Hope, Solidarity and Death at the Australian Border Michelle Jasmin Dimasi, 2022-01-25 Forced displacement affects millions annually as they search for safety yet how many of us take the time to truly understand the asylum seeker experience Not only confronted with the risks of irregular migration asylum seekers must navigate border politics imposed by countries seeking to deter and punish those in need Nameless bodies who wash up on the shores globally have become a contemporary norm As humans are all deeply connected a moral responsibility exists to comprehend why asylum seekers seek refuge even if the stakes of death are high When understanding prevails compassion and welcome often follow However policies of deterrence signalling to refugees that they are not welcome have overshadowed an appreciation to understand Despite asylum seeker deaths being well publicised government policies that focus on preventing illegal immigration often resonate with the populous The question arises as to why a lack of understanding and hospitality is the dominant discourse Possible clues are found on faraway Christmas Island an Australian outpost located in the Indian Ocean situated much closer to Indonesia than Australia This book the result of extensive research reveals how Australia s asylum seeker policy plays out at the Australian border It examines how Christmas Islanders responded to asylum seekers and provides insights into why humans respond to strangers in need or turn them away It opens the aperture for future discussions around the global complexities of welcoming asylum seekers host communities and immigration border policies and encourages replacing asylum seeker border deaths with hope and solidarity *Soul Agreements* Dick Sutphen, 2005-04-25 While in spirit before you were born you wrote a script for your life on earth that included soul agreements establishing your relationships with your parents lovers children and others who would affect your life in meaningful ways Your career directions were planned out as well as the major challenges you would encounter This karmic road map was programmed at a soul level and can be

examined by psychic researchers like Dick and Tara Sutphen In his best selling book *You Were Born Again to Be Together* Dick explored the concept of destiny through romantic relationships In *Soul Agreements* his investigations expand to a variety of cases a woman born with a severe disability a couple who came together to experience tragedy and others who incarnated to be famous or influential or to become healers Once you understand how soul agreements work Dick teaches how to make the most of your destiny The more self actualized you are the less likely you will be adversely affected by negative life experiences This awareness shows you how to best override fate and create your own reality of love and success
