Fatal Decision:

Colored People's (revised) Business Directory, 1926, San Diego, California ,1926 **Fatal Decision** Thomas Alan (author),1901 The Off Switch Sarah Greener,2024-04-24 Most business owners love to think they are saving their business from impending doom by doing everything and in the process gain themselves a really expensive job there is no escape from I know I ve made every mistake in the book But it s actually ridiculously simple Here it is Step 1 Hit the Pause Button Step 2 Work out what you really want Step 3 Take action to get what you want Everybody knows the first step is the hardest There are literally millions of problems to solve in your business and they all have to be done right now Right Wrong And it took a global pandemic for you to realize you could stop and you could change But how do you turn that gift you just received into a business that serves you and your life The life you want not the one you got after years of working too hard for too many hours That s what The Power Hour does And I detail every step inside this book Here s Just A Fraction Of What s Inside The framework to build a Life Serving business Follow this and you ll remember why you love it Why now is the perfect moment to reset your business and capitalise on this unique time Don t do this The rules that will trap you in busy and cause your business to take over your life The North Star of building your business and why most ignore it The 1 one hour investment creates ease and flow every week How to deploy the B Word that ensures you build a business that doesn t require 24 7 hustle and grind How to make decisions that propel you towards business success with no sleepless nights Generate clear boundaries in a single week and win back 8 hours of life How even a complete people pleaser can start to say No without guilt The 4 step system that kills procrastination that is the exact opposite of what the gurus teach and why they make it complicated And much much more *The Wehrmacht's Last Stand* Robert M. Citino,2020-07-09 By 1943 the war was lost and most German officers knew it Three quarters of a century later the question persists What kept the German army going in an increasingly hopeless situation Where some historians have found explanations in the power of Hitler or the role of ideology Robert M Citino the world s leading scholar on the subject posits a more straightforward solution Bewegungskrieg the way of war cultivated by the Germans over the course of history In this gripping account of German military campaigns during the final phase of World War II Citino charts the inevitable path by which Bewegungskrieg or a war of movement inexorably led to Nazi Germany s defeat The Wehrmacht s Last Stand analyzes the German Totenritt or death ride from January 1944 with simultaneous Allied offensives at Anzio and Ukraine until May 1945 the collapse of the Wehrmacht in the field and the Soviet storming of Berlin In clear and compelling prose and bringing extensive reading of the German language literature to bear Citino focuses on the German view of these campaigns Often very different from the Allied perspective this approach allows for a more nuanced and far reaching understanding of the last battles of the Wehrmacht than any now available With Citino s previous volumes Death of the Wehrmacht and The Wehrmacht Retreats The Wehrmacht s Last Stand completes a uniquely comprehensive picture of the German army s strategy operations and

performance against the Allies in World War II **War of Supply** David D. Dworak, 2022-05-17 The era of modern warfare introduced in World War II presented the Allied Powers with one of the more complicated logistical challenges of the century how to develop an extensive support network that could supply and maintain a vast military force comprised of multiple services and many different nations thousands of miles away from their home ports The need to keep tanks rolling airplanes flying and food and aid in continuous supply was paramount to defeating the Nazi regime In this extensively researched book David Dworak takes readers behind the scenes and breaks down the nuances of strategic operations for each of the great Mediterranean military campaigns between 1942 and the conclusion of World War II on May 8 1945 Dworak gives readers a glimpse behind the curtain to show how the vast administrative bureaucracy developed by the Allies waged a literal war of material that gave them a distinct strategic advantage over the Axis powers From North Africa to Southern France their continued efforts and innovation developed the framework that helped create and maintain the theater of war and ultimately paved the path to victory **Approach** , 1979 The naval aviation safety review General Mark Clark Jon B. Mikolashek, 2013-03-22 Mikolashek has given us history readers and buffs as well as military historians a new introduction to a key American General of World War 2 Jim Kane 1 Man and His Books Although not nearly as well known as other US Army senior commanders Gen Mark Clark is one of the four men along with Eisenhower Patton and Bradley who historian Martin Blumenson called the essential quartet of American leaders who achieved victory in Europe Eisenhower nicknamed him the American Eagle A skilled staff officer Clark rose quickly through the ranks and by the time America entered the war he was deputy commander of Allied forces in north Africa Several weeks before Operation Torch Clark landed by submarine in a daring mission to negotiate the cooperation of the Vichy French He was subsequently named commander of United States Fifth Army and tasked with the invasion of Italy Fifth Army and Mark Clark are virtually synonymous From the September 1943 landing at Salerno Clark and his army fought their way north against skilled German resistance augmented by mountainous terrain The daring January 1944 end run at Anzio although not immediately successful set the stage for Fifth Army's liberation of Rome on June 4 1944 after ten months of hard fighting Mikolashek a history professor at the United States Army Command and General Staff College sheds much needed historical light on one of America's most important fighting generals in this war and all biography He also demonstrates the importance of the Italian Campaign paying tribute to the valorous soldiers of U S Fifth Army and their Allied comrades *Hanged at Durham* Steve Fielding, 2013-07-01 For decades the high walls of Durham gaol have contained some of the country's most infamous criminals Until hanging was abolished in the 1960s it was also the main centre of execution for convicted killers from all over the north east The history of execution within the walls of Durham Gaol began with the hanging of two labourers side by side in 1869 by the notorious hangman William Calcraft Over the next ninety years a total of seventy seven people took the short walk to the gallows including poisoner Mary Cotton who for over a century was the worst mass murderer in Great Britain Gatesheads copycat

