

Enterprise Development

The Enterprise Development Programme

Enterprise Development:

Enterprise development and community based natural resources management in Botswana. Lin Cassidy, 1999

Researching Enterprise Development Morten Levin, 2002 Researching Enterprise Development is written by the key researchers of a large Norwegian Action Research program on enterprise development Enterprise Development 2000 This book tells the stories of how the seven participating modules were developed created and sustained as Action Research activities Based on these stories reflection on a broader analysis of core issues of the program are given on the following topics the processes within the program and changing models for leadership how research groups become proficient as action researchers local research as networking with the regional business community enhancing the innovation capacity of participating companies participation and democratic processes in enterprise development The reflections and stories provide detailed accounts of how this Action Research program was developed and ample ideas on how Action Research modules can be implemented for other enterprise development projects The book is preceded by Work Organisation and Europe as a Development Coalition edited by Richard Ennals and Bjorn Gustavsen 1999 and the results of the ED 2000 project are explained in Creating Connectedness edited by Bjorn Gustavsen Hakon Finne and Bo Oscarsson 2001

Entrepreneurship and Enterprise Development in Africa Daniel Agyapong, Rosemond Boohene, 2024-03-14

Entrepreneurship and Enterprise Development in Africa presents a timely and compelling account of African entrepreneurship shedding light on the critical part it plays in the continent's economic growth and development It explores the various challenges opportunities and success stories that define the African entrepreneurial landscape and highlights the ingenuity and determination of the continent's entrepreneurial minds

The Enterprise Development Programme Annual Review 2012 The Enterprise Development Programme, **Business services in support of farm enterprise development: a review of relevant experiences** Kahan, D.G., 2007 This Occasional Paper presents the study findings of

approaches to the design and delivery of business services to farmers and rural entrepreneurs Interventions aimed at business service provision and designed and developed by donors have commonly been termed Business Development Services BDS BDS has largely focused on reducing poverty by raising the incomes of farmers and rural entrepreneurs The term business services refers to the range of non financial services provided to micro and small enterprises MSEs at various stages in their development They embody a market development approach to the provision of support services¹ This Occasional Paper presents findings from a study conducted on approaches to the design and delivery of business services to farmers and rural entrepreneurs The paper is based upon an extensive literature review of BDS and other business related service interventions supported by selected case studies in Asia and Africa Business services are aimed at assisting farmers and rural entrepreneurs to overcome internal and external constraints to their farm business start up development and performance Contained within the broad concept are such activities as group training individual counselling advice the

development of new commercial entities technology development and transfer information provision business links and policy advocacy

Report of the National Workshop on Micro-Enterprise Development in Coastal Communities in the Philippines Food and Agriculture Organization of the United Nations, 2007-01-01

The goals of the National Workshop on Micro enterprise Development in Coastal Communities in the Philippines were to exchange experiences and good practices and to identify financial and institutional support services and facilities to sustain livelihoods and micro enterprise development in coastal areas The workshop was attended by 45 participants from people s organizations fisherfolk cooperatives non governmental organizations national government agencies and financing institutions The discussions at the workshop showed that livelihood diversification and the improvement of income and employment opportunities in coastal fishing communities are crucial for their participation in the conservation and management of aquatic resources Key elements of sustainable micro enterprise development as identified by the workshop include capability building of fisherfolk organizations such as cooperatives and associations to implement livelihood projects the preparation of feasibility studies and business plans technical skills development sound financial management practices development of innovative and high quality products access to new markets including urban and regional markets and the full participation of fisherfolk in the identification of livelihood activities and micro enterprises The Pilot Project in Support of the Development of Micro enterprises in Banate Bay Iloilo and Southern Iloilo was implemented by the University of the Philippines in the Visayas in cooperation with the Banate Bay Resource Management Council Inc and the Southern Iloilo Coastal Resource Management Council with support from FAO A number of microenterprises were introduced and supported in the municipalities of Banate Bay and Southern Iloilo including fish ball production shrimp paste production oyster and mussel culture salt production and iodization fish marketing and fish sauce production Training programmes were conducted for fisherfolk on product development and marketing of their products Good coordination with local government units active participation of all stakeholders and conduct of appropriate training programmes are considered essential for the sustainability of the micro enterprises The involvement of fisherfolk in livelihood activities and micro enterprises is strengthening their participation in the fisheries and aquatic resources management councils of Banate Bay and Southern Iloilo The experiences of the pilot project also suggest that in order to make various income generating livelihood initiatives sustainable and stand on their own feet many of these need to develop further into full fledged micro enterprises Considerable scope lies in farming of aquatic organisms such as seaweed shellfish and various fish species as well as in fisheries related value adding activities such as fish processing and marketing As far as the relationship between the conservation of aquatic resources and the generation of income is concerned the quality of the aquatic environment and the economic success of mariculture micro enterprises and activities are directly related This should create a strong motivation for fisherfolk entrepreneurs involved in such type of enterprises to be strong advocates and stewards of a healthy coastal ecology In the long term fisherfolk will benefit from the

