Williams, Wendy D. Bokhorst-Heng, 2016-07-08 This book engages readers in thirteen conversations presented by authors from around the world regarding the role that textbooks play in helping readers imagine membership in the nation Authors voices come from a variety of contexts some historical some contemporary some providing analyses over time But they all consider the changing portrayal of diversity belonging and exclusion in multiethnic and diverse societies where silenced invisible marginalized members have struggled to make their voices heard and to have their identities incorporated into the national narrative The authors discuss portrayals of past exclusions around religion ethnicity sexual orientation as they look at the shifting boundaries of insider and outsider This book is thus about who we are not only demographically but also in terms of the past especially how and whether we teach discredited pasts through textbooks The concluding chapters provides ways forward in thinking about what can be done to promote curricula that are more inclusive critical and positively bonding in increasingly larger and more inclusive contexts Enquiry into the present state of polite learning. The citizen of the world Oliver Goldsmith, 1854 *Who Decides What: The Citizen's Handbook* Klaus Boehm, Brian Morris, 1979-06-17 **A Practical Enquiry Into the Nature of Citizenship in the British Empire** Round Table (Association), Round Table Groups, 1914 *An Enquiry Into the Constitutional Authority of the Supreme Federal Court, Over the Several States, in Their Political Capacity* Timothy Ford, David Ramsay, 1792 **Resource Support Pack** Lee Jerome, 2001-09-11 Developed to answer the need for teaching material in this area this three book series with a wide range of additional resources is an innovative and practical approach to Citizenship at KS3 *The Voluntary Citizen* Constance Braithwaite, 2025-04-01 Originally published in 1938 The Voluntary Citizen discusses the distinctive features of charity and voluntary social service and gives the author's views as to their scope and limitations especially in relation to the public social services at the time It also assembles and co ordinates the available information about the income of various groups of charities and gives an estimate of the total income of all charities in England and Wales The last section of the book describes in detail the organization and problems of district nursing as an example of a voluntarily organized social service Today it can be read in its historical context *A World Divided* Geoff Tansey, Kath Tansey, Paul Rogers, 2021-01-26 This book first published in 1994 analyses the changing world order at the end of the Cold War As the East West military axis was replaced by North South economic polarization and global insecurity it became clear that future wars were likely to stem from

resource and environmental conflict and from the effects of mass movements of displaced people Using case studies from around the world the authors diagnose the problems caused by increasing militarism and analyse the links between conflict poverty development and the environment

Local government finance Great Britain: Parliament: House of Commons: Communities and Local Government Committee,2007-09-13 Attitudes towards the council tax are influenced by views as to its fairness with one of the concerns being that it does not take sufficient account of a household s income Council tax relief enables the liability of some households to be reduced Although it is not a benefit it is called a benefit and in many ways operates like a benefit People only receive it if they make a claim and as a result there is an estimates 1 8 billion unclaimed each year The Committee believe that there are two main weaknesses in the operation of the current system Firstly the rules of eligibility are too tightly drawn to adequately reduce the burden to those in greatest need Secondly the take up is low They call on the Government to take urgent actions to tackle these problems

Reclaiming Local Democracy Ines Newman,2014-05-07 In this book Ines Newman raises new questions about the fundamental principles that should guide local government decision making in an era when austerity measures leave local governments struggling to meet the demands for services Drawing on a lifetime of experience as a practitioner and academic within local government she shifts the agenda toward a more ethical view of how local governments can enact policies that improve social justice and local democracy Newman argues that local governments should provide a voice for those who lack power and she does so through an energizing call to reengage politics with ethics and an examination of how local governments can develop active citizens make a difference in the well being of the disadvantaged and in the end promote real democracy

The Politics of Compulsive Education Karl Kitching, 2014-12-05 The marketised and securitised shaping of formal education sites in terms of risk prevention strategies have transformed what it means to be a learner and a citizen In this book Karl Kitching explores racialised dimensions to suggest how individuals and collectives are increasingly made responsible for their own welfare as good or bad students at the expense of the protection of their rights as learner citizens Focusing on Ireland as a post colonial Atlantic state the book demonstrates how liberal governance racisms migration and mass education are interconnected and struggled over at local national European and global levels Using a variety of qualitative studies and analytic approaches *The Politics of Compulsive Education* details the significance of mass education s to the ongoing racialisation of national sovereignty It draws on in depth historical policy media and school based research moving from the 19th century to the present day Chapters explore diverse themes such as student deportation austerity and the politics of community integration the depoliticisation of third level education via international student and quality teacher regimes the racialised distribution of learner ability and school based bullying and harassment Combined these studies demonstrate the possibilities and constraints that exist for educational anti racisms both in terms of social movements and everyday classroom situations *The Politics of Compulsive Education* asks key questions about anti racist responsibility across multiple education sites and explores how racisms are both shaped and can be interrupted by the interaction of the global and the local as seen in terms of migration the distribution of capital media education policy discourse and teacher and learner identifications It will be of interest to researchers academics and postgraduate students of sociology education cultural studies political theory philosophy and postcolonial studies

Developments in the Theory and Practice of Citizenship Simon McMahon, 2012-03-15 The institution of citizenship has traditionally been understood as equal membership of a political community *Developments in the Theory and Practice of Citizenship* comes at a time when this is undergoing a period of intense scrutiny Academics have questioned the extent to which we can refer to unified homogeneous national citizenries in a world characterised by globalisation international migration socio cultural pluralism and regional devolution whilst on the other hand in political practice we find

the declared Death of Multiculturalism policy makers urging for active responsible citizens and members of social movements calling for a more equitable equal and participatory democracy Citizenship is being reassessed and redefined both from above and from below in politics and society The contributions to this volume engage in analysis of the processes which are bringing about an evolution of our understanding of citizenship and the individual's relationship to the state the polity and globalisation Through empirical case studies they highlight how in practice the terms of membership of a citizenry are negotiated in society through laws political discourse cultural associations participatory processes rituals and ceremonies In doing so these contributions offer an illustration of the diversity of venues and processes of citizenship and illustrate the benefits of an understanding of citizenship as a social practice The book thus provides an opportunity to pose theoretical practical and moral questions relating to these issues as well as offering avenues for further research in the future
