

- Amy was born on September 14, 1983, in the suburb of Southgate in London, England.
- At the age of 10, she was drawn to listen to American R&B and hip-hop acts, including TLC and Salt-N-Pepa, and she founded a short-lived amateur rap-group called Sweet 'n Sour.

- In 2003 when Amy released her debut album, *Frank*, Winehouse began developing a reputation as an unstable party girl.
- Winehouse's career was concurrently stalling. She often staggered drunk on stage and her once-powerful voice sounded weak and hollow. Audiences booed her. Concerts were stopped and whole tours were cancelled – for "health reasons"

- She caught her first big break at 12 when a schoolmate and close friend, Tyler James, passed her demo tape to his label, A&R, who was searching for a jazz vocalist. The opportunity led her to a record deal with Island/Universal.

## Early Life

- In 2006 the song "Rehab," which addressed her refusal to receive treatment for substance abuse, became a Top 10 hit in the United Kingdom.

## Musical Career

**"I died a hundred times/ You go back to her/ And I go back to black"**

"Back to Black," also the name of Winehouse's final studio album, expresses the way it feels to say "goodbye" to someone on the outside without truly being able to let them go or move on -- instead, one fades to black.

- The entire narrative is constructed from a variety of archival footage and lacks any guiding voiceover. It uses a number of interviews from Winehouse's family, friends and people that worked for her, to develop an insight into her troubled life.

## Amy - documentary notes and info

- Asif Kapadia's 2015 documentary is distinctive in many ways. The film uses a style which the director label "true fiction".

## Amy - The documentary

- Captions and the use of her music, alongside a specially developed score, also work to position the spectator in a particular way.
- The film was well-reviewed and became the highest-grossing British documentary at the UK box-office. It also received a number of awards for Best Documentary, most notably gaining an Oscar and BAFTA in 2016.

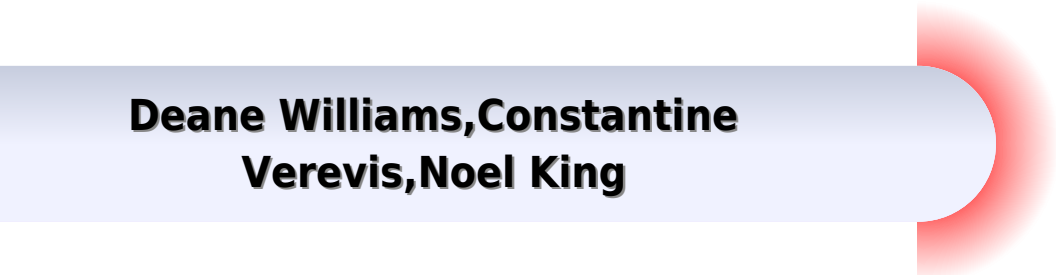

- With the media becoming voracious and Winehouse becoming more prominent in the public eye, she became a victim of Bulimia and depression.

## Relationship with the media

- She also started a tumultuous relationship with music video assistant Blake Fielder-Civil who admitted to introducing Winehouse to hard drugs.
- In public, the couples' arguments devolved into fistfights and dramatic scenes. In private, their romance centred around drugs, alcohol and physical abuse.
