**A Guide to Sanchi** Sir John Marshall, 1918      Guide To Sanchi Sir John Marshall, 1990      A guide to Sanchi John Marshall, 1918      A Guide to Sanchi Sir John Marshall, 1918      **A Guide to Sanchi** John Hubert Marshall, 1918      The Librarians' Guide Reginald Gordon Williams, Mark Meredith, 1929      **Guide to Buddhist Religion** Frank Reynolds, John Holt, John Strong, 1981      **The Maha-Bodhi**, 1923      **Guide to Buddhist Sites in the Indian Subcontinent** Joy Bose, Siva Prasad Bose, 2023-07-14

The Indian subcontinent is the birthplace of Buddhism Here is where the Buddha was born where he lived and died Here is where the first Buddhist councils were established where the first monks practiced meditation where the first stupas were built where the great monasteries like Nalanda were established where scholars from elsewhere in the Buddhist world came to learn Buddhism and so on The earliest historical sites related to Buddhism were here too In this book we provide an overview of historical sites related to Buddhism in the Indian subcontinent including India Sri Lanka Pakistan Bangladesh Bhutan and Nepal Here too we only mention some of the most important sites for listing out all sites related to Buddhism is virtually impossible on account of their great number We have also covered holy sites belonging to all the important sects of Buddhism including Theravada and Mahayana and Vajrayana or Tibetan Buddhism Our preference is to focus on historically important and more famous sites For the purposes of this book we leave out other important Asian Buddhist countries such as Myanmar Thailand Vietnam Cambodia China and Japan for now We will consider covering those sites in a separate book at a later time For the purpose of covering the sites we group them based on proximity The author has personally visited most of the sites mentioned in this book in India Sri Lanka and Nepal The aim of this book is to provide the prospective traveler and pilgrim an overview of the sites so that they too can visit and see for themselves
