Just For The Asking:

Just Asking Stuart McAlpine, 2018-08-28 We need to state the obvious prayer is about asking If we deny dilute or diminish that the bones of our prayer lives will suffer from spiritual osteoporosis Prayerlessness is a failure to ask and keep on asking Isn't it obvious what asking is about Perhaps but that is precisely why it is taken for granted and not even mentioned in most books about prayer and if it is it is treated as if it were a lesser and lower form of prayer equated with the immature requests of a child Nothing could be further from the biblical truth Asking is not simple prayer Prayer is simply asking The assumption is that asking will be transcended by more mature forms so prayer is presented in an ever increasing number of levels which seem to make the climb to the throne ever more arduous and unattainable Just Asking is just about asking The majority of books about prayer discuss any number of kinds of prayers in general Asking is all that this book talks about specifically It invites you into a comprehensive biblical study of asking and then encourages you to just do it After all it was Jesus who said Ask and you will receive and then repeated the invitation no less than six times in his last conversation with his disciples Aren't last words important Why can we ask with confidence What makes for effective asking Read this book and let's just ask together

Just Ask! Graham Eisner, 2022-01-10 A trusted referral is the holy grail of advertising Mark Zuckerberg The fastest easiest most sustainable way to bring in new clients and grow sales is to ask for referrals from your network clients intermediaries family friends and existing and former colleagues And yet most sales professionals don't ask or if they do they end up making themselves and their client feel awkward Graham Eisner has spent 30 years understanding the mindset and methods behind asking for referrals His 7 step plan helps salespeople understand their own reluctance change their mindset and apply practical techniques so they can ask in a way that's both natural and effective From preparation before the meeting and identifying the bridge line to qualifying the referral and managing the response each step is supported by worksheets and summaries to help you put the principles into action today so that you can start growing your sales and your business immediately Graham became one of Goldman Sachs's most successful sales professionals by developing a powerful referrals methodology and he now teaches his system to clients worldwide including Barclays Julius Baer and Deutsche Bank as well as smaller businesses Foreword by Brett Lankester Former Chief Executive Officer London Union Bancaire Privée

Just Ask J. D. Greear, 2021-08-01 Making prayer a delight not a duty Prayer can be a struggle Sometimes we don't think it will make a difference or we rely on ourselves or we're just too busy And even if we do pray regularly it can feel more like a duty than a delight J D Greear shows us how prayer was a non negotiable daily staple in Jesus' life more essential to him than eating or sleeping and therefore why we need to pray as well He shows us how we can enjoy the same source of power as our Lord and the early church when we learn to just ask and depend on our heavenly Father as they did Giving specific practical tips for getting on with prayer in everyday life this book leaves readers wanting to pray rather than just feeling that they ought to In his introduction Pastor J D says Prayer is not a religious task to accomplish

it's an invitation to lay your burdens down at Jesus' feet to share your heart with him and to be with the one in whose presence is the fullness of joy and at whose right hand are pleasures forevermore Psalm 16 v 11

Just Ask the Children Dot Schuler, 2012-09-01 Just Ask the Children describes the journey of changing from traditional instruction to incorporating the Project Approach in a second grade classroom. It contains many practical specific examples of how to use The Project Approach to complement systematic instruction and curricular assignments. Using the Project Approach to complement the required curriculum created a positive and productive learning environment for everyone. From the Foreword by Lilian G Katz PhD Ms Schuler's work makes a very strong case for the way good project work can have positive effects on tests of basic skills. From the Preface by Dot Schuler My book will hopefully diminish uncertainties and concerns from teachers who are hesitant or doubtful about using the Project Approach in their classrooms solely because of their apprehension of assuring that their students are prepared for mandated tests

Just Ask a Woman Mary Lou Quinlan, 2003-05-26 An enlightening blueprint of the secrets of reaching female consumers from the expert Just Ask a Woman is a powerful book about how to tap into female consumers' needs. Mary Quinlan, the founder of the premiere consultancy dedicated to marketing to women, has personally interviewed 3,000 women in the course of her research for Just Ask a Woman. Women are the decision makers in an estimated eighty-five percent of household buying decisions, and yet far too often products marketed specifically to them fail to connect with their needs. Here Quinlan explores topics such as how women judge brands and advertising, how they make decisions, the effects of stress on their consumer behavior, and their increasing demands for service and communication. Quinlan rejects the traditional focus group approach in favor of highly energized and intimate talk sessions where women reveal their deeper feelings about products and services. In Just Ask a Woman, marketers, brand managers, and advertisers will find a revelatory resource filled with ideas and action steps for building your brand with women from a woman who has walked in a marketer's shoes. Mary Lou Quinlan, New York, NY, is the founder and CEO of Just Ask a Woman, a marketing consultancy dedicated to building business with women. Just Ask a Woman is a division of bcom3, a 15 billion global communications firm whose clients include Citigroup, Women Co, Lifetime, Saks, Hearst Magazines, Toys R Us, and Time Inc. Known as a brand turnaround expert, she has helped to remake brands like Avon and Continental Airlines. Quinlan has been quoted in The New York Times, The Wall Street Journal, Fortune, Fast Company, and Advertising Age and appeared on ABC, CNN, CNBC, Lifetime, LIVE Fox, and nationally syndicated news shows. Her articles have been published in Marie Claire, Good Housekeeping, Redbook, and more among others
