John Casperson, 2019-01-08 Here is a sample of the types of stories both funny and weird in this book and why the reader will say many times over Yougottabekiddinme I was working in Kansas City MCI assigned to baggage service that day Baggage service wasn't my forte but I worked with people who were really good I am in position at the front desk to take care of walk ins and this young lady came in and she was really distraught to the point of tears Her eyes were red and wet Obviously something was wrong and I asked her what was the matter She said I've just come in but my pet didn't I tried to comfort her telling her the pet would probably arrive on the next flight that it probably misconnected She then said words I'll never forget She said No you don't understand The kennel is here but my dog isn't OMG I didn't hear what I just heard I literally could not believe what I heard Stupidly I said What She said My dog's not here The kennel is but he's not I asked if she was sure it was her kennel She said it was I dropped what I was doing and called for someone else to come out and watch the front desk and we went to the claim area Sure enough her kennel was there with her name all over it and no dog Yougottabekiddinme You'll find the rest of the story inside Believe me truth is stranger than fiction Have fun **Gender and Sexuality in Contemporary Popular Fantasy** Jude Roberts, Esther
