up to date guide **Reincarnation in the Bible?** Dan Carlton,2013-10-24 In my early twenties I read a book that started me in a completely different direction Up to that time I had been taught to be agnostic and believed the Bible to be the result of ignorant men trying to explain what they did not understand with superstition fables exaggerated history etc The book is *There is a River* by Thomas Sugrue A few years ago I started writing down my conclusions in order to clarify to myself just what I did believe I could not accept the idea that I could be right when everyone I talked to disagreed with me And yet my conclusions do seem to me to agree with Scripture including my belief in reincarnation which I believe is not only a fact revealed in the Bible but is a necessary part of Gods plan of salvation A motivating factor in my desire to share my understanding of truth is my belief that all of the problems in the world can be traced to erroneous beliefs If everyone correctly understood and applied truth I believe our problems would vanish God says we become what we think Pr 23 7 My belief that the Bible teaches that reincarnation is a fact hasnt endeared me to those who not only reject such an idea but also sincerely believe such a belief comes from the pit of hell and smells of smoke After reading *Reincarnation in the Bible* perhaps you can show me where I am in error if you disagree with me Or who knows perhaps you will agree with me At any rate I hope you find my book interesting and enjoyable if not enlightening *Popular Astronomy* ,1911 **The Complete Works of E.
