overall system and of different perspectives and research methods The second section explores the role of different actors and channels of diffusion including the consumers and producers of management ideas and new media as well as traditional players in the management ideas field such as consultancies and business schools The third section focuses on specific features or dynamics of the management ideas system such as their adoption evolution institutionalisation and resurgence while in the final section critical and new perspectives on management ideas are examined highlighting specific socio political contexts and the possibility of alternative ideas and forms of critique With a broad range of perspectives represented this Handbook provides a comprehensive authoritative and enduring resource for those studying management innovation and organizational change as well as for those working in the management ideas industry **Management Consultancy for Innovation** Christopher Williams, 2019-08-05 This book

provides a new perspective on innovation in consultancy firms Focusing on how consultancy firms can innovate in the modern era it exposes and discusses key drivers for innovation in the industry These are broken down into 5 dimensions or Poles relating to forms of capital human capital social capital and three types of organizational capital that consultancy firms can use in order to innovate both for themselves and for their clients Readers of this book will not only gain insight into the innovative consultancy from the perspective of each of these Poles They will also discover how consultancy firms need to find the right way of connecting these Poles together in order to produce the desired innovation Readers will learn about the dangers of misaligning the Poles as well as implications of innovative consultancy for ethics academic research in the field of consultancy and for careers In addition to the academic literature the book draws from real world examples cases and practice insights from various parts of the world This book will be of great use to those interested in pursuing a career in the

consultancy industry whether they are undergraduate and postgraduate Business Management students students not necessarily studying in Business Schools or others seeking a career move into consultancy It will also be valuable to seasoned consultants and managers of consultancy firms seeking new ideas on how to develop innovative capabilities in an increasingly competitive industry *Management Consulting Today and Tomorrow* Flemming Poulfelt, Thomas H. Olson, 2017-09-01 This new edition gathers more than 22 experts to outline the theory behind consulting providing insight into change processes and management issues in the field The business of consulting has grown faster than most other businesses due not only to increased demand by clients but also to the innovative capabilities of numerous consulting firms as they develop new services Divided into six parts the book introduces readers to the consulting industry addressing the major practice areas contexts and implementations of the field Significant updates detail the effect of the economic troubles between 2004 and 2010 and then 2010 and now analyze the market response to consulting in recent years and provide a more thorough understanding of how consulting is applied in the different areas of a business such as operations marketing and finance Introductions written by the editors offer further insight into the themes and learning goals of each section helping readers to recognize the elements of a successful consultation and utilize their new skill set The text concludes with a look at the future of consulting with regards to ethics standards and how strong manager client relationships contribute to financial growth Readers will also learn how the developing field of entrepreneurship creates new economic structures and job opportunities Practitioners consultants clients faculty and students of business and management will learn not only how to consult but also gain the skills needed to adapt to and lead organizational change giving them a competitive edge when they enter the field *The Palgrave Handbook of Experiential Learning in International Business* V. Taras, M. Gonzalez-Perez, 2016-01-03 The Handbook of Experiential Learning In International Business is a one stop source for international managers business educators and trainers who seek to either select and use an existing experiential learning project or develop new projects and exercises of this kind *Black Enterprise* , 1998-06 BLACK ENTERPRISE is the ultimate source for wealth creation for African American professionals entrepreneurs and corporate executives Every month BLACK ENTERPRISE delivers timely useful information on careers small business and personal finance **Plunkett's Outsourcing & Offshoring Industry Almanac: Outsourcing and Offshoring Industry Market Research, Statistics, Trends & Leading Companies** Jack W.
