Trusting Ourselves Karen Johnson, 1991 Definitive and comprehensive *Trusting Ourselves* is the only book to cover every aspect of psychology as it applies to women This groundbreaking work will empower its readers to understand and make decisions about their psychological well being and treatment in much the same way *Our Bodies Ourselves* redefined women's health care In a radical reversal of the usual approach to psychological care which assumes that only the professional understands the problem Johnson strongly believes that women and their values perspectives and biases have merit and that most patients

understand why they're not happy with their lives. Trusting this self-knowledge and taking action on one's own behalf provide a foundation for all the information in this book. It is time to revise psychotherapy to incorporate a woman's perspective.
