Entry Denied Controlling Sexuality At The Border:

Entry Denied Eithne Luibhéid, Lesbians prostitutes women likely to have sex across racial lines brought to the United States for immoral purposes or arriving in a state of pregnancy national threats one and all Since the late nineteenth century immigrant women s sexuality has been viewed as a threat to national security to be contained through strict border monitoring practices By scrutinizing this policy its origins and its application Eithne Luibheid shows how the U S border became a site not just for controlling female sexuality but also for contesting constructing and renegotiating sexual identity Initially targeting Chinese women immigration control based on sexuality rapidly expanded to encompass every woman who sought entry to the United States The particular cases Luibheid examines efforts to differentiate Chinese prostitutes from wives the 1920s exclusion of Japanese wives to reduce the Japanese American birthrate the deportation of a Mexican woman on charges of lesbianism the role of rape in mediating women s border crossings today challenge conventional accounts that attribute exclusion solely to prejudice or lack of information This innovative work clearly links sexuality based immigration exclusion to a dominant nationalism premised on sexual gender racial and class hierarchies **Entry Denied** Eithne

Luibhéid,2002 Since the late nineteenth century immigrant women OCOs sexuality has been viewed as a threat to national security to be contained through strict border monitoring practices By scrutinizing this policy its origins and its application Eithne Luibh r id shows how the U S border became a site not just for controlling female sexuality but also for contesting constructing and renegotiating sexual identity **The Sexual Politics of Border Control** Billy Holzberg, Anouk Madörin, Michelle Pfeifer, 2022-03-16 The Sexual Politics of Border Control conceptualises sexuality as a method of bordering and uncovers how sexuality operates as a key site for the containment capture and regulation of movement By bringing together queer scholarship on borders and migration with the rich archive of feminist Black Indigenous and critical border perspectives it highlights how the heteronormativity of the border intersects with the larger dynamics of racial capitalism imperialism and settler colonialism reproductive inequalities and the containment of contagion disease and virality Transnational in focus this book includes contributions from and about different geopolitical contexts including histories of HIV in Turkey the politics of reproduction in Palestine Israel settler colonialism and anti Blackness in the United States the sexual geographies of the Balkan and Southern Europe the intimate politics of marriage migration between Vietnam and Canada and sex work in Australia the United States France and New Zealand This collection constitutes a key intervention in the study of border and migration that highlights the crucial role that sexual politics play in the reproduction and contestation of national border regimes The chapters in this book were originally published as a special issue of *Ethnic and Racial Studies* **Queer Migrations** Eithne Luibhéid, Lionel Cantu, Jr., At the intersection of citizenship sexuality and race a new perspective on the immigrant experience , **Militarizing the Border** Miguel Antonio Levario, 2012-09-01 As historian Miguel Antonio Levario explains in this timely book current tensions and controversy over immigration and law

enforcement issues centered on the US Mexico border are only the latest evidence of a long standing atmosphere of uncertainty and mistrust plaguing this region *Militarizing the Border When Mexicans Became the Enemy* focusing on El Paso and its environs examines the history of the relationship among law enforcement military civil and political institutions and local communities In the years between 1895 and 1940 West Texas experienced intense militarization efforts by local state and federal authorities responding to both local and international circumstances El Paso s Mexicanization in the early decades of the twentieth century contributed to strong racial tensions between the region s Anglo population and newly arrived Mexicans Anglos and Mexicans alike turned to violence in order to deal with a racial situation rapidly spinning out of control Highlighting a binational focus that sheds light on other US Mexico border zones in the late nineteenth and early twentieth centuries *Militarizing the Border* establishes historical precedent for current border issues such as undocumented immigration violence and racial antagonism on both sides of the boundary line This important evaluation of early US border militarization and its effect on racial and social relations among Anglos Mexicans and Mexican Americans will afford scholars policymakers and community leaders a better understanding of current policy and its potential failure

Borders, Mobility and Technologies of Control Sharon Pickering, Leanne Weber, 2006-09-08 Territorial borders are taking on a new significance the implications of which are relatively unexplored within the discipline of criminology This book presents the first systematic attempt to develop a critical criminology of the border and offers a unique treatment of the impact of globalisation and mobility It focuses on borders and the significance of the activities which take place on and around them For many the border is an everyday reality a space in which to live a land necessary to cross For states the border space increasingly requires protection and defence is at the centre of state ideology and performance is the site for investing significant political and material resources and is ultimately ungovernable Providing a wealth of case material from Australia Europe and North America it is for students academics and practitioners working in the areas of criminology migration human geography international law and politics globalisation sociology and cultural anthropology *Borders Mobility and Technologies of Control* provides a model of criminological inquiry that is global in scope constructionist in vision and capable of combining the insights of dialogic and political economic analyses into a holistic understanding of the growing conflict between nation states and multitudes This book is an important new step forward for all those who approach criminology not as an adjunct to state control but as sociological inquiry in pursuit of human justice Dr Raymond Michalowski Arizona Regents Professor Northern Arizona University USA *Borders mobility and technologies of control* is a radical exploration of new terrain in transnational and comparative criminology Crossing disciplinary boundaries this collection charts new forms of transgression and control in the borderlands raising new theoretical questions and topics for research Ben Bowling Professor of Criminology Criminal Justice King s College London

Latinas/os in the United States Havidan Rodriguez, Rogelio Saenz, Cecilia Menjivar, 2007-11-29 The Latina o population in the United States has become the largest minority group in the

nation Latinas/os are a mosaic of people representing different nationalities and religions as well as different levels of education and income. This edited volume uses a multidisciplinary approach to document how Latinas and Latinos have changed and continue to change the face of America. It also includes critical methodological and theoretical information related to the study of the Latino/a population in the United States.

