### **In An Iron Time Statements And Reiterations:**

**In an Iron Time** Ronald Verlin Cassill, 1969 In this volume R V Cassill has put together a collection of his own essays which he refers to as a personal critical appraisal of the crisis of our time as it is reflected primarily in literature As a writer and critic he is concerned about the prevailing American view of art that equates excellence and quality with price and best sellerdom His primary concern is literature the idolatry of great books that confuses literature as art with literature as print but he also expresses anxiety about other forms of art the parochial art museum that hopes its existence will cause culture to sift down from the top and the foundation and government subsidy of the arts that cause all art forms to reduce themselves to an audience performer relationship Cassill digs deep into his own experiences in an attempt to pin down and search out answers to the crisis in the arts His essays will provoke thought and discussion among all those who are concerned about the present and future of the creative arts in America and will be of special interest to students of creative writing and of literature in general

**Dictionary of Midwestern Literature, Volume 1** Philip A. Greasley, 2001-05-30 The Dictionary of Midwestern Literature Volume One surveys the lives and writings of nearly 400 Midwestern authors and identifies some of the most important criticism of their writings The Dictionary is based on the belief that the literature of any region simultaneously captures the experience and influences the worldview of its people reflecting as well as shaping the evolving sense of individual and collective identity meaning and values Volume One presents individual lives and literary orientations and offers a broad survey of the Midwestern experience as expressed by its many diverse peoples over time Philip A Greasley's introduction fills in background information and describes the philosophy focus methodology content and layout of entries as well as criteria for their inclusion An extended lead essay The Origins and Development of the Literature of the Midwest by David D Anderson provides a historical cultural and literary context in which the lives and writings of individual authors can be considered This volume is the first of an ambitious three volume series sponsored by the Society for the Study of Midwestern Literature and created by its members Volume Two will provide similar coverage of non author entries such as sites centers movements influences themes and genres Volume Three will be a literary history of the Midwest One goal of the series is to build understanding of the nature importance and influence of Midwestern writers and literature Another is to provide information on writers from the early years of the Midwestern experience as well as those now emerging who are typically absent from existing reference works

A Delicate Aggression David O. Dowling, 2019-03-26 A vibrant history of the renowned and often controversial Iowa Writers Workshop and its celebrated alumni and faculty As the world's preeminent creative writing program the Iowa Writers Workshop has produced an astonishing number of distinguished writers and poets since its establishment in 1936 Its alumni and faculty include twenty eight Pulitzer Prize winners six U S poet laureates and numerous National Book Award winners This volume follows the program from its rise to prominence in the early 1940s under director Paul Engle who promoted the workshop method of classroom peer criticism Meant to simulate
