Long Interview:

The Long Interview Grant David McCracken, Grant McCracken, 1988-09 The Long Interview focuses on one of the most powerful and efficient of these methods the intensive interview The intensive interview is a sharply focused and rapid process that seeks to diminish the indeterminacy and redundancy that attends more unstructured research processes

Out of the Classroom and into the World Salvatore Vascellaro, 2011-11-01 Bank Street College of Education professor Salvatore Vascellaro is a leading advocate of taking children and teachers into a wider world as the key to improving our struggling schools Combining practical and theoretical guidance Out of the Classroom and into the World visits a rich variety of classrooms transformed by innovative field trip curricula showing how students hearts and minds are opened as they discover how a suspension bridge works what connects them to the people and places of their neighborhood and as they come to understand the ecosystem of a river by following it to its source Vascellaro shows equally that what teachers can offer children is fueled by their own engagement with the world and he offers stunning examples of teachers awakened by their direct experiences with the social issues plaguing American society from the flood torn areas of New Orleans to the mining areas of West Virginia Based on the core principles of progressive pedagogy and the wisdom gained from Vascellaro s experience as a teacher school administrator and teacher educator Out of the Classroom and into the World is a direct retort to test scores and standards as adequate measures of teaching and learning an inspiring call and major new resource for anyone interested in reinvigorating America s classrooms

Beyond the Silver Screen Mary Tomsic, 2017-10-16 Beyond the Silver Screen tells the history of women s engagement with filmmaking and film culture in twentieth century Australia In doing so it explores an array of often hidden ways women in Australia have creatively worked with film Beyond the Silver Screen examines film in a broad sense considering feature filmmaking alongside government documentaries and political films It also focusses on women s work regulating films and supporting film culture through organising film societies and workshops to encourage female filmmakers As such it tells a new narrative of Australian film history Beyond the Silver Screen reveals the variety of roles film has in Australian society It presents film as a medium of creative and political expression which women have engaged with in diverse ways throughout the twentieth century Gender roles and gendered ideologies operating within society at large have influenced women s opportunities to work with film and how their filmwork is recognised Beyond the Silver Screen shows women s sustained involvement with film is best understood as political and cultural action

The Thumpin' Naftali Bendavid, 2008-12-10 In the 2006 midterm elections the Democratic party ended twelve years of electoral humiliation by seizing back Congress and putting an end to Republican rule The Thumpin is the story of that historic victory and the man at the center on whom Democratic hopes hinged Congressman Rahm Emanuel head of the Democratic Congressional Campaign Committee DCCC Chicago Tribune reporter Naftali Bendavid had exclusive access to Emanuel and the DCCC in the year and a half leading up to the elections

and ended up with the story of a lifetime the thrilling blow by blow account of how Emanuel remade the campaign in his own ferocious image Responsible for everything from handpicking Congressional candidates to raising money for attack ads Emanuel a talented ballet dancer better known in Washington for his extraordinary intensity and his inexhaustible torrents of profanity threw out the playbook on the way Democrats run elections Instead of rallying the base Rahm sought moderate to conservative candidates who could attract more traditional voters Instead of getting caught in the Democrats endless arguments about their positions he went on the attack personally vilifying Republicans from Tom DeLay to Christopher Shays And instead of abiding by the gentlemen s agreements of good old boy Washington he broke them attacking his counterpart in the Republican party and challenging Howard Dean the chairman of his own party In 2005 no one believed victory was within the Democrats grasp But as the months passed Republicans were caught in wave after wave of scandal support for the war in Iraq steadily declined and the president s poll numbers plummeted And in Emanuel the Democrats finally had a killer a ruthless closer like Karl Rove or Lee Atwater poised to seize the advantage and deliver what President Bush would call a thumpin Taking its cues from classic political page turners like Showdown at Gucci Gulch and documentaries like The War Room The Thumpin takes us inside the key races and the national strategy making that moved the Democrats from forecasted gains of three seats in 2005 to a sweeping gain of thirty seats when the votes were finally counted Through this masterful account of Rahm s rout Bendavid shows how the lessons the Democrats learned in 2006 to fight for every vote to abandon litmus tests and to take no prisoners will be crucial to the party s future electoral success and shape the political course the nation will take in the twenty first century

