Henty,2022-09-05 There are few campaigns that either in point of the immense scale upon which it was undertaken the completeness of its failure or the

enormous loss of life entailed appeal to the imagination in so great a degree as that of Napoleon against Russia Fortunately we have in the narratives of Sir Robert Wilson British commissioner with the Russian army and of Count Segur who was upon Napoleon's staff minute descriptions of the events as seen by eye witnesses and besides these the campaign has been treated fully by various military writers I have as usual avoided going into details of horrors and of acts of cruelty and ferocity on both sides surpassing anything in modern warfare and have given a mere outline of the operations with a full account of the stern fight at Smolensk and the terrible struggle at Borodino