development of various micro enterprise initiatives It is clearly in their interest **Administration's Small and Minority Enterprise Development Programs** United States. Congress. House. Committee on Small Business. Subcommittee on SBA and SBIC Authority, Minority Enterprise, and General Small Business Problems,1982 Local Economic and Employment Development (LEED) Boosting Social Enterprise Development Good Practice Compendium OECD,European Union,2017-04-21 Social enterprises are long standing agents of inclusive growth and democratization of the economic and social spheres and they have proved resilient to economic adversity all the while addressing socio economic challenges in innovative ways re integrating people back to the labour market and **Providing Enterprise Development and Financial Services to Women** Lynn Bennett, Mike Goldberg,1993-01-01 During the past decade raising the productivity of women became an integral element of the World Bank s overall strategy for reducing poverty and achieving sustainable growth The number and scope of Bank projects to provide women with enterprise development financial services and social intermediation services grew accordingly This paper reviews 27 such projects in East and South Asia and provides a succinct assessment of successes failures and surprises The authors identify patterns and trends in the design of projects examine the reasons for such trends and draw lessons about how such projects can be more effective in delivering financial services to women in these countries Many of these women are an increasingly vital source or the sole source of income for their families but they are often overlooked in the implementation of small development projects The authors draw eight key lessons for future Bank projects to provide enterprise development and financial services They recommend that such projects be considered one element of a coordinated country specific strategy for poverty alleviation *ORGANISATION AND FUNCTIONING OF THE FINANCIAL SYSTEM FOR SUPPORT OF ENTERPRISE DEVELOPMENT BY BUSINESS ENVIRONMENT INSTITUTIONS IN POLAND* Artur Kuchciński,2022-01-01 The structure of the work as indicated earlier is based on solving the research problem posed It results from the adopted goals and formulated research hypotheses The need to analyse the above issues related to the research area was included in the structure of the thesis divided into four chapters The first chapter is devoted to the issues of micro small and medium sized enterprises It presents key definitions and classifications based on the existing legal framework in Poland A statistical review of SMEs was conducted and the role of this sector of enterprises in the national economy was shown Moreover the European Union s policy towards micro small and medium sized enterprises was also reviewed and the main determinants of their development were presented in the light of the quoted research The second chapter concerns the issue of business environment institutions It reviews the most important concepts presents the division of business environment institutions by form of support analyses the organizational and legal aspects related to the functioning of BEI also the spatial distribution of the discussed institutions indicating what role they play and the directions of their further development The third chapter analyses the activities of business environment institutions in the area of financial support for micro small and medium sized enterprises The analysis included

the activities of loan funds guarantee funds business angel networks and private equity venture capital funds on the Polish market The fourth chapter of the paper concerns the analysis of the functioning of business environment institutions in the field of financing support on the basis of research conducted among micro small and medium sized enterprises in Poland It presents the methodology of the research characterizes the research sample and analyses the results obtained The results of the study were also the final conclusions along with the evaluation of the functioning of financial BEIs and the author s recommendations for future activities for the analysed institutions The literature in the form of scientific monographs and articles in peer reviewed scientific journals was used to write the study In addition legal acts reports and analyses internet sources and the author s own research and analysis were also used