Jack the Ripper William Waddell army deserter Brian Chandler nineteen year old Edward Anderson who murdered his blind uncle a Teeside dock worker hanged on Christmas Eve Carlisle muderer John Vickers the first man hanged under the 1957 Homocide Act and a South African sailor who preferred death to ten years in prison Infamous executionors also played a part in the gaols history Calcraft who preferred slow strangulation Marwood the pioneer of the long drop bungling Bartholomew Binns the Billingtons the Pierrepont family and Doncaster hangman Stephen Wade Steve Fielding s highly readable new book features each of the seventy five cases in one volume for the first time and is fully illustrated with photographs news cuttings and engravings It is bound to appeal to anyone interested in the darker side of County Durhams history

The GI Offensive in Europe Peter R. Mansoor, 1999-06-06 The German Wehrmacht was one of the most capable fighting forces the world has ever known but in the end it was no match for the Allies Some historians contend that the Allies achieved victory through brute force and material superiority But as Peter Mansoor argues all of the material produced by U S industry was useless without trained soldiers to operate it a coherent doctrine for its use and leaders who could effectively command the formations into which it was organized This book provides a comprehensive study of America s infantry combat performance in Europe during World War II showing that the Army succeeded by developing combat effective divisions that could not only fight and win battles but also sustain that effort over years of combat While American industry admittedly enabled the U S to sustain its overseas armies the effectiveness of those forces ultimately rested on their organizational capabilities and ability to adapt to combat in a variety of lethal environments and to learn from their mistakes Mansoor analyzes the impact of personnel and logistical systems on the Army s strength explaining how leaders used these systems to keep a small number of divisions at a high state of combat effectiveness During the critical battles of 1944 45 American divisions were able to sustain this high level while their Wehrmacht counterparts disintegrated demonstrating that the Army s endurance in extended combat was the most critical factor in its ultimate success Mansoor also takes a close look at the personalities and capabilities of division commanders infantry tactics and operations logistics and the benefits and weaknesses of stateside training The American army won asserts Mansoor because unit for unit at the division level it was more effective than its adversaries By showing how U S infantry developed more quickly and fought better than commonly believed The GI Offensive in Europe contributes significantly to the history of the U S Army in the European theater and to our overall understanding of military effectiveness

From Stalingrad to Italy - Von Senger's War Andrew Sangster, 2025-06-30 Anti Nazi German general von Senger und Etterlin led with honour strategy and compassion throughout WWII In a world defined by the brutalities of war one German general stands apart from the Hollywood stereotype Before the storm of the Second World War Fridolin von Senger und Etterlin was a Rhodes Scholar at Oxford fluent in multiple languages and a devoted Christian a lifelong Benedictine Oblate From the very outset he was anti Nazi and on many occasions defied Hitler s orders His military skills were good in France he beat Rommel to Cherbourg and on the Eastern Front he tried to relieve the German 6th Army

in Stalingrad It was in Italy where his reputation grew by safely evacuating German troops from Sicily Sardinia and Corsica a delicate matter because the Italians had changed sides He defeated General Clark's forces at the Rapido battle fiasco and he caused Cassino to become a serious hold up for the Allied advance north It was he who willingly signed the surrender documents in Italy on 4 May 1945 His Christian beliefs meant there were no barbarities within his command and he made lifelong friends with some occupied residents helping to save lives from the dreaded SS and the Italian partisans never attacked him because he had helped the helpless He was a brilliant tactician always with his troops on the frontline and his anti Nazi views were not a post war justification but were widely known during the war years by friend and foe Von Senger was never even considered for war crimes and was granted the rare privilege of being allowed to explore the English countryside from the Bridgend PoW camp Discover the life of a general who fought not just for victory but for honour compassion and morality under the brutal Nazi regime *A History of Pain* Michael Berry, 2011 This work probes the restaging representation and reimagining of historical violence and atrocity in contemporary Chinese fiction film and popular culture It examines five historical moments including the Musha Incident 1930 and the February 28 Incident 1947

