*National Library of Medicine Audiovisuals Catalog* National Library of Medicine (U.S.),1986 **Hammer Complete** Howard Maxford,2019-11-08 Think you know everything there is to know about Hammer Films the fabled Studio that Dripped Blood The lowdown on all the imperishable classics of horror like The Curse of Frankenstein Horror of Dracula and The Devil Rides Out What about the company s less blood curdling back catalog What about the musicals comedies and travelogues the fantasies and historical epics not to mention the pirate adventures This lavishly illustrated encyclopedia covers every Hammer film and television production in thorough detail including budgets shooting schedules publicity and more along with all the actors supporting players writers directors producers composers and technicians Packed with quotes behind the scenes anecdotes credit lists and production specifics this all inclusive reference work is the last word on this cherished cinematic institution *Dana Andrews* James McKay,2014-01-10 Dana Andrews arguably the finest minimalist

actor of his generation as one critic commented could convey more with one look than many actors could with a soliloquy In a film career spanning nearly five decades Andrews appeared in some of Hollywood s most prestigious productions including *The Ox Bow Incident* 1943 and *The Best Years of Our Lives* 1946 His unique screen presence was shown at its best in such film noir classics as *Laura* 1944 and *Where the Sidewalk Ends* 1950 Beginning with an absorbing biographical chapter this critical survey of Dana Andrews screen career features a complete filmography with synopses reviews behind the scenes anecdotes and insightful comments from Andrews and his coworkers A chronological list of television radio and theater credits is included     Directory of Eastern European Film-makers and Films 1945-1991 Grzegorz Balski,1992     *On the Track* Fred Karlin,Rayburn Wright,2013-07-04 Offers a comprehensive guide to scoring for film and television Covering all styles and genres the authors cover everything from timing cuing and recording through balancing the composer s vision with the needs of the film     **The Making of The Magnificent Seven** Brian Hannan,2015-05-11 The story behind *The Magnificent Seven* could have been a movie in itself It had everything actors strike writers strike Mexican government interference and a row between the screenwriters that left one removing his name from the credits all under the lingering gloom of post McCarthy era Hollywood A flop on release it later became a box office hit This book tells the behind the scenes story how Yul Brynner became the biggest independent producer in Hollywood why John Sturges was not the first choice after Brynner surrendered the director s chair why Sturges quit the truth about the Mirisch Company producers the details of the film s botched release and unlikely redemption the creation of Elmer Bernstein s classic score and how internecine fighting prevented the making of the television series in 1963 Myths about Steve McQueen his feud with Brynner and the scene stealing antics of the cast are debunked A close examination of the various screenplay drafts and the writers source material Akira Kurosawa s *Seven Samurai* shows who wrote what Extensive analysis of Sturges directorial work is provided

**Faulkner On and Off the Page** Carl Rollyson,2025-04-15 Though numerous biographies have been published on William Faulkner readers are often presented conflicting interpretations of his life and work Faulkner s view of himself and his own family was mercurial and it is widely acknowledged that Faulkner was an unreliable narrator of his own life As a result biographies of Faulkner echo and complicate the multitude of ways he portrayed himself accepting that truth if it exists is subjective Like his work Faulkner s own life then is not only open to different readings but welcomes them within the landscape of his oeuvre Faulkner *On and Off the Page* acknowledges the challenges of factifying a life into a textual narrative while also emphasizing the potential for biography to establish a throughline that traces how literature emerges from life and in turn shapes the life narrative Faulkner constructed for himself Unburdened by the sanctity of the written word Faulkner embraced mutability and perpetual evolution This process of reinvention also manifests within the pages of Faulkner s biographies as each biographer brings a unique context and perspective shaped by generations of Faulkner scholars Rather than thinking of Faulkner as exclusively the great high modernist who strayed to Hollywood when he needed the money and

stayed home when he didn't this book portrays an unsettled writer incessantly on the move incorporating what only looked like alien elements into his work while maintaining a public persona that disparaged anything that did not fit the narrative of the novelist he created in interviews essays and speeches This book attempts to carry on the work of finding the man on the page even as he is shaping a life off of it      South Asian Folklore Peter Claus, Sarah Diamond, Margaret Mills, 2020-10-28 With 600 signed alphabetically organized articles covering the entirety of folklore in South Asia this new resource includes countries and regions ethnic groups religious concepts and practices artistic genres holidays and traditions and many other concepts A preface introduces the material while a comprehensive index cross references and black and white illustrations round out the work The focus on south Asia includes Afghanistan Bangladesh India Pakistan and Sri Lanka with short survey articles on Tibet Bhutan Sikkim and various diaspora communities This unique reference will be invaluable for collections serving students scholars and the general public      Women Filmmakers & Their Films Gwendolyn Audrey Foster, Katrien Jacobs, Amy L. Unterburger, 1998 This single volume resource offers comprehensive coverage of women directors and their films as well as producers writers and production artists General information on the filmmaker or film is followed where applicable by more detailed biography filmography comprehensive credits production information awards and bibliography The core of the entry consists of a signed 800 to 1 000 word critical essay written by a film critic or scholar Following introductory essays on the evolution and status of women filmmakers 190 alphabetically arranged entries discuss women directors producers animators art directors editors writers and costume designers Each entry contains a brief biography a complete filmography a selected bibliography of works on and by the entrant and an expository essay by a specialist in the field The remaining entries approximately 60 concern films in which women filmmakers have had a major role They include production information lists of cast and crew a selected bibliography of works about the film and an essay Contains many b w portraits and stills      Now that's what I call a history of the 1980s Lucy Robinson, 2023-07-18 Now that's what I call a history of the 1980s tells the story of eighties Britain through its popular culture Charting era defining moments from Lady Diana's legs and the miners strike to Glastonbury's Pyramid Stage and Adam and the Ants Lucy Robinson weaves together an alternative history to the one we think we know This is not a history of big geopolitical disasters or a nostalgic romp through discos shoulder pads and yuppie culture Instead the book explores a mashing together of different genres and fan bases in order to make sense of our recent past and give new insights into the decade that defined both globalisation and excess Packed with archival and cultural research but written with verve and spark the book offers as much to general readers as to scholars of this period presenting a distinctive and definitive contemporary history of 1980s Britain from pop to politics to cold war cultures censorship and sexuality
