Linda Schreurs

Intimate Armageddons:

In Armageddon's Shadow Greg Marquis, 2000 The United States had important ties with Canada's Maritime Provinces that were profoundly shaken by the American Civil War Drawing extensively on newspaper reports personal papers and local histories Greg Marquis captures the drama of the times effectively putting the reader into the thick of the action In *Armageddon's Shadow* highlights Maritime support for the beleaguered Confederacy and the grave implications this had on race relations in Canada Marquis details the involvement of maritimers in running blockades and recounts the experiences of some of the thousands of men from Nova Scotia New Brunswick and Prince Edward Island who served in America's bloodiest conflict Book jacket

Everyday Armageddons Matthew Holmes, Thomas R. Gaulke, 2023-11-21 Drawing from two decades as a hospice chaplain nurses aide and emergency medical technician the Rev Matthew J Holmes invites us to peer into the often occulted dimensions of life's endings From bedsores to isolation impacted bowels to the nursing home economy from neglect to deep desperate love modern death's characteristics are navigated here with insight honesty depth and clarity Following the sense of horror and humor evoked in each narrative are theopoetic and theological reflections from the Rev Thomas R Gaulke PhD Tom brings a playfulness to the conversation engaging issues of hope meaningless disenchantment sacramentology grace and religiosity in relation to modern death and postmodern longing Every day worlds end *Armageddon* is not a battle far removed into the future It is taking place right now in the hospital at the nursing home across the street and inside our very bodies The world ends in ways big and small It ends in pain and in love It ends with tears and with relief The ends of worlds are often grotesque final battles the bloodiest This book is an opening into those endings and an invitation into the search for whatever meaning and whatever of God might lie therein *Armageddons* Gardner Dozois, Jack

Dann, 2013-03-15 It's the end of the world but not as we know it As the new millennium approaches speculations about Earth's destruction abound This collection presents twelve world ending scenarios that are all too frightening and all too real

Armageddon's Arrow Dayton Ward, 2015-05-26 An all new novel of The Next Generation expanded universe from the New York Times bestselling author It is a new age of exploration and the USS Enterprise is dispatched to the Odyssean Pass a region charted only by unmanned probes and believed to contain numerous inhabited worlds Approaching a star system with two such planets Captain Jean Luc Picard and his crew find a massive alien vessel drifting in interstellar space for decades Sensors detect life aboard the derelict aliens held in suspended animation Thought to be an immense sleeper ship the vessel actually is a weapon capable of

