Oh No He Didn't! Brilliant Women and the Men Who Took Credit

for Their Work Wendy J. Murphy, JD, 2024-09-24 Don't you hate it when someone takes credit for another person's idea? It happens a lot and the people who lose out are often women. This book tells the stories of women whose inventions, discoveries, and creations were credited to men: women like Zelda Fitzgerald, the novelist, painter, and playwright who was more than F. Scott's wife; and Margaret Knight, who invented the flat-bottomed paper bag but saw the patent go to a man who stole off to the Patent Office with her idea. By telling the stories of the brilliant women artists, inventors, scientists, architects, and mathematicians who were denied their due, *Oh No He Didn't* will help all women tackle obstacles and create a kinship of understanding that will inspire and transcend generations.

[Finding a Way Home](#) R. Mwanaka, 2015-08-06 Home is a place in ourselves where we are happy with ourselves, where we find peace with ourselves, where we are satisfied, fulfilled. The important theme coursing through all the stories in the novel *Finding a way home* is that we have to make the journey to find our homes; we have to find the path and start walking in that path.

[Reflections on a Life Well Lived](#) Emanuel Salaiz, 2012-06-21

Life's Ever Changing Emotions Ronald Black, 2013-02-26 Poetry is something that we all share each time that we think a thought. We think in poetry; only some of us are not able to put it in words, but thoughts of poetry live in our hearts. We are filled with emotions, and that is what poetry is. You need to just open your heart to the words written for they are the words coming from a heart, just like you. From our pain and our sacrifices to our joy and happiness, when you read this, we will be able to see that we are all the same, seeking love and a dream that we can claim. There are times when we may feel lost, and there is nothing that we can do. The truth is that there will always be options for us to choose. Only with our ever-changing emotions at the time we are blind to see. For every action, there is an opposite reaction. There are things that we know that we can do, yet we get caught up in the things that we are going through. There are times when we are happy and times when we are sad. It is a delicate balance in the lives that we live. Each of us will need to come to grips with the way that we feel. We are never alone, although we think at the time that we are alone. We need to find the courage to reach out and say that we are here. Is there anyone out there that cares about the lives that we live? At the end of the day, if we listen closely, we will be able to hear a voice saying that I am here; you are not alone. Ever-changing emotions is what will live in our hearts. We just have to decide the things that we want to do and find the courage to follow them through. The Life that I have had to live has been very difficult, but the love in my heart kept me strong, even when I sometimes may have felt alone. I have cried my share of tears, and I have suffered many years, but I kept the love in my heart. We are human, and we make mistakes, but as long as we live, there will always be another road for us to take. I pray that the poems that you are reading help you to understand that we all go through life's ever-changing emotions. We have to live in the moment, and if that moment continues

to last then we should remember that our lives are made up of our past present and our future For as long as we live we can change the way that we feel Love and forgiveness is what we should always hold most precious in our lives Love and forgiveness can forever live in our hearts Poetry is something that we all share each time that we think a thought We think in poetry only some of us are not able to put it in words but thoughts of poetry live in our hearts We are filled with emotions and that is what poetry is You need to just open your heart to the words written for they are the words coming from a heart just like you From our pain and our sacrifices to our joy and happiness when you read this we will be able to see that we are all the same seeking love and a dream that we can claim **Finding Rebecca** Shani Mahiri King,2024-10-15 We should all know the name Dr Rebecca Lee Crumpler but you probably don't or at least you don't yet Finding Rebecca examines the casual disappearance of America's first Black female doctor from records and memory But the search for her story and her final resting place more than one hundred years after her death turned up a few murky details that author Shani King uses to piece together a picture of the life she led her hardships and her many accomplishments Young readers will discover more about this trailblazing first and help ensure that she is lost no longer *The Water of Life* Rita Knipe,1989-08-01 Mythology flows like a subterranean stream throughout Hawai'i Rita Knipe has selected a number of characteristic myths and mythological figures from the rich pantheon of Hawaiian deities As she retells their stories illustrated by Hawaii artist Dietrich Varez the transposition of such primal drama to the pages of this book becomes poetic theater The dramatic plots are myths and legends chosen from the oral traditions of unique island people but the underlying themes and symbols are archetypal and eternal Drawing parallels between Hawaiian mythology universal patterns and individual behavior the author illustrates certain basic Jungian concepts and explains how we express them in the drama of our own lives *Life's Twists* Carol Fike,2014-12-18 This is a book about Page and Blake and it takes place in Manhattan New York The couple plans a December eighteenth wedding as Page is already expecting and the young couple wants to be married before the arrival of their child The two of them buy a house because Blake is a devoted husband and father and he wants to do the best he can for his family They also purchase a beach house which in Page's mind is the best and worst investment right until the very end when everything ends in tragedy Fortunately for Page she finds another man Luke and the two of them fall in love Who knows what life will bring It sure has a lot of twists *Hypnosis and Treating Depression* Michael D. Yapko,2013-08-21 Michael Yapko's seminal 1992 book *Hypnosis and the Treatment of Depressions* was the first book ever written on the subject of applying hypnosis in the treatment of depressed individuals Since its publication Yapko's work has not only withstood the test of colleagues previously dismissive of the merits of hypnosis as a tool of treatment but has thrived in the face of it Hypnosis and Treating Depression diversifies the range of topics to consider and increases the number of knowledgeable contributors on the subject of treating depression with hypnosis The book features chapter contributions by highly experienced and well known experts on using hypnosis to treat specific forms of depression with assessment and
