New York Times Saturday Book Review Supplement ,1966 Larousse Encyclopedia of Modern Art General René Huyghe,1965 **Paperbound Books in Print** ,1975 **Larousse Encyclopedia of Modern Art** ,1965 **Books in Print Supplement** ,1978 **Larousse Encyclopedia of Art** ,1962 *A Dictionary of Modern and Contemporary Art* John Graves-Smith,Ian Chilvers,2015 This reference work boasts worldwide coverage of modern and contemporary art from 1900 to the present day It features A to Z entries on movements styles techniques artists critics schools and galleries A resource for artists art students and art lovers it gives indication of public collections and publicly sited works as well as suggestions for further reading within entries For this new edition the existing entries have been revised and updated and more than 80 new entries have been added expanding the international coverage of the dictionary heavily with entries for artists such as Hilma af Klint Nasreen Mohamedi Lygia Pape and Anri Sala This is a reference for students and teachers of art history artists and anyone with an interest in modern and contemporary art and culture A Dictionary of Art Titles Adrian Room,2000 The titles of artworks can often be misleading and their relationship to a painting or sculpture difficult to discern Often a title requires previous knowledge of history religion or mythology Sometimes the title reflects the ownership or history of the painting its subjects or patrons but does not explain them Many titles are allusive and by their nature open ended for example The Escape does not explain the cause the motivation or anything else about the escape Finally some titles defy all logic and seem to have little to do with the artwork This dictionary of 3 000 works of art explains the meaning behind the titles The titles mostly of paintings and sculpture but also of some less traditional media are arranged alphabetically by original title or English title with post 18th century French German Italian Spanish and Russian works usually given in their own language and occasionally other works as well each entry provides an English title when necessary the artist s name when known the date of creation the present location unless a work is not extant and an explanation of the title A bibliography and an index of artists are included *Encyclopedia of World Art* Mario Salmi,1964-06-01
