Tragic Vision Murray Krieger,2019-12-01 Originally published in 1973 Literary critics who have studied tragedy and the tragic vision failed in Murray Krieger s estimation to define exactly what they saw as the tragic vision in general terms An aim of his book is to create a tentative definition of tragic and to flesh out what the author sees as the definition most illuminating of modern literature and the modern mind In order to do this Krieger distinguishes between what he sees as the tragic vision and tragedy tragedy from his perspective is an object s literary form whereas tragic vision refers to a subject s psychology the subject s view and version of reality In light of the shriveling of the tragic concept in the modern world and the reduction of a total view to the psychology of the protagonist Krieger contends that the protagonist in a tragedy is now more appropriately designated a tragic visionary than a tragic hero GMAT Official Guide 2018: Book + Online GMAC