Micro-Entrepreneurship and Micro-Enterprise Development in Malaysia: Emerging Research and Opportunities Al Mamun, Abdullah, Mazumder, Mohammad Nurul Huda, Zainol, Noor Raihani, Muniady, Rajennd, 2019-12-06 Developing nations currently utilize various methods and practices used in most entrepreneurial activities Manipulating these processes to work in a categorically low income area however can be challenging Micro Entrepreneurship and Micro Enterprise Development in Malaysia Emerging Research and Opportunities provides emerging research exploring the theoretical and practical aspects of entrepreneurial promotional programs and applications within global economics Featuring coverage on a broad range of topics such as emerging economics organizational development and gender diversity this book is ideally designed for entrepreneurs policymakers governmental and non governmental organizations business professionals academics researchers and students seeking current research on improving the socio economic condition of low income households through various entrepreneurial activities

Entrepreneurship Development in Public Enterprises Joseph Prokopenko, Igor Pavlin, 1991 This book presents a number of cases both in centrally planned and market economy systems where the culture and practice of entrepreneurship were successfully introduced into the structure and activities of public enterprises The book shows how sponsorship can help promote both public and private economic initiatives by either turning the public enterprise into an entrepreneurial and intrapreneurial organization or by helping small private business in the start up stage

ENTERPRISE DEVELOPMENT PLANNING & BUDGETING REYNALDO B. ALMENARIO, 2014-01-27 On its second edition this book is meant to help the Philippine local government units i e barangays municipalities cities and provinces formulate their economic enterprise development plans as serious guideposts to achieving self reliance or autonomy the ultimate objective ordained by the Local Government Code of 1991 Intended for use principally by local economic planners and development managers including college instructors of courses associated with socio economic development the book is so written to serve as a handy guide to the formulation and the writing of an economic enterprise development plan solidly grounded among others on the human and natural resource base of the locality Briefly said plan provides answers to the following questions What local enterprises to promote and develop Why should these be promoted and developed Where should these

be set up When should these be set up What support services programs and facilities should be in place to raise the chances of these enterprises to survive stabilize and grow How much would it cost to set these up and provide the support mechanisms Finally where would the necessary funds come from

Entrepreneurship Development and Small Business Enterprise Poornima M. Charantimath,2005 *Entrepreneurship and Small Business Development in Post-Socialist Economies* David Smallbone,Friederike Welter,2008-07-25 Pt 1 Setting the scene pt 2 Entrepreneurship and small business development in former Soviet republics pt 3 Entrepreneurship and small business development in Central and Eastern Europe pt 4 The way forward Government, SMEs and Entrepreneurship Development Robert A. Blackburn,2016-04-22 Recent decades have seen substantial growth in the range of assistance programmes for SMEs and entrepreneurs across the world Once regarded as peripheral to the economy and public policy the role of small firms and of entrepreneurship is now recognized as of key importance in the economic growth and development strategies of many nations The range of interventions and support focused on promoting SMEs and entrepreneurship is substantial and expanding so Government SMEs and Entrepreneurship Development asks what are some of the main policy instruments being used and how effective are they It considers policies in different countries examines key interventions and tools used to promote entrepreneurship and SME development and concludes with contributions on how to best evaluate their effectiveness The contributor chapters by academics and practitioners from businesses enterprise development agencies and governments are empirical or evidence based and use both quantitative and qualitative approaches Drawing on experience from a wide range of both developed and emerging countries and economies the contributions focus on the broad strategies that different governments and communities have adopted to foster entrepreneurship and SMEs the policy tools and instruments that can be used to promote small business and entrepreneurship and on the outcomes of policy instruments and the methods used to evaluate interventions Their findings will help researchers policy makers economic development officers civil servants elected officials and business associations to better understand the issues in this important field
