Contemporary Ethnic Geographies in America Christopher A. Airriess, 2015-09-28 Ethnic diversity has marked the United States from its inception and it is impossible to separate ethnicity from an understanding of the United States as a country and Americans as a people Since the 1965 Immigration and Nationality Act the United States has experienced watershed transformations in its social cultural and ethnic geographies Considering the impact of these wide ranging changes this unique text examines the experiences of a range of ethnic groups in both historical and contemporary context It begins by laying out a comprehensive conceptual framework that integrates immigration theory globalization transnational community formation and urban cultural and economic geography The contributors then present a rich set of case studies of the key Latin American Asian American and Middle Eastern communities comprising the vast majority of newer immigrants Each case offers a brief historical overview of the group s immigration experience and settlement patterns and discusses its contemporary socioeconomic dynamics All these communities have transformed and been transformed by the places in which they have settled Exploring these changing communities places and landscapes this book offers a nuanced understanding of the evolution of America s contemporary

ethnic geographies **The Oxford Handbook of Asian American History** David Yoo, Eiichiro Azuma, 2016 The Oxford Handbook of Asian American History brings together 27 essays that engage the state of the field with historiographically informed but creative approaches to this diverse and vibrant area The chapters trace Asian American history from the beginning of the migration flows toward the Pacific Islands and the American continent to Japanese American incarceration and Asian American participation in World War II from the experience of exclusion violence and racism to the social and political activism of the late twentieth century The authors explore many of the key aspects of the Asian American experience including politics economy intellectual life the arts education religion labor gender family urban development and legal history **The Forging of a Black Community** Quintard Taylor, 2022-06-07 Seattle's first black resident was a sailor named Manuel Lopes who arrived in 1858 and became the small community's first barber He left in the early 1870s to seek economic prosperity elsewhere but as Seattle transformed from a stopover town to a full fledged city African Americans began to stay and build a community By the early twentieth century black life in Seattle coalesced in the Central District a four square mile section east of downtown Black Seattle however was never a monolith Through world wars economic booms and busts and the civil rights movement black residents and leaders negotiated intragroup conflicts and had varied approaches to challenging racial inequity Despite these differences they nurtured a distinct African American culture and black urban community ethos With a new foreword and afterword this second edition of The Forging of a Black Community is essential to understanding the history and present of the largest black community in the Pacific Northwest

ChristianityNext Winter 2018: Negotiating Difference Young Lee Hertig, 2018-01-18 An interdisciplinary scholarly exploration of Asian North American Christianity ChristianityNext is a journal of Innovative Space for Asian American Christianity ISAAC **Multicultural America** Ronald H. Bayor, 2011-07-22 This encyclopedia contains 50 thorough profiles of the most numerically significant immigrant groups now making their homes in the United States telling the story of our newest immigrants and introducing them to their fellow Americans One of the main reasons the United States has evolved so quickly and radically in the last 100 years is the large number of ethnically diverse immigrants that have become part of its population People from every area of the world have come to America in an effort to realize their dreams of more opportunity and better lives either for themselves or for their children This book provides a fascinating picture of the lives of immigrants from 50 countries who have contributed substantially to the diversity of the United States exploring all aspects of the immigrants lives in the old world as well as the new Each essay explains why these people have come to the United States how they have adjusted to and integrated into American society and what portends for their future Accounts of the experiences of the second generation and the effects of relations between the United States and the sending country round out these unusually rich and demographically detailed portraits **Philippine Studies** Priscelina Patajo-Legasto, 2008 These essays by Philippine and U S based scholars illustrate the dynamism and complexities of the discursive field of

Philippine studies as a critique of vestiges of universalist Western hegemonic paradigms as an affirmation of traditional and emergent cultural practices as a site for new readings of old texts and new popular forms brought into the ambit of serious scholarship and as a liberative space for new art and literary genres *AMERICAN ASWANG* Manette Trogani Snow, 2023-10-19 Manette Trogani Snow always wondered why her father Martin Pop Trogani punished his children by forcing them to kneel on raw rice arms outstretched with a stack of books piled high on their hands In a quest to understand why Pop treated Manette and her eleven siblings so horribly she unearthed not only her own family's hidden histories but also a previously unknown chapter in US history about racism immigration and war In a fascinating memoir created from a twenty five year mission to excavate information from archives articles books and interviews Manette chronicles her journey through a childhood darkened by fear brutality secrets and lies while detailing the story of her father's family's experiences as the only known survivors despite being starved and tortured during the Japanese occupation of World War II of an orchestrated campaign to expel them from the United States under the Filipino Repatriation Act of 1935 Included throughout are a treasure trove of personal and historic images as well as additional insights obtained after the completion of Manette's extensive research *American Aswang* intertwines the true story of a Filipino American girl's challenging coming of age journey with the often horrific experiences of her father's family as they were repatriated to the Philippines **Pinay Power** Melinda L. de Jesús, 2005-03-21 This volume brings together for the first time critical work by Pinays of different generations and varying political and personal perspectives to chart the history of the Filipina experience
