Shakespeare and the 'Live' Theatre Broadcast Experience ,2018-07-26 This ground breaking collection of essays is the first to examine the phenomenon of how in the twenty first century Shakespeare has been experienced as a live or as live theatre broadcast by audiences around the world Shakespeare and the Live Theatre Broadcast Experience explores the precursors of this phenomenon and its role in Shakespeare's continuing globalization It considers some of the most important companies that have produced such broadcasts since 2009 including NT Live Globe on Screen RSC Live from Stratford upon Avon Stratford Festival HD Kenneth Branagh Theatre Company Live and Cheek by Jowl and examines the impact these broadcasts have had on branding ideology style and access to Shakespeare for international audiences Contributors from around the world reflect on how broadcasts impact on actors performances changing viewing practices local and international Shakespearean fan cultures and the use of social media by audience members for whom liveness is increasingly tied up in the experience economy The book tackles vexing questions regarding the presentness and liveness of performance in the 21st century the reception of Shakespeare in a globally connected environment the challenges of sustaining an audience for stage Shakespeare and the ideological implications of consuming theatre on screen It will be crucial reading for scholars of the live theatre broadcast and enormously helpful for scholars of Shakespeare on screen and in performance more broadly *Wrestling with the Angel* Kent Koppelman,Dale Lund,2017-07-05 *Wrestling with the Angel* addresses the human struggle to cope with death dying grief and bereavement The book includes essays a one act play a short story and poetry including shape poems rhyming structured verse and free verse In the one act play an angel of death comes for a man who has lived an unexamined life and wants to explain why he is not prepared to leave The short story offers a humorous look at a man who resists aging by continuing to view himself as the young man he once was The diverse genres allow for different ways of exploring these issues but all are intended to engage the reader's emotions as well as intellect The writings incorporate reflections and quotations addressing common human issues related to our mortality and explore reactions to the loss of a loved one whether expected such as the death of an aging parent or someone with a terminal illness or unexpected such as accidental death The final chapters examine how aging causes us to assess our lives and why preparing ourselves for death can enhance the quality of our life This is a book with many more questions than answers but the reader is invited to share in the process of finding answers It is a book that requires the reader to be comfortable with ambiguity because the reality it describes is often ambiguous a reality that presents us with many choices but few certainties Intended Audience Scholars hospice workers funeral home directors hospital chaplains ministers and others who work with bereavement issues classes in death education and classes for mental health professionals in death and grief general readers who have suffered

the loss of a loved one **Past Imperfect** Mark C. Carnes, 1996-11-15 Essays that consider how classic movies have reflected history include the writings of such noted historians as Paul Fussell Antonia Fraser and Gore Vidal Eros and the Good James S. Gouinlock, 2004-04 Gouinlock has succeeded in naturalizing the moral life more reliably and coherently than the generation of Dewey Santayana and their heirs may well prove to be a landmark for the philosophical understanding of the moral conception of life in our times John P. Anton University of South Florida No one has done as much as Gouinlock has to tell us how our lives can be made worth living Peter H. Hare State University of New York at Buffalo Must reading for those interested in understanding our current problems John Lachs Vanderbilt University Plato defined eros as the yearning for things beautiful and good It is on this original sense that philosopher James Gouinlock bases this insightful study of ethics and wisdom Gouinlock argues that the only fruitful way to evaluate the norms of social life is to understand them as natural forces not as arbitrary matters of convention or derivatives of some abstract theory The good life and the meanings of life consist in the recognition and pursuit of values that are already resident in natural experience Successful pursuit of them requires teaching the accumulation of wisdom and the cultivation of virtue Above all is eros the motivating force that drives us to search for life's most precious goods In so doing we acquire a wisdom according to nature Inspired by Greek philosophy Gouinlock's approach avoids the pitfalls of moral systems that evolve out of abstract theorizing and tend to ignore well established practice and conviction Gouinlock makes the important point that social practices like natural forces though subject to change in varying degrees are rarely amenable to radical overhaul The real values of common life occur in a difficult demanding and often perilous environment This is not a context in which anything goes for it possesses inherent constraints as well as opportunities As Gouinlock shows in detail there is much wisdom to be gained from understanding the distinctive functions of nature in the conduct of life Written with clarity and eloquence this original and fully developed philosophy of life makes fundamental philosophical arguments accessible to educated lay readers as well as to professional philosophers James S. Gouinlock Atlanta, GA is professor emeritus of philosophy at Emory University and the author or editor of six books including *Rediscovering the Moral Life* *Philosophy and Human Practice* and *The Moral Writings of John Dewey*