Managing Uncertainty in Organizational Communication Michael W. Kramer, 2014-04-04 This book examines uncertainty reduction theory URT and research applicable to organizational settings it proposes a model for a Theory of Managing Uncertainty TMU For scholars students in organizational interpersonal group communication **Professional Journal of the United States Army**, 1994 **Military Intelligence**, 1991 **Entrepreneurship in the Balkans** Veland Ramadani, Robert C. Schneider, 2013-05-13 This book represents a comprehensive state of the art picture of entrepreneurship and small business management issues in the Balkans region It provides major theoretical and empirical evidence that offers a brighter view of these fields and aims to open up opportunities for greater dialogue in public policy The readers would be able to enhance their knowledge on small businesses and innovation issues in the Balkans An outcome of a long lasting endeavour this book includes contributions of highly reputed authors and experts from the Balkans countries Features forewords by two well known personalities of this field Leo Paul Dana and Alain Fayolle **The Hammond Innes Collection Volume Three** Hammond Innes, 2018-07-24 Four action packed thrillers from the author of *The Wreck of the Mary Deare* and Great Britain's leading adventure novelist Financial Times British novelist Hammond Innes was perhaps best known for his nautical mystery *The Wreck of the Mary Deare* which was made into a film starring Gary Cooper and Charlton Heston But the prolific writer World War II veteran and dedicated yachtsman wrote over thirty novels of adventure and suspense during his long career The collected fiction here spans the globe from Antarctica to the Hebrides Cold War Germany to sun soaked Greece As always for sheer excitement Hammond Innes will be hard to beat Daphne du Maurier Isvik Isvik is a legend a ghost ship that sits on the lip of Antarctica two hundred years old at least swallowed by the ice with severed masts and helmsman frozen to the wheel Or so a glaciologist reported before his plane crashed on the ice shelf Now

wealthy Scotsman Iain Ward is determined to find the frozen frigate and he's bringing along Peter Kettil a wood preservation specialist and seasoned sailor himself But Ward and Kettil are not the only ones willing to go to any lengths to discover the ship's secrets A dramatic adventure that will keep readers guessing until its startling climax Publishers Weekly Air Bridge

After his heroic service in World War II pilot and aircraft engineer Neil Fraser must steal planes in order to make a living flying them from England to the land that will soon become Israel But when he's caught by a ruthless tycoon he's forced to build the wealthy man a new aircraft engine With dreams of conquering the sky Bill Saeton wants Fraser to fly the plane over a divided Germany as part of the Berlin Airlift But as Saeton's ambition becomes a dangerous obsession Fraser begins to look for a way to bail out Authentic and excellent His plot characters and suspense live up to the setting San Francisco Chronicle

Atlantic Fury When a British army unit is ordered to evacuate from the remote rocky island of Laerg in the Hebrides during a violent storm it's up to a pair of reunited brothers to save the group of soldiers and each other Nothing short of superb The New York Times

Levkas Man When his parents died Paul was sent to Amsterdam to live with his mother's old lover the eccentric archaeologist Pieter Van der Voort who was obsessed with the origins of man After eight years at sea Paul discovers Van der Voort is in Greece on an archaeological expedition that's spiraling out of control To reach Greece Paul takes a job working for a smuggler embarking on a journey that will carry him across the globe and into the blackest depths of man's most primal instinct Quick action adventure a particularly interesting background The Daily Telegraph

