McMullan, 2016-01-28 Since September 11th 2001 America has not experienced another major attack on U S soil This is not by accident but due to the diligence of those assigned to protect us Now there is another credible threat targeting

the New York New Jersey area and Jake Patrick the Director of the New Jersey Special Task Force on Terrorism might be the only person capable of preventing it As the evidence begins to materialize the scope of the planned attack appears enormous and the potential loss of life would be devastating Teamed with the New York City Anti Terror Unit Jake s in a race against time to discover the day time and target of this attack before disaster strikes once again This is the story of the days and hours leading up to this assault and the brave men and women whose job it is to prevent it from happening **A Call to Love** Rebecca Sundberg,2013-03 Lord let your love pour through me It was a prayer that Maddy had prayed many times over the past years but it still brought tears to her eyes as she thought of the magnitude of what she asked As a single mother Maddy Walker s life has been anything but easy yet despite her pain and loss she has committed her life to loving and serving others Throughout the story Maddy s faith is stretched as God teaches her how to love enabling her to touch the lives of many people in her community When Maddy discovers that she is facing some serious health issues she is tempted to withdraw uncertain she has anything left to give Her only prayer is to live long enough to see her daughter married and to know that Dani will be taken care of But God is not finished with Maddy When Isobelle Davis moves to town God prompts Maddy to befriend her Thrown into the midst of unwelcome change Isobelle is struggling with feelings of anger and discontentment Yet God uses what Isobelle views as a negative circumstance to provide an answer to Maddy s prayer In the process Isobelle s attitude is transformed and she gains new perspective as she is able to see how God s hand was orchestrating it all **Report on the Herring Fisheries of Scotland** Francis Trevelyan Buckland,Sir Spencer Walpole,Archibald Young,1878 **Going Home** Stacy Finz,2015-06-09 The small mountain town of Nugget California has a strange way of giving people unexpected reasons to start over and find the most irresistible chances to fall in love Maddy Breyer needs to prove she can make her own life after betrayal blew up her previous happily ever after Staying totally focused on renovating a decrepit mansion into a bed and breakfast might help her and this recession hit town finally turn things around But the mysterious new sheriff is the kind of lawbreaking temptation that s an even bigger challenge to resist Detective Rhys Shepard is only back in Nugget long enough to care for his ailing father He s got a big city promotion far away from this place that never accepted him He does not need a sudden crime wave to solve Or one leggy case of heartbreak stirring up all kinds of trouble and challenging his rules Which might explain why he s suddenly finding it hard to leave Praise For Stacy Finz Finz is a unique new voice Nugget California is a charming small town filled with inventive characters and sweet romance Jill Shalvis New York Times bestselling author of the Lucky Harbor Series Tender and touching Stacy Finz writes romance with heart Marina Adair 1 National bestselling author of Summer in Napa 98 000 Words **Demon in You** Jenna Wilder,2013-08-23 Jane Williams was never a normal teenage girl From the moment she was born she was given this task She had this mission and journey that she had to set out on from the moment she came onto this earth Though growing up in a foster home she didn t know much about yourself When Jane was left on the steps as a infant

she believed that no one wanted her or loved her That there was nothing special about her But all that changes as she grows up And the more she grows the more she see s The more the nightmare s and dreams come to her at night and show her the dangers she will come across Not to mention the overwhelming amount of responsibility that she will have to bare on shoulders She never thought her teenage life could become anymore troubling then it is now But with one bad dream You would have never thought it would lead to so much questions and surprises An Uncle that is barely your uncle comes into your life Sprouting out nonsense of destiny and a fight with heaven and hell over her And it was one thing to have men fight over her But never once did she think that two of the most powerful things in the world would be fighting to have her But either one can literally kill her Not something that you wish to hear during your days as a sixteen year old And things only begin to grow from bad to worst for her It seems to be one gigantic roller coaster ride for her And if you are willing to take that ride then you will see all the rough turns it will take her
