One Moment Please Martina Sheehan,Susan Pearce,2015-05-12 Attention is a most precious gift It brings meaning connection and happiness to our lives Studies suggest attention spans are declining distraction is growing and we re more concerned than ever about losing the ability to perform the simple but crucial act of paying attention It s one of the greatest concerns for current and future generations When you harness the power of attention life changes in surprising ways relationships deepen experiences become more meaningful and things unfold with greater harmony Your attention is fragile and by taking care of it in a few simple ways it will reward you with the vibrancy of a full life If you want to be more present live more fully and experience the magic of life take one moment please In the Storm and Our Deliverance is in God Dr.

Marie N. Robinson,2016-08-15 In the Storm and Our Deliverance is in God By Dr Marie N Robinson In the Storm and Our Deliverance is in God is a spiritual guide designed to encourage and motivate us in the most turbulent of times Often just when life feels secure everything shifts around us without warning Life changes in the proverbial storm The words of In the Storm and Our Deliverance is in God aim to steady thoughts and help the reader find security and strength in God

*Careful* Steve Casner,2017-05-23 Gripping page turning material a new way of thinking about survival in a world filled with hazards and distractions Charles Duhigg author of Smarter Faster Better and The Power of Habit A safety expert reveals why few of us are as careful as we think we are and what we can do about it As doctors and medical researchers work busily to extend our lives more people each year are figuring out ways to cut them short In fact after a hundred years of steady decline the rate at which people are being injured or worse in everyday accidents is increasing Blame car crashes

pedestrian fatalities home improvement projects gone wrong medical mistakes home fires not to mention all the crazy things that kids are into these days And the problem seems to be spinning out of control Steve Casner has devoted his career to studying the psychology of safety and he knows there s not a safety warning we won t ignore or a foolproof device we can t turn into an implement of disaster Casner details the psychological traps that prevent us from being more careful They re the same whether you re a pilot a Hollywood stuntwoman a parent or the owner of a clogged dishwasher you re trying to fix with a screwdriver Then he shows us gripping real examples of how and when injuries happen so we know exactly what we should really be worrying about Careful arms readers with the latest science on how our sometimes fallible minds work with countless takeaways to incorporate at home at work and everywhere in between This book will help us keep our fingers attached in the kitchen our kids afloat at the pool and our teens safe behind the wheel and demonstrates the many other ways we can maximize our chances of getting through the day in one piece