Dogface Soldier Wilson A. Heefner, 2010-05-05 On July 11 1943 General Lucian Truscott received the Army's second highest decoration the Distinguished Service Cross for valor in action in Sicily During his career he also received the Army Distinguished Service Medal with Oak Leaf Cluster the Navy Distinguished Service Medal the Legion of Merit and the Purple Heart Truscott was one of the most significant of all U S Army generals in World War II pioneering new combat training methods including the famous Truscott Trot and excelling as a combat commander turning the Third Infantry Division into one of the finest divisions in the U S Army He was instrumental in winning many of the most important battles of the war participating in the invasions of North Africa Sicily Anzio and southern France Truscott was not only respected by his peers and dogfaces common soldiers alike but also ranked by President Eisenhower as second only to Patton whose command he took over on October 8 1945 and led until April 1946 Yet no definitive history of his life has been compiled Wilson Heefner corrects that with the first authoritative biography of this distinguished American military leader Heefner has undertaken impressive research in primary sources as well as interviews with family members and former associates to shed new light on this overlooked hero He presents Truscott as a soldier who was shaped by his upbringing civilian and military education family life friendships and evolving experiences as a commander both in and out of combat Heefner's brisk narrative explores Truscott's career through his three decades in the Army and defines his roles in key operations It also examines Truscott's postwar role as military governor of Bavaria particularly in improving living conditions for Jewish displaced persons removing

Nazis from civil government and assisting in the trials of German war criminals And it offers the first comprehensive examination of his subsequent career in the Central Intelligence Agency where he served as senior CIA representative in West Germany during the early days of the Cold War and later as CIA Director Allen Dulles s deputy director for coordination in Washington Dogface Soldier is a portrait of a man who earned a reputation for being honest forthright fearless and aggressive both as a military officer and in his personal life a man who at the dedication ceremony for the Anzio Nettuno American cemetery in 1945 turned away from the crowd and to the thousands of crosses stretching before him to address those buried there Heefner has written a definitive biography of a great soldier and patriot Inadvertent Nuclear War Hå. Wiberg,I.D. Petersen,P. Smoker,2013-10-22 Since the dramatic end of the Pacific War in 1945 the threat of nuclear war has exercised the minds of many Initial fears concerned the risk that a political crisis between the Superpowers would escalate through military confrontation into a calculated nuclear war Another scenario pictured a new Hitler commanding a nuclear capable state prepared to use such weapons irrationally possibly sparking a catalytic nuclear war between the major Powers More recently attention has shifted towards the risk of the accidental release of nuclear weapons While the risk of intentional conflict between the major Powers has lessened the arsenals have only been marginally reduced leaving the possibility of accidental release as perhaps the most threatening case Inadvertent Nuclear War presents the risk in terms of the reliability and instability of the human and technical systems governing release with contributions ranging from the engineering of computer software to the psychology of the chain of command As Dr Wiberg states in his introduction No known technical construction human being or social organization is absolutely failsafe Brill's Companion to Nonnus of Panopolis ,2016-03-11 The Egyptian Nonnus of Panopolis 5th century AD author of both the pagan Dionysiaca the longest known poem from Antiquity 21 286 lines in 48 books the same number of books as the Iliad and Odyssey combined and a Christian hexameter Paraphrase of St John s Gospel 3 660 lines in 21 books is no doubt the most representative poet of Greek Late Antiquity Brill s Companion to Nonnus of Panopolis provides a collection of 32 essays by a large international group of scholars experts in the field of archaic Hellenistic Imperial and Christian poetry as well as scholars of late antique Egypt Greek mythology and religion who explore the various aspects of Nonnus baroque poetry and its historical religious and cultural background Yangtze Showdown Brian Izzard,2015-02-18 Tells the epic tale of the entrapment of HMS Amethyst by the Chinese Communists a good sea story and a look inside the early days of the Cold War Strategy Page The attack on the British frigate Amethyst on the Yangtze River by Chinese Communists in 1949 made world headlines There was even more publicity when the ship made a dramatic escape after being trapped for 101 days Eulogized by the British as an example of outstanding courage and fortitude the Yangtze Incident was even made into a feature film which depicted the ship and her crew as innocent victims of Communist aggression The truth was more complex and so sensitive that the government intended that the files should be closed until 2030 However these have now been released and in making use of these

documents this book is the first to tell the full story What emerges is an intriguing tale of intelligence failure military over confidence and a hero with feet of clay it is by no means as heroic as the well publicized official version but every bit as entertaining While the reputations of diplomatic and naval top brass take a knock the bravery and ingenuity of those actively involved shines even more brightly Written with verve and including much new and surprising information this book is both enjoyable and informative A masterly work gripped with tension and it is hard to put down the feat of legends which will forever be celebrated throughout the endless history of the Royal Navy Australian Naval Institute A classic piece of post war naval adventure in a highly readable and well researched manner Scuttlebutt
