McElmeel, 2004-06-30 Who are today's must know children's authors and

illustrators McElmeel's ready reference introduces you to some of the hottest new names in children's literature and reacquaints you with established authors and illustrators who are just now becoming recognized for their contributions to the field. You'll find engaging biographical sketches, photos, selected bibliographies, and lists of resources for 45 authors and illustrators including Laurie Halse Anderson, Haemi Balgassi, Toni Buzzeo, David Diaz, Kate DiCamillo, Linda Sue Park, Chris Soentpiet, Anastasia Suen, Simms Taback, and many more. This all-new new volume is a current and affordable update to the Popular Authors Series. Students will enjoy using it as a resource for reports and research papers, and librarians will find it a handy reference and collection development tool. A great addition to the elementary school library and to the children's room at the public library. Grades K-6. *A to Zoo* Rebecca L. Thomas, 2018-06-21 Whether used for thematic story times program and curriculum planning, readers advisory, or collection development, this updated edition of the well-known companion makes finding the right picture books for your library a breeze. Generations of savvy librarians and educators have relied on this detailed subject guide to children's picture books for all aspects of children's services, and this new edition does not disappoint. Covering more than 18,000 books published through 2017, it empowers users to identify current and classic titles on topics ranging from apples to zebras. Organized simply with a subject guide that categorizes subjects by theme and topic and subject headings arranged alphabetically, this reference applies more than 1,200 intuitive, as opposed to formal catalog subject terms to children's picture books, making it both a comprehensive and user-friendly resource that is accessible to parents and teachers as well as librarians. It can be used to identify titles to fill in gaps in library collections, to find books on particular topics for young readers, to help teachers locate titles to support lessons or to design thematic programs and story times. Title and illustrator indexes, in addition to a bibliographic guide arranged alphabetically by author name, further extend access to titles. *Catching Readers Before They Fall* Pat Johnson, Katie Keier, 2023-10-10 Every teacher of reading plays a vital role in helping to catch those readers for whom learning to read does not come easily. Through examples from both adults and children, the authors explain and describe the complex integrated network of strategies that go on in the minds of proficient readers—strategies that struggling readers have to learn in order to construct their own reading processes. This book is essential reading for all who work with struggling readers in any context and contains a wealth of resources, including a thorough explanation of all the sources of information readers use to solve words, examples and scenarios of teacher-student interactions, prompts to use with struggling readers, lessons on modeling, and assessment guidelines. **Kit and Kaboodle Ride a Roller Coaster** Michelle Portice, 2021-06-08 Stories, Puzzles, Reading Success Highlights.
