

# LONELY COMMAND

---

Captain Karl von Muller was a legendary leader of men. Tall, blond, and enigmatic, here was a man whose very presence generated an electric excitement. A man who with independence and fierce courage chose the loneliest command of the German Navy—that of a small sea raider called the **Emden**.

"Prowling the shipping lanes of the Indian Ocean and the South Pacific in the First World War, the Emden (in the span of six months) had captured twenty-four British, French, Russian and Japanese merchant vessels, had sunk a Russian cruiser and a French destroyer, and had effectively raided two Anglo-Indian ports . . . a career that was short but so successful that it won the grudging admiration of even the Allied press."

The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