Big-Box Swindle Stacy Mitchell, 2007-10-01 A Book Sense Pick and Annual Highlight With a New Afterword In less than two decades large retail chains have become the most powerful corporations in America In this deft and revealing book Stacy Mitchell illustrates how mega retailers are fueling many of our most pressing problems from the shrinking middle class to rising pollution and diminished civic engagement and she shows how a growing number of communities and independent businesses are effectively fighting back Mitchell traces the dramatic growth of mega retailers from big boxes like Wal Mart Home Depot Costco and Staples to chains like Starbucks Olive Garden Blockbuster and Old Navy and the precipitous decline of independent businesses Drawing on examples from virtually every state in the country she unearths the extraordinary impact of these companies and the big box mentality on everything from soaring gasoline consumption to rising poverty rates failing family farms and declining voting levels Along the way Mitchell exposes the shocking role government policy has played in the expansion of mega retailers and builds a compelling case that communities composed of many small locally owned businesses are healthier and more prosperous than those dominated by a few large chains More than a critique Big Box Swindle provides an invigorating account of how some communities have successfully countered the spread of big boxes and rebuilt their local economies Since 2000 more than two hundred big box development projects have been halted by groups of ordinary citizens and scores of towns and cities have adopted laws that

favor small scale local business development and limit the proliferation of chains From cutting edge land use policies to innovative cooperative small business initiatives Mitchell offers communities concrete strategies that can stave off mega retailers and create a more prosperous and sustainable future Excellent Public Relations and Effective Organizations

James E. Grunig, David M. seamless marriage of her fiction writing and community activism *No One Gardens Alone* Emily Herring Wilson,2005-09-15 *No One Gardens Alone* tells for the first time the story of Elizabeth Lawrence 1904 1985 Like classic biographies of Emily Dickinson and Edna St Vincent Millay this fascinating book reveals Lawrence in all her complexity and establishes her at last as one of the premier gardeners and gardening writers of the twentieth century In this first biography of the renowned gardening writer Elizabeth Lawrence Emily Herring Wilson reminds us that even quiet lives hold unsuspected passions Written with graceful clarity sensitivity and empathy this life is a perennial Linda H Davis author of *Onward and Upward A Biography of Katharine S White* Elizabeth Lawrence 1904 1985 lived a singular often contradictory life She was a traditional southerner a successful independent garden writer with her own newspaper column and numerous books to her credit a dutiful daughter who cared for her elders and lived with her mother a landscape architect a passionate poet a friend of literary figures like Eudora Welty and Joseph Mitchell and a very private woman whose recently discovered letters illuminate aspects of her mystery Lawrence earned many fans during her lifetime and gained even more after her death with the reissue of many of her classic books When Emily Herring Wilson edited a collection of letters between Lawrence and famed New Yorker editor Katharine S White in *Two Gardeners* she found legions of readers who were eager to know more about the legendary Lawrence Now one hundred years after her birth *No One Gardens Alone* tells for the first time the story of this fascinating woman Like classic biographies of literary figures such as Emily Dickinson and Edna St Vincent Millay this book reveals Lawrence in all her complexity and establishes her at last as one of the premier gardeners and garden writers of the twentieth century **Business Communication: Rhetorical Situations** Heather Graves,Roger Graves,2021-03-25 Business and professional communication takes place in a dynamic ever changing environment How can we best help students prepare to communicate in such a challenging environment The pedagogies of the twentieth century lectures quizzes and exams have not kept up to these new demands for student engagement Business Communication Rhetorical Situations supports more interactive and collaborative pedagogies to motivate students Each chapter has two or three cases that challenge students to apply the business communication concepts they are learning to a specific set of circumstances These cases are drawn from real life communication situations and invite students to think through a communication situation and take action After each case challenges and exercises provide more opportunities for students to analyze and reflect on business documents and practice the skills discussed in the case themselves Throughout rhetorical concepts such as audience genre and purpose are central and collaboration and creativity are encouraged **Freedom Flyers** J. Todd Moye,2010-04-14 As the country's first African American military pilots the Tuskegee Airmen fought in World War II on two fronts against the Axis powers in the skies over Europe and against Jim Crow racism and segregation at home Although the pilots flew more than 15 000 sorties and destroyed more than 200 German aircraft their most far reaching achievement defies quantification delivering a powerful blow to racial inequality and discrimination in American life In this

