**Just Passing Through** Milton Gendel, 2022-11-08 One of Vanity Fair's Best Books of 2022 Milton Gendel had the good fortune to live a wildly entertaining life in Rome a charmed romantic period he captured in diaries and photos Milton had the further good fortune to have Cullen Murphy bring this vanished dolce vita to life Graydon Carter coeditor of Air Mail A never before seen treasure trove of photos and diary entries from the celebrated photographer Milton Gendel that bring Rome's midcentury heyday to life I'm just passing through Milton Gendel liked to say whenever anybody asked him what he was doing in Rome Even after seven decades in the Eternal City from his arrival as a Fulbright Scholar in 1949 until his death in 2018 at the age of ninety nine he refused to be pigeonholed He was always an American never an expat never a migr but he couldn't leave so deep were his ties and this dual bond left an indelible imprint on his life and art Born in New York City to Russian immigrants Gendel first made his way to Meyer

Schapiro's classroom at Columbia University and then to Greenwich Village where he and his friend Robert Motherwell joined the circle of surrealists around Peggy Guggenheim and Andr Breton But it was Rome that earned his enduring fascination the city supplied him with endless outlets for his curiosity a series of dazzling apartments in palazzi the great loves of his life and the scores of friendships that made his story inextricably part of the city's own Gendel did much more than just pass through instead becoming one of Rome's foremost documentarians He spoke Italian fluently worked for the industrialist Adriano Olivetti and sampled the latest currents of Italian art as a correspondent for ARTnews And he was an artist in his own right capturing the lives of Sicilian peasants and British royals alike on film and showing his photographs at the Roman outpost of the Marlborough Gallery Then there were his diaries a casement window thrown open onto a who's who of artists writers and socialites sojourning in the city that remained for Gendel the Caput Mundi Mark Rothko Princess Margaret Alexander Calder Ana's Nin Gore Vidal Martha Gellhorn Muriel Spark His longtime home on the Isola Tiberina was the nerve center of the dolce vita generation whose comings and goings and doings he immortalized in both words and images Here for the first time in print are Gendel's diaries together with his photographs selected and edited by Cullen Murphy *Just Passing Through* brings together the most striking artifacts of one of the past century's richest and most expansive lives salted with wit and insight into the figures who defined an era Includes black and white photographs *Just Passing Through* Margaret Guenther,2007 Fans of Margaret Guenther will welcome this salty and wise collection of reflections on her life Readers of *Holy Listening On Holy Ground My Soul in Silence Waits At Home in the World and The Practice of Prayer* will delight in this book of fresh humorous insights *Just Passing Through* J. Vannevel,2024-10-16 In middle age and on the cusp of big changes Miriam is looking back over her life She was a young woman when she was first smitten by Jacob a charming travelling stranger They ran away together to start a new adventure But that life never turned out as expected Jacob wasn't as charming as he first appeared and when he abandoned his family Miriam was left to raise their daughter alone and wonder whether he would one day return to them Will she ever find a way through the pain and rejection to find the peace she yearns for **Space Trippers Book 2: Just Passing Through** A. Lightbourne,2010-01-19 The story continues After the disaster in the hydroponics lab the ship needs more food supplies But the trade aliens seem a little too interested in Valesque for Tim and Sanic's comfort With the addition of a new sifting alien girl they set out to rescue her and discover major secrets along the way *Just Passing Through* Helen Jean McCullough,2016-09 IS IT TIME FOR A WAKE UP CALL *Just Passing Through* is a book designed to help us think about the ups and downs of our lives and where God stands in our lives at various times It draws attention to the impact we may have on each other's lives whether positive or negative as we journey through this world God gave us two phases of life 1 our temporary life here on earth in preparation for 2 our eternal life in the destination of our own choosing Where are our earthly preparations leading us Our lifetime here on earth is just a drop in the bucket compared to eternity yet some go on nonchalantly living for now with little thought for

the eternal afterlife Why do we put so much emphasis on our short span of life in the here and now and so little emphasis on the eternity of life in the hereafter This is a problem we tend to struggle with throughout our lives Sometimes God is at the forefront and at other times He is put on the back burner not really forgotten but just put aside for the time being In other cases He almost seems non-existent Just Passing Through is written for people of all ages who are struggling with their faith or just in need of a little encouragement to stay on track It is aimed at helping us to think about where we are in life what is truly important to us where we are heading and how our decisions can affect future generations If this concerns us then perhaps we should take a look inside We can make a difference