destroying entire worlds the final gambit in a war that has raged for generations across the nearby system Captain Picard is now caught in the middle of this conflict and attempts to mediate as both sides want this doomsday weapon which was sent from the future with the sole purpose of ending the interplanetary war before it even began **Armageddon** Charles Henry Titterton,1916 **Deterring Armageddon: A Biography of NATO** Peter Apps,2024-02-01 EXCELLENT THE TLS HUGEY IMPRESSIVE THE INDEPENDENT AN ASTONISHINGLY FINE HISTORY COUNTRY LIFE FASCINATING DAILY MAIL The history of the world's most successful military alliance from the wrecked Europe of 1945 to Vladimir Putin's invasion of Ukraine As they signed NATO into being after World War II its founders fervently believed that only if the West's democracies banded permanently together could they avoid a catastrophic global atomic conflict Over the 75 years since the alliance has indeed avoided war with Russia also becoming a major political strategic and diplomatic player well beyond its borders It has survived disagreements between leaders from Eisenhower Churchill and de Gaulle to Trump Stoltenberg and Merkel faced down Kremlin foes from Stalin to Putin and endured unending questions and debate over what new nations might be allowed to join Deterring Armageddon takes the reader from backroom deals that led to NATO's creation through the Cold War the Balkans and Afghanistan to the current confrontation with the Kremlin following the invasion of Ukraine It examines the tightrope walked by alliance leaders between a powerful United States sometimes flirting with isolationism and European nations with their ever evolving wishes for autonomy and influence Having spent much of its life preparing for conflicts that might never come NATO has sometimes found itself in wars that few had predicted and with its members now again planning for a potential major European conflict It is a tale of tension danger rivalry conflict big personalities and high stakes military and diplomatic posturing as well as espionage politics and protest From the Korean War to the pandemic the Berlin and Cuba crises to the chaotic evacuation from Kabul Deterring Armageddon tells how the alliance has shaped and been shaped by history and looks ahead to what might be the most dangerous era it has ever faced Utterly eye opening compelling haunting and continually illuminating As Peter Apps so brilliantly demonstrates in this gripping book the story of the NATO alliance is in many ways a parallel global history of the last 75 years As well as all the outbreaks of seething tension between the US and its European allies and the counter moves of rival powers this is also an account of just how often in those postwar years that we all stood on the edge of the most terrible abyss With mesmerising fluency and dazzling research Apps follows the criss crossing threads of the Cold War and beyond Those threads converge in our shadowed present and the conflict in Ukraine In order to fathom today's dark world Apps has explored a labyrinth of once classified history and he brings dazzling clarity Sinclair McKay **ARMAGEDDON's SONG 2 'ADVANCE TO CONTACT'** Andy Farman,2015-02-08 Volume 2 of a 4 part series that goes further than even Tom Clancy's classic in a tale of truly global world war Washington DC Taipei NATO's North Cape naval picket and two carrier combat groups have been destroyed by nuclear weapons NATO is on the back foot and her potential allies are thinning out as China shows no hesitation in levelling

entire cities Major Bedonavich and Svetlana Vorsoff are our spies with a conscience and now they are in from the cold but someone will go to any lengths to exact revenge Perhaps baiting the Bear in his lair is their only hope of survival The NATO army in Europe with the battered but defiant Coldstream Guards and US 82nd are holding the line Vital supplies are enroute from America but the determination of those in the convoys and escorts is matched by those charged with sinking them NATO needs to level the playing field and then tilt it in their favour

The Ten Commandments: Introducing Armageddon
Debora Roth Brewer, 2006-06-16 THE TEN COMMANDMENTS Introducing Armageddon is Debora Roth Brewer's first published work that details the controversial ten covenant commandments from G D to the Jewish nation of Israel The author makes a distinction between the first spoken articles of the Law of G D and these ten covenant commandments by defining the two Hebrew words mitsvah and dabar that are translated into the English word commandments Taking the reader on an in depth study starting with preparation of the children of Israel to receive G d's Law from Mount Sinai in the book of Exodus chapter Nineteen the secret to unlocking Armageddon is found in scripture The first ten articles of the Law of G d found detailed in Exodus Chapter 20 is what is traditionally accepted by the known Church world as the ten commandments As the reader embarks on a biblical study it is discovered that G D calls another passage of scripture from Exodus the tenets of His covenant with Moses Israel and specifically names these words the ten commandments Without undermining the importance of today's ten commandments Debora Roth Brewer challenges the reader to delve deeper into the word of G d to discover the covenant between G d and the nation of Israel that is just now being revealed by the Spirit of G d Spurred on by a what does it matter attitude from fellow Christians and direct opposition from denominational mind sets the author cried out to GOD for inspiration The LORD took her on a journey through His Word From Moses to Zephaniah and from Jesus to John the Revelator this book will challenge the Biblical novice and also intrigue the doctors of the law This book is not for the lukewarm at heart toward the things of G d but is aimed at those whose opinions are either hot or cold If you have a definite opinion about the nation of Israel about Christianity in general or about the second coming of CHRIST this book is for you

