Families Vicky R. Bowden, Cindy Smith Greenberg, 2010 Children and Their Families The Continuum of Care provides a unique interdisciplinary perspective that underscores the nurse's role in planning, coordinating and working with all members of a pediatric health care team. It shows students how to make critical judgments and assessments to manage the care of children in a variety of community settings including homes, schools and medical centers. From infancy through adolescence, this text thoroughly covers the health promotion, surveillance and maintenance needs of children. In this edition, threaded case studies follow a community of pediatric clients and continue throughout the chapter to show the interrelated dynamics of pediatric nursing care. A companion Website includes journal articles, NCLEX style chapter review questions, a Spanish/English audio glossary, Watch and Learn videos, a fluids and electrolytes tutorial and much more.