Anti-Immigration in the United States Kathleen R. Arnold, 2011-09-23 A comprehensive treatment of anti-immigration sentiment exploring debate, policies, ideas, and key groups from historical and contemporary perspectives. *Anti-Immigration in the United States: A Historical Encyclopedia* is one of the first encyclopedias to address American anti-immigration sentiment. Organized alphabetically, the two-volume work covers major historical periods and relevant concepts as well as discussions of various anti-immigration stances. Leading figures and groups in the anti-immigration movements of the past and present are also explored. Bringing together the work of distinguished scholars from many fields including legal theorists, political scientists, anthropologists, geographers, and sociologists, the work covers aspects and issues related to anti-immigration sentiment from the establishment of the republic to contemporary times. For each time period, there is a focus on key groups representing both actors and those acted upon. Political concerns of the time are also discussed to broaden understanding of motivation. In addition, entries explore the role of race, gender, and class in determining immigration policy and informing public sentiment.

New Slavery Kevin Bales, 2005-07-26 A shocking account of how slavery continues to afflict millions around the world today, from children in the carpet trade in Asia to immigrants forced into prostitution in Europe to domestic workers in the United States and other Western countries. *New Slavery: A Reference Handbook* is as scholarly as it is shocking, a gripping account of modern slavery from Pakistan to Paris, Nepal to New York. From bonded laborers in India and prostitutes in Thailand to illegal domestic workers in Kuwait, Tokyo, and London, this book surveys the grim and violent world of contemporary forced labor, human trafficking, and slavery. More commonly associated with the horrors of 19th-century cotton plantations or Nazi concentration camps, slave labor remains alive and well. Despite antislavery laws in almost every country, slavery today is booming, fueled by poverty, war, organized crime, and globalization. This book is both a serious study and an essential guide for policy makers, human rights lawyers, labor activists, and all those concerned with the ongoing fight against this timeless evil.

Performing the US Latina and Latino Borderlands Arturo J. Aldama, Chela Sandoval, Peter J. García, 2012-10-09 In this interdisciplinary volume, contributors analyze the expression of Latina/o cultural identity through performance. With music, theater, dance, visual arts, body art, spoken word, performance activism, fashion, and street theater as points of entry, contributors discuss cultural practices and the fashioning of identity in Latino/a communities throughout the US. Examining the areas of crossover between Latin and American cultures gives new meaning to the notion of borderlands. This volume features senior scholars and up-and-coming academics from cultural, visual, and performance studies, folklore, and ethnomusicology.

Sexualities, Transnationalism, and Globalisation Yanqiu Rachel Zhou, Christina Sinding, Donald

Goellnicht,2021-05-05 This innovative book explores the dynamic and contested interactions including the mutually constitutive relationships among sexualities transnationalism and globalisation Bringing together contributors with a variety of disciplinary geographic and theoretical perspectives this text explores new theories and trends in sexuality research including lived experiences of sexuality in this rapidly globalising world changing relationships between sexualities transnationalism and globalisation interventions activism and policy responses to the global challenges of sexual health and relevant reflections on and implications for equity and social justice in the ongoing processes of contemporary globalisation It is comprised of three sections focusing on transnational sexualities transnational sexual politics and transnational sexual activism Sexualities Transnationalism and Globalisation will be of interest to students and scholars from a range of disciplines and fields including sociology sexuality studies anthropology geography international relations politics and public health Post/humanitarian Border Politics between Mexico and the US V. Squire,2015-03-12 The author assesses the politics of different humanitarian interventions in the Mexico US border region developing a unique perspective on the significance of people places and things to contemporary border struggles **American Shame** Myra Mendible,2016-03-29 Essays examining the role of shame as an American cultural practice and how public shaming enforces conformity and group coherence On any given day in America s news cycle stories and images of disgraced politicians and celebrities solicit our moral indignation their misdeeds fueling a lucrative economy of shame and scandal Shame is one of the most coercive painful and intriguing of human emotions Only in recent years has interest in shame extended beyond a focus on the subjective experience of this emotion and its psychological effects The essays collected here consider the role of shame as cultural practice and examine ways that public shaming practices enforce conformity and group coherence Addressing abortion mental illness suicide immigration and body image among other issues this volume calls attention to the ways shaming practices create and police social boundaries how shaming speech is endorsed judged or challenged by various groups and the distinct ways that shame is encoded and embodied in a nation that prides itself on individualism diversity and exceptionalism Examining shame through a prism of race sexuality ethnicity and gender these provocative essays offer a broader understanding of how America s discourse of shame helps to define its people as citizens spectators consumers and moral actors An eclectic anthology it offers the readers more than one argument and perspective which makes the volume itself lively and rich Ron Scapp coeditor of Fashion Statements On Style Appearance and Reality The Huddled Masses Myth Kevin Johnson,2004 Despite rhetoric that suggests that the United States opens its doors to virtually anyone who wants to come here immigration has been restricted since the nation began In this book Kevin R Johnson argues that immigration policy reflects the social hierarchy that prevails in American society as a whole and that immigration reform is intertwined with the struggle for civil rights The Huddled Masses Myth focuses on the exclusion of people of color gays and lesbians people with disabilities the poor political dissidents and other disfavored groups showing how bias shapes the law In the

