## **Introduction To Contemporary Civilization 2vol:**

American Modern Victorino Tejera, 1996 Written in the American tradition American Modern The Path Not Taken describes how four major American thinkers practiced philosophy non reductively by incorporating the arts and other human activities Tejera provides a detailed analysis of Peirce Dewey Santayana and Buchler showing that the importance they placed on the human can cure what is missing in recent philosophy American Modern will interest philosophers historians of philosophy and scholars of American intellectual history **Dictionary of Modern American Philosophers** John R.

Shook, 2005-01-01 The Dictionary of Modern American Philosophers includes both academic and non academic philosophers and a large number of female and minority thinkers whose work has been neglected It includes those intellectuals involved in the development of psychology pedagogy sociology anthropology education theology political science and several other fields before these disciplines came to be considered distinct from philosophy in the late nineteenth century Each entry contains a short biography of the writer an exposition and analysis of his or her doctrines and ideas a bibliography of writings and suggestions for further reading While all the major post Civil War philosophers are present the most valuable feature of this dictionary is its coverage of a huge range of less well known writers including hundreds of presently obscure thinkers In many cases the Dictionary of Modern American Philosophers offers the first scholarly treatment of the life and work of certain writers This book will be an indispensable reference work for scholars working on almost any aspect of modern American thought **Civilization During the Middle Ages, Especially in Relation to Modern Civilization** George Burton