Just Passing Thru Lorna Idol, Ph.D., 2019-05-22 There is romantic erotic love There is game playing uncommitted love There is obsessive possessive love and there is friendship based love There is pragmatic practical love and there is gentle caring unconditional love Where does self-love fit in Just Passing Thru is a tale of a self-absorbed and wealthy ladies man and an emotionally immature but brilliant and successful corporate consultant who crash into one another in a passionate attraction that intertwines them yet confuses them Belinda and Anton are caught in negative and positive powerful pulls that thrust them onto the same path and then forcibly pull them apart again and again as they just pass through different types of love that could lead them down the path to self-actualization or down the path to self-destruction Just Passing Thru is an account of the romance confusion and inevitable growth that can result when alcoholism and co-dependency get mixed up with self-empowerment and intelligence as the driving and conflicting forces Who has the most to lose Who has the most to gain The church girl or the party boy Belinda wants to gain true love Will she find it with Anton A good partner will ride with you until hell freezes over and even a little while on the ice But when will enough be more than enough

**Just Passing Through** Jack Eugene Fernandez, 2012-12-06 Just Passing Through explores the many ways people face life's troubles Though scientific ideas have forced their way into some of these stories the focus is on the characters' lives A loving mother dictates her son's life as a despot a priest discovers he has sinned two recent widowers find their mutual attraction disturbing a watchmaker learns the exact date of his death a man sees the world collapsing and cannot decide if he is hallucinating or losing his mind perhaps he can reverse the collapse beings from a distant planet plan to settle on earth Several stories are non-fictional personal memoirs

*Not Just Passing Through* Jamie Dean, 2016-04-27 Socially awkward closeted virgin Avery Malcolm passes his days and nights running his bigoted aunt's motel in rural New Mexico He dreams of getting away and hitting the road but with one friend a few acquaintances and no real life to speak of outside his duties as front desk clerk he doesn't know if he'll ever get a chance Fate sends hot drifter Chase Lancaster to the Red Ram Motel riding in on his sexy black motorcycle Within twenty-four hours Avery's life is turned upside down Before long even though Chase's sexual interests seem to run exclusively toward women in bars Avery finds himself falling for the beautiful biker with no permanent address Chase is much more than his bad boy persona so while it's nice to have another friend Avery doesn't know how he'll survive with his heart intact when Chase inevitably moves on

*Just Passing Through* Timothy A. Boling, 2009-08-19 I believe there comes a time in every man's life when he needs to stop what he's doing and take a good look at the choices he's made and the direction in life those choices take him. Ultimately bad choices will lead you down the wrong path in life nearly every time. Though sometimes no matter how hard you try to make the right choices fate still finds a way to somehow make you regret it. I discovered this as I lay bound by wrists and ankles in the trunk of a cherry red 1963 Corvette convertible somewhere on Route 322 in Pennsylvania. **I Was Just Passing Through**

Cassandra, 2012-05-16 When I decided to write this autobiography a strange feeling overcame me wondering why I should reveal my innermost and carefully protected memories that had lain dormant for so many years and expose them now to the world. However others kept encouraging me to share my saga of growing up during very difficult times in the world as well as personal circumstances of instability in which I often felt like I was walking about in a haze. Jokes about blondes being dumb might have applied at times but do blondes really have more fun? I leave that to you dear reader to decide. This haze finally forced me to use an undeveloped creativity I never knew I had that led to amazing unexpected and unusual events and changed the direction of my life completely. My hope is that upon reading this no matter how difficult and unfair life is or may seem to be such moments can serve as stepping stones that force us to become creative in making a life that becomes more exciting and worthwhile. We have the gift of life and there truly is no time like the present to hope and achieve for something better whether young or elderly. Some of my finest accomplishments took place later in life. However this book would never have been written without the help of others. Memories of loved ones who have passed on who taught and guided me out of a labyrinth of despair at times will forever remain in my heart as my greatest treasures. They are as live to me today in my memory as when they were here. [The Chaos Nexus](#) T.M.

Sil and the other colonists race to make the planet self sufficient. But not all danger comes through the wormhole. Starvation may be the least of their worries. *Life Isn't Just Passing Me By: It's Running Me Over* Michelle Kismoky, 2010 A down in the trenches hilarious send up of everyday events that most people rarely take the time to notice. Richard Menzies, 2005-01-04 Richard Menzies has logged a quarter of a million miles on his vintage Volkswagen bus in pursuit of pictures and unusual stories. His favorite destination is Nevada which encloses more open public land than any other state in the lower forty eight. Nevada's backcountry is sparsely populated yet surprisingly rich in diversity. He writes Her social fabric is a colorful tapestry of cultures and ethnicities fringed by eccentrics who simply defy categorization. Think of the Silver State as a haven for those

irregular souls who could never be content with a nine to five job or a three bedroom split level in suburbia Passing Through is a compilation of the most memorable misfits Menzies has encountered in the course of his peripatetic wanderings across the American Outback **Poems and Prose on Love and Relationships I** Valerie T.
