No Stinkin' Grammar

Joseph M. Nixon,2011-08-18 Written from an Anthropological viewpoint No Stinkin Grammar presents a humorous and sometimes satirical consideration of rules and exceptions in modern English Beginning with the familiar sentence diagram and proceeding through the intricacies of use and misuse of modern English it details frequently confusing and often contradictory applications of our language Not offering a text on grammar or syntax it considers such elements of modern English as Wikipedia silent letters the origins and history of modern usage spelling versus spoken English the spelling bee oxymorons homonyms Post It notes cursive script and other interesting features of American US English Interesting to Teachers and students alike it examines our language not from its core but at its perimeter where the rules are often fuzzy and even contradictory It provides an amusing look at the language we share