nineteenth century for example virulent anti Asian bias excluded would be immigrants from China and severely restricted those from Japan In our own time people fleeing persecution and poverty in Haiti generally have been treated much differently from those fleeing Cuba Johnson further argues that although domestic minorities whether citizens or lawful immigrants enjoy legal protections and might even be courted by politicians they are regarded as subordinate groups and suffer discrimination This book has particular resonance today as the public debates the uncertain status of immigrants from Arab countries and of the Muslim faith The Routledge Queer Studies Reader Donald E. Hall, Annamarie

Jagose, 2012-06-04 The Routledge Queer Studies Reader provides a comprehensive resource for students and scholars working in this vibrant and interdisciplinary field The book traces the emergence and development of Queer Studies as a field of scholarship presenting key critical essays alongside more recent criticism that explores new directions The collection is edited by two of the leading scholars in the field and presents individual introductory notes that situate each work within its historical disciplinary and theoretical contexts essays grouped by key subject areas including Genealogies Sex Temporalities Kinship Affect Bodies and Borders writings by major figures including Eve Kosofsky Sedgwick Judith Butler David M Halperin Jos Esteban Muñoz Elizabeth Grosz David Eng Judith Halberstam and Sara Ahmed The Routledge Queer Studies Reader is a field defining volume and presents an illuminating guide for established scholars and also those new to Queer Studies **Transnational Marriage and Partner Migration** Anne-Marie D'Aoust, 2022-02-11 This multidisciplinary

collection investigates how marriage and partner migration processes have become the object of state scrutiny for control and exclusion in several states around the world Covering cases across several countries contributors offer a compelling multidisciplinary perspective on the interplay between security citizenship and rights as experienced by migrants policymakers and actors who negotiate encounters with the state **Mexican Women and the Other Side of**

Immigration Luz María Gordillo, 2010-06-15 Weaving narratives with gendered analysis and historiography of Mexicans in the Midwest Mexican Women and the Other Side of Immigration examines the unique transnational community created between San Ignacio Cerro Gordo Jalisco and Detroit Michigan in the last three decades of the twentieth century asserting that both the community of origin and the receiving community are integral to an immigrant's everyday life though the manifestations of this are rife with contradictions Exploring the challenges faced by this population since the inception of the Bracero Program in 1942 in constantly re-creating adapting accommodating shaping and creating new meanings of their environments Luz María Gordillo emphasizes the gender specific aspects of these situations While other studies of Mexican transnational identity focus on social institutions Gordillo's work introduces the concept of transnational sexualities particularly the social construction of working class sexuality Her findings indicate that many female San Ignacians shattered stereotypes transgressing traditionally male roles while their husbands lived abroad When the women themselves immigrated as well these transgressions facilitated their adaptation in Detroit Placed within the larger context of

globalization Mexican Women and the Other Side of Immigration is a timely excavation of oral histories archival documents and the remnants of three decades of memory

Border Bandits Camilla Fojas, 2009-06-03 The southern frontier is one of the most emotionally charged zones in the United States second only to its historical predecessor and partner the western frontier Though they span many genres border films share common themes trace the mood swings of public policy and shape our cultural agenda In this examination Camilla Fojas studies how major Hollywood films exploit the border between Mexico and the United States to tell a story about U.S. dominance in the American hemisphere She charts the shift from the mythos of the open western frontier to that of the embattled southern frontier by offering in depth analyses of particular border films from post World War II Westerns to drug trafficking films to contemporary Latino cinema within their historical and political contexts Fojas argues that Hollywood border films do important social work by offering a cinematic space through which viewers can manage traumatic and undesirable histories and ultimately reaffirm core American values At the same time these border narratives delineate opposing values and ideas Latino border films offer a critical vantage onto these topics they challenge the presumptions of U.S. nationalism and subsequent cultural attitudes about immigrants and immigration and often critically reconstruct their Hollywood kin By analyzing films such as *Duel in the Sun* *The Wild Bunch* *El Norte* *The Border Traffic* and *Brokeback Mountain* Fojas demands that we reexamine the powerful mythology of the Hollywood borderlands This detailed scrutiny recognizes that these films are part of a national narrative comprised of many texts and symbols that create the myth of the United States as capital of the Americas
