Entrepreneurship A Contemporary Approach:

Entrepreneurship Donald F. Kuratko, Richard M. Hodgetts, 1992 **Entrepreneurship** Donald F. Kuratko, Richard M. Hodgetts, 1989 **Entrepreneurship**, 1998 **EBOOK: Business Economics: A Contemporary Approach** EARL, PETER /WA, 2004-11-16 **EBOOK Business Economics A Contemporary Approach** Contemporary Issues in Strategic Management, **Entrepreneurship** David Deakins, Jonathan M. Scott, 2020-11-04 Written by a team of leading international scholars this new book treats entrepreneurship as an ever evolving social phenomenon and explores the recent trends that impact it such as digitisation disruptive technologies the rise of the gig economy and the growing importance of community based and social entrepreneurship Including a mixture of case studies examples consideration of policy issues and exercises this text provides practical perspectives of Entrepreneurship in support of key theory while discussion questions suggested reading and assignments help situate and test understanding **Handbook of Research on Entrepreneurship in the Contemporary Knowledge-Based Global Economy** Baporikar, Neeta, 2015-10-21 The rapid rise of knowledge based economies has revolutionized the perceptions and practices of globalized business Recent developments in engineering electronics and biotechnology have expanded the very definition of entrepreneurship in today's international market weaving discussions of enhanced connectivity and communication environmental sustainability and government policy changes into a complex multidimensional conversation The Handbook of Research on Entrepreneurship in the Contemporary Knowledge Based Global Economy provides a comprehensive survey of the most recent developments in the field of entrepreneurship highlighting their effects on information technology business networking knowledge production distribution and organization This timely publication features extensive coverage of the fast developing entrepreneurial field illuminating recent technological social and strategic innovations in language that is accessible for a worldwide audience of business educators researchers and students This authoritative text showcases research based articles on entrepreneurship for knowledge economies academic entrepreneurship women and entrepreneurship entrepreneurship education organizational learning ability innovations in industry agriculture and management and the evolution of a new all inclusive corporate culture Entrepreneurship Trajectories Diego Matricano, 2020-01-07 **Entrepreneurship Trajectories** Entrepreneurial Opportunities Business Models and Firm Performance explores several entrepreneurship trajectories recognized by economists and entrepreneurs It is not possible to talk about growth paths addressed by entrepreneurial ventures without recalling the business model and the type of entrepreneurial opportunity at their foundations Diego Matricano assumes that the growth paths addressed by entrepreneurial ventures depend on both effective business models and promising opportunities This pragmatic guide illuminates the entrepreneurial trajectories linking opportunities business models and growth paths offering complete and nuanced views through its extensive use of case studies Defines both theoretically and empirically the entrepreneurship trajectories that entrepreneurs can address Provides cases and data about

ongoing startups from official websites such as Global Entrepreneurship Monitor US Census Bureau and Eurostat Describes a comprehensive view of entrepreneurship trajectories that link entrepreneurial opportunities business models and growth paths *Business Management* Hannie Badenhorst-Weiss,Tersia Brevis,Mike Cant,2008-02 The world is in a constant state of flux and this influences the operations of every business and organisation *Business Management A Contemporary Approach* deals with these changes by covering the functions of a business or an organisation and then addressing the contemporary issues that affect them These issues include globalisation corporate entrepreneurship and citizenship credit diversity and HIV AIDS Every student of business and business manager needs to understand the importance of these issues and their influence on the operations of a business *Business Management A Contemporary Approach* also highlights the interdependency between the various business functions This interdependency is very important for a business or organisation to operate as a whole *Business Management* ,2008 **Entrepreneurship** Adnan ul Haque,2025-07-30 *Entrepreneurship A Contemporary Perspective* emphasizes theories and practices related to entrepreneurship as it is found in the real world The book provides in depth insights into entrepreneurship concepts and offers practical learning solutions through its many and varied case studies The book explores the attributes of successful entrepreneurial ventures in a changing business environment and explains how key concepts approaches and practices have evolved over time The unique focus of this textbook is that it steps away from the traditional views of entrepreneurship and instead looks at entrepreneurship through a number of distinct lenses including gender geopolitical trends and the social environment The book also examines the optimal conditions and strategies for the survival and sustenance of entrepreneurial ventures in an ever changing business world With a future facing focus *Entrepreneurship A Contemporary Perspective* shines a light on what entrepreneurship will be like in the next few likely transformative decades Suitable for students at advanced undergraduate and postgraduate levels this textbook will find a home wherever modern entrepreneurship is taught and studied **Handbook of Research on Approaches to Alternative Entrepreneurship Opportunities** Dantas, José Guilherme Leitão,Carvalho, Luísa Cagica,2020-02-25 In some cases technology based projects have revolutionized the way of living by contributing to job and wealth creation These types of ventures regardless of their outstanding relevance are the exception rather than the norm in that they account for only a very small percentage of entrepreneurial activity Although not ignoring these important ventures the main goal of this title is to fully unleash the wide potential of the entrepreneurial activity exploring and highlighting the somewhat hidden part which is ultimately responsible for the largest part of new businesses and as a consequence for the wellbeing of millions of people virtually everywhere The *Handbook of Research on Approaches to Alternative Entrepreneurship Opportunities* is a collection of innovative research on the methods and applications of entrepreneurial activity beyond the traditional boundaries of entrepreneurship research While highlighting topics including collective business organizational performance and generational differences this book is ideally designed for
