## Jumping Up And Down:

Jump Up - The Rise of the Rolling Stones Nigel Goodall, 2013-09-16 Jump Up The Rise of the Rolling Stones was originally a coffee table illustrated softback that traced the band's first ten years from 1963 onwards. Now available in digital format for the first time since it was published in 1995, the book taken from author Nigel Goodall's original unedited manuscript assembles an amazing picture of the first decade of the Greatest Rock n Roll Band In the World and includes details of previously unheard interviews with the Stones and with all those that knew and worked with them during the period the book covers. Hailed as one of the first biographies to portray a vivid and dramatic telling of the early life and career of the band, the book covers everything from Jagger and Richards meeting on Dartford Railway Station to the early days of playing West London blues clubs, the package tours, the drug busts, the women, the death of Brian Jones, the beginning of the sticky 70s and the major stadium gigs.

Jump Up! Ray Allen, 2019 Jump Up Caribbean Carnival Music in New York City is the first comprehensive history of Trinidadian calypso and steelband music in the diaspora. Carnival transplanted from Trinidad to Harlem in the 1930s and to Brooklyn in the late 1960s provides the cultural context for the study. Blending oral history, archival research and ethnography, Jump Up examines how members of New York's diverse Anglophile Caribbean communities forged transnational identities through the self-conscious embrace and transformation of select Carnival music styles and performances. The work fills a significant void in our understanding of how Caribbean Carnival music specifically calypso, soca, soul calypso and steelband evolved in the second half of the twentieth century as it flowed between its Island homeland and its burgeoning New York migrant community. Jump Up addresses the issues of music migration and identity head-on, exploring the complex cycling of musical practices and the back and forth movement of singers, musicians, arrangers, producers and cultural entrepreneurs between New York's diasporic communities and the Caribbean.
