Guide To Western Civilization Or My Story:

A Guide to Western Civilization, Or, My Story Joe Bob Briggs, 1988 The author of Joe Bob Goes to the Drive In brings his distinctly western irreverent humor to a 100 per cent fact free autobiography covering his poor childhood vision of a drive in Jesus and his philosophy of life and sin

The Complete History of American Film Criticism Jerry Roberts, 2010-02-01 The Complete History of American Film Criticism is a chronicle of the lives and work of the most influential film critics of the past 100 years From the first movie review in the New York Times in 1896 through the Silent Era the pre and postwar years the Film Generation of the 1960s the Golden Age of the 1970s and into the 21st century critics have educated generations of discriminating moviegoers on the differences between good films and bad They call attention to great directors cinematographers production designers screenwriters and actors and shed light on their artistic visions and storytelling sensibilities People interested in what the great film critics had to say have usually been shortchanged as to their backgrounds and just why they are qualified to sit in judgment Using mini biographies placed within a chronological framework The Complete History of American Film Criticism is the biography of a profession whose cultural impact has left an indelible mark on the 20th century s most significant art form

The City That Killed the President Tim Cloward, 2023-09-05 A creative cultural history of Dallas through the lens of its defining twentieth century event JFK s assassination The assassination of John F Kennedy on November 22 1963 shocked America Instantly Dallas was blamed for the killing labeled the City of Hate In the half century since the president s murder this city s artists and writers have produced important if often overlooked work that speaks to the difficult burden of our civic shaming Here are the works of poetry theater journalism art the actions of our citizens and political leaders all the fragments of our cultural life that address this tortured local history The City That Killed the President is a fitful discourse offering a window into Dallas itself a city reluctant to grapple with its past

Cineaste on Film Criticism, Programming, and Preservation in the New Millennium Cynthia Lucia, Rahul Hamid, 2017-11-01 Digital technology and the Internet have revolutionized film criticism programming and preservation in deeply paradoxical ways The Internet allows almost everyone to participate in critical discourse but many print publications and salaried positions for professional film critics have been eliminated Digital technologies have broadened access to filmmaking capabilities as well as making thousands of older films available on DVD and electronically At the same time however fewer older films can be viewed in their original celluloid format and newer digitally produced films that have no material prototype are threatened by ever changing servers that render them obsolete and inaccessible Cineaste one of the oldest and most influential publications focusing on film has investigated these trends through a series of symposia with the top film critics programmers and preservationists in the United States and beyond This volume compiles several of these symposia Film Criticism in America Today 2000 International Film Criticism Today 2005 Film Criticism in the Age of the Internet 2008 Film Criticism The Next Generation 2013 The Art of Repertory Film Exhibition

and Digital Age Challenges 2010 and Film Preservation in the Digital Age 2011 It also includes interviews with the late celebrated New Yorker film critic Pauline Kael and the critic John Bloom Joe Bob Briggs as well as interviews with the programmers curators Peter von Bagh and Mark Cousins and with the film preservationist George Feltenstein This authoritative collection of primary source documents will be essential reading for scholars students and film enthusiasts
