

Set out in the Atlantic around 12km north of Islay and a similar distance west of Jura, Colonsay is usually reached via a lengthy ferry journey, frequently disrupted by rough seas in winter. This gives it a remote feel, a real world apart. Its population has grown steadily to around 130 in recent decades as tourism has helped maintain the local economy; several local businesses have been established, including a brewery, a bookshop, publishers and a café.

The island packs a huge variety of natural attractions into a small space, from the justly famed beach at Kiloran to the rugged moors of the interior, from the rocky summit of Carnan Eoin to the perfect sands of Traigh Ban and the rhododendron gardens of Colonsay House. Off the southern coast is Oronsay, site of an ancient priory. Linked to Colonsay by a vast tidal strand, reaching it is a real adventure requiring advance planning with the tide times.