inspiring account of the Tuskegee Airmen historian J Todd Moye captures the challenges and triumphs of these brave pilots in their own words drawing on more than 800 interviews recorded for the National Park Service's Tuskegee Airmen Oral History Project Denied the right to fully participate in the U S war effort alongside whites at the beginning of World War II African Americans spurred on by black newspapers and civil rights organizations such as the NAACP compelled the prestigious Army Air Corps to open its training programs to black pilots despite the objections of its top generals Thousands of young men came from every part of the country to Tuskegee Alabama in the heart of the segregated South to enter the program which expanded in 1943 to train multi engine bomber pilots in addition to fighter pilots By the end of the war Tuskegee Airfield had become a small city populated by black mechanics parachute packers doctors and nurses Together they helped prove that racial segregation of the fighting forces was so inefficient as to be counterproductive to the nation's defense Freedom Flyers brings to life the legacy of a determined visionary cadre of African American airmen who proved their capabilities and patriotism beyond question transformed the armed forces formerly the nation's most racially polarized institution and jump started the modern struggle for racial equality *Lifelong Employability* Philippa Dengler,2018-12-28 Increased longevity means that current structures for employment and retirement in Switzerland are not sustainable To enable individuals and companies to thrive in our ageing society changes in our social norms and attitudes about work and ageing need to occur Philippa Dengler examines what these changes are and what companies can do to support their employees to take control of their individual employability for a longer life The practical implications benefit individuals the companies they work for and society as a whole Decisions and Orders of the National Labor Relations Board United States. National Labor Relations Board,2014 Hitler's Island War Julie Peakman,2017-12-05 Highly Commended by the British Records Association for the 2019 Janette Harley Prize In September 1943 at the height of World War II the Aegean island of Leros became the site of the most pivotal battle of the Dodecanese campaign as the British tried in vain to retain control of the island Over the course of two short months from 15 September 1943 to 17 November 1943 almost 1500 men lost their lives and hundreds more ended up in Prisoner of War camps In this book Julie Peakman a modern day resident of Leros brings to life the story of the men caught up in the battle based on first hand interviews and written accounts including diaries letters and journals She tells of the preparations of the soldiers leading up to the battle the desperate hand to hand fighting and the suffering endured from continual bombings She also shows the extent of the men's despair at the allied surrender the many subsequent daring escapes as well as the terrible years of incarceration for those who were captured and imprisoned Many of the heart rending accounts of the battle are told here for the first time providing a unique eyewitness take on this forgotten corner of World War II

Enjoying the Melody of Phrase: An Mental Symphony within **Long Interview**

In a world used by monitors and the ceaseless chatter of instant transmission, the melodic elegance and psychological symphony created by the written word frequently disappear into the backdrop, eclipsed by the persistent noise and disturbances that permeate our lives. But, set within the pages of **Long Interview** a wonderful literary value brimming with organic thoughts, lies an immersive symphony waiting to be embraced. Constructed by a wonderful composer of language, this interesting masterpiece conducts visitors on an emotional trip, well unraveling the concealed songs and profound impact resonating within each carefully constructed phrase. Within the depths of this emotional examination, we shall explore the book is key harmonies, analyze its enthralling writing style, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
