Gilman,1997-01-01 This work provides a history of Jewish writing and thought in the German speaking world Written by 118 scholars in the field the book is arranged chronologically moving from the 11th century to the present Throughout it depicts the contribution that Jewish writers have made to German culture and at the same time explores what it means to the other within that mainstream culture      *Text + Kritik* ,1995      *The Freest Country in the World* Stephen Brockmann,2023 Shows that while the GDR is generally seen as and mostly was an oppressive and unfree country from late 1989 until autumn 1990 it was the freest country in the world the dictatorship had disappeared while the welfare system remained Stephen Brockmann's new book explores the year 1989/1990 in East Germany arguing that while the GDR is generally seen as and was for most

of its forty years an oppressive and unfree country from autumn 1989 until the autumn of 1990 it was the freest country in the world since the dictatorship had disappeared while the welfare system remained That such freedom existed in the last months of the GDR and was a result of the actions of East Germans themselves has been obscured Brockmann shows by the now standard description of the collapse of the GDR and the reunification of Germany as a triumph of Western democracy and capitalism Brockmann first addresses the culture of 1989 1990 by looking at various media from that final year particularly film documentaries He emphasizes punk culture and the growth of neo Nazism and the Antifa movement factors often ignored in accounts of the period He then analyzes three later semiautobiographical novels about the period He devotes chapters to dramatic films dealing with German reunification made relatively soon after the event and to more recent film and television depictions of the period respectively The final chapter looks at monuments and memorials of the 1989 1990 period and a conclusion considers the implications of the book s findings for the present day      **Narrative and**
