**How We Won the Ryder Cup** Norman Dabell,2011-07-15 The Ryder Cup battle between Europe and the USA is one of the biggest events in the golfing calendar and in 2006 the former underdogs showed they are now the dominant force in the biennial matches It was another marvellous example of teamwork and the caddies have played no small part in Europe overcoming the odds The players hit the shots their trusty caddies share the hopes the glory and occasionally the misery What was it like being beside Sam Torrance when he holed the winning putt and shed his tears on that historic moment at The Belfry in 1985 Fast forward to 2006 and a highly emotional appearance by Darren Clarke What was it like being by his side What was the story behind Colin Montgomerie s right hand man returning to his bag to help lay to rest the ghost of 1999 How do you cope when Seve Ballesteros is in full cry against the old enemy especially when you are an American yourself In 1991 a spike mark cost Europe the tournament but what really happened behind the ropes Who knew his man had had a vision he would beat Tiger Woods in 1997 and saw it come true What was it like witnessing those awful scenes at Brookline up close and personal in 1999 Who knew exactly which line to take when Paul McGinley sank his memorable winning putt in 2002 How We Won the Ryder Cup covers all the drama that has unfolded in the competition over the years and includes the action from the 2006 tournament at The K Club County Kildare in Ireland which saw Europe storm to a third successive victory **11th**