Armageddon in Waco Stuart A. Wright, 2014-07-04 On February 28 1993 the United States Bureau of Alcohol Tobacco and Firearms BATF launched the largest assault in its history against a small religious community in central Texas One hundred agents armed with automatic and semi automatic weapons invaded the compound purportedly to execute a single search and arrest warrant The raid went badly four agents were killed and by the end of the day the settlement was surrounded by armored tanks and combat helicopters After a fifty one day standoff the United States Justice Department approved a plan to use CS gas against those barricaded inside Whether by accident or plan tanks carrying the CS gas caused the compound to explode in fire killing all seventy four men women and children inside Could the tragedy have been prevented Was it necessary for the BATF agents to do what they did What could have been done differently Armageddon in Waco offers the most detailed wide ranging analysis of events surrounding Waco Leading scholars in sociology history law

and religion explore all facets of the confrontation in an attempt to understand one of the most confusing government actions in American history. The book begins with the history of the Branch Davidians and the story of its leader David Koresh. Chapters show how the Davidians came to trouble authorities, why the group was labeled a cult, and how authorities used unsubstantiated allegations of child abuse to strengthen their case against the sect. The media's role is examined next in essays that consider the effect on coverage of lack of time and resources, the orchestration of public relations by government officials, the restricted access to the site, or to countervailing evidence, and the ideologies of the journalists themselves. Several contributors then explore the relation of violence to religion, comparing Waco to Jonestown. Finally, the role played by experts and consultants in defining such conflicts is explored by two contributors who had active roles as scholarly experts during and after the siege. The legal and constitutional implications of the government's actions are also analyzed in balanced, clearly written detail.

Armageddon Bride Linda Schreurs, 2008-06 *Armageddon Bride* is a passionate perspective of the times we live in at the threshold of the end of the age. The battle for the bride of Christ is an intense spiritual battle being fought at every level of life: the individual and family, as well as educational, political, and governmental authorities. As Christians, our beliefs are under assault, and we are being called to understand the dangers of these times, which are ours to claim. Scripture says that Jesus is coming back for a bride without spot or wrinkle. Red-hot love and desire for our heavenly Bridegroom will be as an iron pressing out lukewarmness, compromise, and contamination. What will those days be like? How shall we prepare? These questions are answered as the daily occurrence of political and social events begin to reveal the growing intensity of the challenges facing Christian believers in today's world. Readers will learn that the eternal Word of God will give us the direction needed and secure us in the promise that His glory will be revealed. It will be the greatest battle of all times and the greatest victory through Jesus.

Surviving Armageddon Juliet Nickels, 2012-01-04 The end of the world is coming. Nearly every person on earth can feel it, but what does that mean? What can we expect of Armageddon, and how do we survive? Author Juliet Nickels has compiled all the evidence and information you need to survive Armageddon, including a timeline of events. There is hope, and Juliet guides you to the path of safety until these treacherous times have passed.

Beyond Armageddon E. Daisy Rodriguez, 2011-12-09 Is there hope for this planet and for the human race after Armageddon? Will there be anything left on the Earth after the destruction brought about by the great and terrible Day of the Lord? By drawing on religious insight and using scriptures from the Old and New Testaments, author E. Daisy Rodriguez delivers a concise explanation to these questions and more in *Beyond Armageddon*. Rodriguez explains how the end-time story continues with the establishment of Jesus Christ's Millennial Kingdom, the end of planet Earth, God's White Throne Judgment, the Lake of Fire, and finally a preview of the New Jerusalem. Building on years of intensive study of the Scriptures, Rodriguez delves into crucial issues and offers a thorough, solid understanding of this important subject. From discussing the fate of those who survive God's wrath and the end of the kingdom of darkness to the battle of the ages and

everlasting life this guide shows how the human race will arrive at its final destination **Allies for Armageddon** Victoria Clark,2007-01-01 Clark explores the 400 year history of this powerful political ideology from its beginnings among the Puritans of 17th century England to the present day United States where Christian Zionists wield unprecedented influence

Intimate Armageddons Introduction

In today's digital age, the availability of Intimate Armageddons books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Intimate Armageddons books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Intimate Armageddons books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Intimate Armageddons versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Intimate Armageddons books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Intimate Armageddons books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Intimate Armageddons books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited

period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Intimate Armageddons books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Intimate Armageddons books and manuals for download and embark on your journey of knowledge?
