Last Honest Man Remembering Mordecai Richler:

Mordecai Richler Reinhold Kramer, 2008-03-20 I didn't want the biography to end Mordecai Richler seemed so vividly alive From now on nobody can write about Richler without reading this book The Globe and Mail **Book Review Index Cumulation** Dana Ferguson, 2005-09 Book Review Index provides quick access to reviews of books periodicals books on tape and electronic media representing a wide range of popular academic and professional interests The up to date coverage wide scope and inclusion of citations for both newly published and older materials make Book Review Index an exceptionally useful reference tool More than 600 publications are indexed including journals and national general interest publications and newspapers Book Review Index is available in a three issue subscription covering the current year or as an annual cumulation covering the past year **Mordecai Richler** Ada Cranford, 2005 Richler Revealed Wickedly amusing and deceptively familiar Mordecai Richler has been praised reviled and many times misunderstood Intrigued by Richler's defiant denial that his personal history plays any part in his fiction we unveil the life altering events he semi discloses Amazed at his brazen plundering of past and present literary works we watch as he reworks the stories and poems of other writers for purposes of his own Carefully researched and entertainingly presented these revelations will forever alter the way you read Richler's novels and think about his life **Canadian Books in Print. Author and Title Index**, 1975 **Index to Jewish Periodicals**, 2004 An author and subject index to selected and American Anglo Jewish journals of general and scholarly interests **Quill & Quire**, 2008 **Mordecai Richler's Imperfect Search for Moral Values** Shana Rosenblatt Mauer, 2022-08-15 From his debut as a novelist Mordecai Richler challenged provoked enraged entertained and surprised readers Criticizing him for his portrayals of Canada and accusing him of being anti Jewish many found his mix of progressive sympathies and illiberal satire confounding but hard to ignore His novels were too engaging their subjects crackled with contemporary relevance and their humour was irresistible Mordecai Richler's Imperfect Search for Moral Values is an investigation into Richler's novels and the conflicting reactions they provoked Taking into consideration the most prevalent and voluble responses to his novels Shana Mauer examines the texts themselves and assesses how they stand up to these reactions She asks whether the backlash was justified and whether these novels savaged Canada maligned the Jewish community disparaged women mocked gays and generally despaired of modern life and contemporary culture As the first study of Richler's entire corpus this book considers these issues in the context of a long career one as consistent as it was varied in which an ideological discourse often but not always evolved Turning away from impressions assumptions and generalizations many informed by Richler's non fiction and on record comments Mauer focuses instead on the substance of the novels themselves finding there a restless search for lasting moral value Mordecai Richler's Imperfect Search for Moral Values explores the construction of literary texts that have made Richler one of the most intriguing and successful modern writers as well as an essential voice in Canadian and Jewish literature in the second half of the twentieth century

Mordecai Richler M. G. Vassanji, 2009 Once voted the greatest Canadian of all time Tommy Douglas was a prairie politician who believed in democratic socialism the crucial role of civil rights and the great potential of cooperation for the common good He is best known as the Father of Medicare Born in 1904 Douglas was a championship boxer and a Baptist minister who later exchanged his pulpit for a political platform A powerful orator and tireless activist he sat first as a federal MP and then served for 17 years as premier of Saskatchewan where he introduced the universal health insurance system that would eventually be adopted across Canada As leader of the national NDP he was a staunch advocate of programs such as the Canada Pension Plan and was often the conscience of Parliament on matters of civil liberties In the process he made democratic socialism a part of mainstream Canadian political life pub desc *Son of a Smaller Hero* Mordecai Richler, 2010-12-17 Young Noah Adler passionate ruthlessly idealistic is the prodigal son of Montreal's Jewish ghetto Finding tradition in league with self delusion he attempts to shatter the ghetto's illusory walls by entering the foreign territory of the goyim But here freedom and self determination continue to elude him Eventually Noah comes to recognize justice and safety and a kind of felicity in a world he cannot entirely leave behind Richler's superb account of Noah's struggle to scale the walls of the ghetto overflows with rich comic satire *Son of a Smaller Hero* is a compassionate penetrating account of the nature of belonging told with the savage realism for which Mordecai Richler's fiction is celebrated **Quarry**, 1981 [The Canadian Encyclopedia](#) James H. Marsh, 1999 This edition of The Canadian Encyclopedia is the largest most comprehensive book ever published in Canada for the general reader It is COMPLETE every aspect of Canada from its rock formations to its rock bands is represented here It is UNABRIDGED all of the information in the four red volumes of the famous 1988 edition is contained here in this single volume It has been EXPANDED since 1988 teams of researchers have been diligently fleshing out old entries and recording new ones as a result the text from 1988 has grown by 50% to over 4 000 000 words It has been UPDATED the researchers and contributors worked hard to make the information as current as possible Other words apply to this extraordinary work of scholarship AUTHORITATIVE RELIABLE and READABLE Every entry is compiled by an expert Equally important every entry is written for a Canadian reader from the Canadian point of view The finished work many years in the making and the equivalent of forty average sized books is an extraordinary storehouse of information about our country This book deserves pride of place on the bookshelf in every Canadian Home It is no accident that the cover of this book is based on the Canadian flag For the proud truth is that this volume represents a great national achievement From its formal inception in 1979 this encyclopedia has always represented a vote of faith in Canada in Canada as a separate place whose natural worlds and whose peoples and their achievements deserve to be recorded and celebrated At the start of a new century and a new millennium in an increasingly borderless corporate world that seems ever more hostile to national distinctions and aspirations this Canadian Encyclopedia is offered in a spirit of defiance and of faith in our future The statistics behind this volume are staggering The opening sixty pages list the 250 Consultants the roughly 4 000 Contributors

all experts in the field they describe and the scores of researchers editors typesetters proofreaders and others who contributed their skills to this massive project The 2 640 pages incorporate over 10 000 articles and over 4 000 000 words making it the largest some might say the greatest Canadian book ever published There are of course many special features These include a map of Canada a special page comparing the key statistics of the 23 major Canadian cities maps of our cities a variety of tables and photographs and finely detailed illustrations of our wildlife not to mention the colourful informative endpapers But above all the book is encyclopedic which the Canadian Oxford Dictionary describes as embracing all branches of learning This means that with rare exceptions there is satisfaction for the reader who seeks information on any Canadian subject From the first entry A mari usque ad mare from sea to sea which is Canada s motto and a good description of this volume s range to the Zouaves who mustered in Quebec to fight for the beleaguered Papacy there is the required summary of information clearly and accurately presented For the browser the constant variety of entries and the lure of regular cross references will provide hours of fascination The word encyclopedia derives from Greek expressions alluding to a grand circle of knowledge Our knowledge has expanded immeasurably since the time that one mind could encompass all that was known Yet now Canada s finest scientists academics and specialists have distilled their knowledge of our country between the covers of one volume The result is a book for every Canadian who values learning and values Canada
