**The Man Who Ate Too Much: The Life of James Beard** John Birdsall, 2020-10-06 A Finalist for the 2022 James Beard Foundation Cookbook Award Writing The definitive biography of America's best known and least understood food personality and the modern culinary landscape he shaped In the first portrait of James Beard in twenty five years John Birdsall accomplishes what no prior telling of Beard's life and work has done He looks beyond the public image of the Dean of American Cookery to give voice to the gourmet's complex queer life and in the process illuminates the history of American food in the twentieth century At a time when stuffy French restaurants and soulless Continental cuisine prevailed Beard invented something strange and new the notion of an American cuisine Informed by previously overlooked correspondence years of archival research and a close reading of everything Beard wrote this majestic biography traces the emergence of personality in American food while reckoning with the outwardly gregarious Beard's own need for love and connection arguing that Beard turned an unapologetic pursuit of pleasure into a new model for food authors and experts Born in Portland Oregon in 1903 Beard would journey from the pristine Pacific Coast to New York's Greenwich Village by way of gay undergrounds in London and Paris of the 1920s The failed actor turned Manhattan canap' hawker turned author and cooking teacher was the jovial bachelor uncle presiding over America's kitchens for nearly four decades In the 1940s he hosted one of the first television cooking shows and by flouting the rules of publishing would end up crafting some of the most expressive cookbooks of the twentieth century with recipes and stories that laid the groundwork for how we cook and eat today In stirring novelistic detail The Man Who Ate Too Much brings to life a towering figure a man who still represents the best in eating and yet has never been fully understood until now This is biography of the highest order a book about the rise of America's food written

by the celebrated writer who fills in Beard's life with the color and meaning earlier generations were afraid to examine

*Epicurean Delight: Life and Times of James Beard* Evan Jones, 1992-10 Describes the life of the cook who made theater out of cooking in posh circles teaching classes and giving cooking demonstrations **Food on the Page** Megan J.

Elias, 2017-04-20 What is American food From barbecue to Jell-O molds to burrito bowls its history spans a vast patchwork of traditions crazes and quirks A close look at these foods and the recipes behind them unearths a vivid map of American foodways how Americans thought about food how they described it and what foods were in and out of style at different times In *Food on the Page* the first comprehensive history of American cookbooks Megan J. Elias chronicles cookbook publishing from the early 1800s to the present day Following food writing through trends such as the Southern nostalgia that emerged in the late nineteenth century the Francophilia of the 1940s countercultural cooking in the 1970s and today's cult of locally sourced ingredients she reveals that what we read about food influences us just as much as what we taste Examining a wealth of fascinating archival material and rediscovering several all-American culinary delicacies and oddities in the process Elias explores the role words play in the creation of taste on both a personal and a national level From Fannie Farmer to *The Joy of Cooking* to food blogs she argues American cookbook writers have commented on national cuisine while tempting their readers to the table By taking cookbooks seriously as a genre and by tracing their genealogy *Food on the Page* explains where contemporary assumptions about American food came from and where they might lead *The Oxford Encyclopedia*
