James Peter:

The Epistles Book Three: Hebrews, James, Peter, John, and Jude Harold Lerch, 2023-07-15 The epistles in this edition were written by two of Jesus's brothers James and Jude and Peter and John each writing their namesake letters The author of Hebrews is believed to be Paul or Peter Hebrews addresses the Priesthood of Christ who fulfilled the Old Testament laws James the brother of Jesus wrote the Epistle of James to address practical Christian living Peter wrote to the Hebrew Christians that their purpose is encouragement and testimony Peter sets forth the doctrines of grace but foresees the departure from the faith that will culminate during the last days The First Epistle of John was written as from the Father to His little children John treats the sins of a Christian like a child's offense against his Father His second epistle is brief but strong in its message which centers round the truth in its relation to Christian living and that Jesus Christ is Himself the Truth alive His third letter is written to his friends Gaius and Demetrius praising them for sound Christian living John rebuked a third church member Diotrephes who was one of the first examples of domineering ambition in the church The Epistle of Jude was written by Jude another brother of Jesus His message was written against apostasies in the early church so threatening that the Spirit caused Jude to write this letter of warning Jude describes how apostasy leads to sinful living A bonus section is included Revelation Apocalypse in Plain Language

James the Brother of Jesus Robert H. Eisenman, 1998-03-01 A passionate quest for the historical James refigures Christian origins can be enjoyed as a thrilling essay in historical detection The Guardian James was a vegetarian wore only linen clothing bathed daily at dawn in cold water and was a life long Nazirite In this profound and provocative work of scholarly detection eminent biblical scholar Robert Eisenman introduces a startling theory about the identity of James the brother of Jesus who was almost entirely marginalized in the New Testament Drawing on long overlooked early Church texts and the Dead Sea Scrolls Eisenman reveals in this groundbreaking exploration that James not Peter was the real successor to the movement we now call Christianity In an argument with enormous implications Eisenman identifies Paul as deeply compromised by Roman contacts James is presented as not simply the leader of Christianity of his day but the popular Jewish leader of his time whose death triggered the Uprising against Rome a fact that creative rewriting of early Church documents has obscured Eisenman reveals that characters such as Judas Iscariot and the Apostle James did not exist as such In delineating the deliberate falsifications in New Testament documents Eisenman shows how as James was written out anti-Semitism was written in By rescuing James from the oblivion into which he was cast the final conclusion of James the Brother of Jesus is in the words of The Jerusalem Post apocalyptic who and whatever James was so was Jesus

The Lost Religion of Jesus Keith Akers, 2000-11-01 Jesus preaching was first and foremost about simple living pacifism and vegetarianism he never intended to create a new religion separate from Judaism Moreover Jesus radical Jewish ethics

rather than a new theology distinguished him and his followers from other Jews. It was the earliest followers of Jesus, the Jewish Christians, who understood Jesus better than any of the gentile Christian groups, which are the spiritual ancestors of modern Protestant, Catholic, and Orthodox churches. In this detailed and accessible study, Keith Akers uncovers the history of Jewish Christianity from its origins in the Essenes and John the Baptist through Jesus until its disappearance into Islamic mysticism sometime in the seventh or eighth century. Akers argues that only by really understanding this mysterious and much misunderstood strand of early Christianity can we get to the heart of the radical message of Jesus of Nazareth. A System of the Law of Marine Insurances Sir James Allan Park, 1842 Companion to the New Testament James Crossley, Michelle Fletcher, 2024-08-30 The Companion to the New Testament offers intelligent enrichment for encounters with the New Testament. Covering both historical-critical approaches and the history of interpretation, it provides a launchpad for students wrestling with some of the complex debates and concerns presented by the canon. Contributors include James Crossley, Rodolfo Galvan Estrada III, Michelle Fletcher, Michael Scott Robertson, Kelsie Rodenbiker, Sarah E. Rollens, Isaac T. Soon, and Wei Hsien Wan. *Sacra Pagina: James* Patrick J. Hartin, 2023-06-13 In his commentary on the letter of James, Hartin offers a unique approach toward understanding a much-neglected writing. Refusing to read the letter of James through the lens of Paul, Hartin approaches the letter in its own right. He takes seriously the address to the twelve tribes in the Dispersion (1:1) as directed to Jews who had embraced the message of Jesus and were living outside their homeland, Israel. At the same time, Hartin shows how this letter remains true to Jesus' heritage. Using recent studies on rhetorical culture, Hartin illustrates how James takes Jesus' sayings and performs them again in his own way to speak to the hearers/readers of his own world. Hartin examines the text passage by passage while providing essential notes and an extensive explanation of the theological meaning of each passage. The value of this commentary lies in its breadth of scholarship and its empathic approach to this writing. The reader will discover new and refreshing insights into the world of early Christianity as well as a teaching that is of perennial significance. *Interpreting the General Letters* Herbert W. Bateman IV, 2014-11-07 This handbook is designed as a step-by-step approach for analyzing and communicating eight letters of the New Testament: Hebrews, James, the Petrine Letters, the Johannine Letters, and Jude. *Interpreting the General Letters* provides important background material for the interpretation of these books by exploring the types and component parts of letter writing, the importance of an amanuensis, the historical background of the Greco-Roman world, and implications of each of these factors for interpreting the general letters. This foundation is followed by a discussion of the theology of the general letters. Specific consideration is given to the era of promise in Hebrew Scriptures, the era of fulfillment as underscored in the general letters, and how the theology of each letter contributes to the overall canon of Scripture. Finally, Bateman provides nine steps that move from interpretation to communication: three steps for preparing to interpret the letters, three for interpreting, and finally three for communicating the letters. All explanations include examples in order to develop a student's or pastor's skills for
