Witt, 2018-04-09 Edith May Witt served her country by joining the Red Cross in World War II as a staff assistant or club woman in Oran Algeria and worked throughout the Mediterranean theater including several assignments in Italy Edith Witt was also a talented writer and left behind a rich archive that illuminates the wartime experiences of civilian women In her words The Clubs had Red Cross girls soldiers could talk to We worked long hard hours with sometimes a day off a week I was always tired high on excitement adventure joy and sorrow and thousands of people mostly men I got to know more about my country and about Americans than I had ever known before and I loved them dearly After her death Peter A Witt Edith's nephew painstakingly sifted through countless papers and letters to provide a nuanced and annotated portrait of the war through one woman's extraordinarily perceptive eyes And yet he found that Edith's devotion to service did not end with the war From marching to Selma with Martin Luther King Jr in 1965 to building community organizations in San Francisco in the 1970s to push for decent and affordable living Edith Witt remained a tireless advocate for social justice Edith's War is a welcome contribution to the social history of World War II and an inspiring tale of one woman's life of advocacy and service that encourages readers to embrace thoughtful action in their own lives Scholars and general readers alike will find Edith's War an engaging and enjoyable read      **Political Power and Social Theory** Diane E. Patterson,2015-12-08 Little has been written about the New Deal s effect at the state level How did the states act before the New Deal Did the Roosevelt administration promote progressive policies on the state level Did it destroy state initiative Was it discriminatory In what kinds of states did it seem to have the greatest impact and why What barriers were placed in the way of New Deal planning Professor Patterson traces trends in state affairs and in American federalism between 1920 and 1940 focusing on the states in relation to the federal government Though he pays attention to individual state variations he searches for generalizations which explain the pattern instead of presenting a routine state by state survey Originally published in 1969 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 The Handbook of Social Policy James Midgley,Martin B.

Cher Krause Knight,Harriet F. Senie,2018-06-11 While many museums have ignored public art as a distinct arena of art production and display others have either grudgingly or enthusiastically embraced it Some institutions have partnered with public art agencies to expand the scope of special exhibitions other museums have attempted to establish in house public art programs This is the first book to contextualize the collaborations between museums and public art through a range of essays marked by their coherence of topical focus written by leading and emerging scholars and artists Organized into three sections it represents a major contribution to the field of art history in general and to those of public art and museum studies in particular It includes essays by art historians critics curators arts administrators and artists all of whom help to finally codify the largely unwritten history of how museums and public art have and continue to intersect Key questions are both addressed and offered as topics for further discussion Who originates such public art initiatives funds them and most importantly establishes the philosophy behind them Is the efficacy of these initiatives evaluated in the same way as other museum exhibitions and programs Can public art ever be a permanent feature in any museum And finally are the museum and public art ultimately at odds or able to mutually benefit one another Window Shopping with Helen Keller David Serlin,2025-01-16 A particular history of how encounters

between architects and people with disabilities transformed modern culture Window Shopping with Helen Keller recovers a series of influential moments when architects and designers engaged the embodied experiences of people with disabilities David Serlin reveals how people with sensory and physical impairments navigated urban spaces and helped to shape modern culture Through four case studies the lives of Joseph Merrick aka The Elephant Man and Helen Keller the projects of the Works Progress Administration and the design of the Illinois Regional Library for the Blind and Physically Handicapped Serlin offers a new history of modernity's entanglements with disability *Long-range Public Investment* Robert D.
