Into Fields Of Fire:

Into Fields of Fire Austin J. Buchanan, W. L. George Collins, 2004-11-29 This story is taken from notes Austin Buck Buchanan wrote in notebooks he carried in his pocket all during World War II Buck is no longer with us W L George Collins edited and compiled Bucks notes into a manuscript that became this book Here you will ride with Buck as he flies his plane through a field of fire so intense that one shell blows a hole in the plane big enough for a man to go through and uncountable bullet holes perforated the plane All aircraft controls are shot out except elevator and ailerons You will ride with him as he manages to complete his mission and bring his barely flying plane back to England And you will ride with him through hundreds more such harrowing trips in his C 47 with no armor plate and no guns into other fields of fire and often impossible weather W L George Collins was a pilot in the same Troop Carrier Group as Buck His writings have been published in the United States Europe and the Middle East He was awarded the George Washington Honor Medal by Freedoms Foundation at Valley Forge among other writing awards *Fields of Fire* James Webb, 2008-11-19 Few writers since Stephen Crane have portrayed men at war with such a ring of steely truth The Houston Post With a new introduction by the author for the book s 40th anniversary They each had their reasons for joining the Marines They each had their illusions Goodrich came from Harvard Snake got the tattoo Death Before Dishonor before he got the uniform And Hodges was haunted by the ghosts of family heroes They were three young men from different worlds plunged into a white hot murderous realm of jungle warfare as it was fought by one Marine platoon in the An Hoa Basin 1969 They had no way of knowing what awaited them Nothing could have prepared them for the madness to come And in the heat and horror of battle they took on new identities took on each other and were each reborn in fields of fire *Fields of Fire* is James Webb s classic novel of the Vietnam War a novel of poetic power razor sharp observation and agonizing human truths seen through the prism of nonstop combat Weaving together a cast of vivid characters *Fields of Fire* captures the journey of unformed men through a man made hell until each man finds his fate Praise for *Fields of Fire* A stunner Webb gives us an extraordinary range of acutely observed people not one a stereotype and as many different ways of looking at that miserable war Newsweek A novel of such fullness and impact one is tempted to compare it to Norman Mailer s *The Naked and the Dead* The Oregonian Webb s book has the unmistakable sound of truth acquired the hard way His men hate the war it is a lethal fact cut adrift from personal sense Yet they understand that its profound insanity its blood and oblivion have in some way made them fall in love with battle and with each other Time *Fields of Fire: The Struggle, Sacrifice, and Survival in Vietnam* Eula Larson, Opening Sentence Witness the untold stories of bravery resilience and sacrifice in the scorching battlefields of Vietnam Main Content Overview This meticulously researched work unveils the true essence of the Vietnam War through the firsthand accounts of those who lived it From the horrors of combat to the indomitable spirit of soldiers *Fields of Fire* immerses readers in the depths of one of history s most pivotal conflicts Problem and Solution Amidst the chaos and devastation soldiers from all walks of life faced
