Young Ireland ,1882 Body Politics in Contemporary Irish Women's Fiction Ellen Scheible,2024-12-12 Exploring twentieth and twenty first century texts that wrestle with the Irish domestic interior as a sexualized and commodified space this book provides readings of the power and authority of the feminized body in Ireland Scheible dissects the ways that the woman as symbol remains consistent in Irish literary representations of national experience in Irish fiction and shows how this problematizes the role of women in Ireland by underscoring the oppression of sexuality and gender that characterized Irish culture during the twentieth century Examining works by Elizabeth Bowen Pamela Hinkson Emma Donoghue Tana French Sally Rooney and James Joyce this book demonstrates that the definition of Irish nationhood in our contemporary experience of capitalism and biopolitics is dependent on the intertwining and paradoxical tropes of a traditional yet equally sexual feminine identity which has been quelled by violence and reproduction The Irish Reports ,1873 **The Irish Monthly** ,1887 Imperial Violence and the Path to Independence Shereen Ilahi,2016-06-03 In the aftermath of World War I the British Empire was hit by two different crises on opposite sides of the world the Jallianwala Bagh or Amritsar Massacre in the Punjab and the Croke Park Massacre the first Bloody Sunday in Ireland This book provides a study at the cutting edge of British imperial historiography concentrating on British imperial violence and the concept of collective punishment This was the crisis of empire following the political and ideological watershed of World War I The British Empire had reached its greatest geographical extent appeared powerful liberal humane and broadly sympathetic to gradual progress to responsible self government Yet the empire was faced with existential threats to its survival with demands for decolonisation especially in India and Ireland growing anti imperialism at home virtual bankruptcy and domestic social and economic unrest Providing an original and closely researched analysis of imperial violence in the aftermath of World War I this book will be essential reading for historians of empire South Asia and Ireland *Official Register of the United States* ,1889 *Burke's Genealogical and Heraldic History of the Landed Gentry of Ireland* ,1904 A Genealogical and Heraldic Dictionary of the Peerage and Baronetage, the Privy Council, Knightage and Companionage Bernard Burke,1905 **A Genealogical and Heraldic History of the Landed Gentry of Ireland** Bernard Burke,1912 Documents of the Assembly of the State of New York New York (State).
