Black Colleges Bruce A. Jones,M. Christopher Brown II,Kassie Freeman,2004-03-30 Black colleges are central to the delivery of higher education Notwithstanding there is scant treatment of these key institutions in the research literature There is a need for a comprehensive and cogent understanding of the primary characteristics of the policies and practices endemic to black colleges This book provides the scholarly basis requisite to organize give meaning to and shape the analyses and applications of policy and practice within the black college The collected chapters respond to the paucity of research literature addressing these institutions In each chapter the authors acknowledge the specific characteristics of black colleges that make them unique Understanding the fundamental characteristics that shape black colleges is critical to gaining a comprehensive understanding of higher education at large The policy and praxis challenges exhibited at black colleges serve as exemplars to how all colleges perform their respective functions in society Black colleges serve as testimonies to the transformative power of adversity and beacons of possibility in an era of retrenchment and ambiguity These roles call on black colleges to aid and assist in creating an opportunity for educational change

Historically Black Colleges and Universities in a Globalizing World Sabella Ogbobode Abidde,Mohamed S. Camara,Alem Hailu,2024-02-27 Historically Black Colleges and Universities were established to provide the opportunity for higher education to people of African descent in the era of segregation The visions values and heritages these schools embodied enabled them to chart new frontiers of learning scholarship and public engagement for and beyond the United States Historically Black Colleges and Universities in a Globalizing World The Past the Present and the Future edited by Alem Hailu Mohamed S Camara and Sabella O Abidde examines the history and contribution of these institutions in the broader national and global sociopolitical context of the changes taking place in the nation and the world Collectively the contributors offer reflections and visions by both looking back and forward to find viable answers to the challenges and opportunities HBCUs face in the new century and beyond They argue that as the world convulses by the new global dynamics of emerging pandemics economic dislocations and resource constraints HBCUs are uniquely positioned to meet these challenges
