

educational, economic, and diplomatic work of Frederick William is considered. The author's familiarity with the sources establishes at once the scholarly authenticity of the book. Withal, Professor Ergang's account is eminently readable and succeeds in creating a real and lively picture of Frederick William I, the man.—WILLIAM O. SHANAHAN

SHORTER NOTICES

Arthur Taylor Prescott, compiler: *Drafting the Federal Constitution*: Louisiana State University Press, 1941. Pp. xix, 838, \$5.50.

European history has no more persistent or troublesome problem than the relation between the Germans and the Slavs. At a time when these peoples have once more had recourse to arms to settle their differences, objective accounts of the underlying forces and issues are especially valuable. Relations between the Czechs and Germans have been treated by English and American historians, but the Polish-German question has not received adequate attention. In view of this, Dr. Tims' study of the organized efforts of German nationalists between 1894 and 1919 to assert German supremacy in the eastern marches is particularly noteworthy.

The study focuses on the work and program of the "German Eastern Marches Association," or the "H-K-T Society," as it was known after the initials of its three founders, Hansemann, Kennemann, and Tiedemann. These three millionaire farmers provided the leadership for a nationalist society composed mainly of public officials, teachers, Protestant clergymen, and university professors. As the self-proclaimed guardian of the German soul and land the society carried on a tireless, but not especially rewarding campaign, against Polish landowning, language, and commercial or professional practice. Despite the efforts to dramatize the struggle of nationalities in the eastern provinces of the German Empire, the most tangible contribution of the "H-K-T Society" was an embittered state of German-Polish relations that undoubtedly added to the difficulties facing the German and Polish Republics after 1919.

While detail is an exemplary evidence of research effort, it may be questioned whether such a minute analysis of the Polish landowning, language, and school problems might not be replaced by judicious summations. Certainly at least half of the quotations could have been omitted or summarized. An extensive bibliography and copious notes indicate that excellent use has been made of the records and publications of the "German Eastern Marches Association," as well as of newspapers, novels, and periodical literature.

—WILLIAM O. SHANAHAN

Germanizing Prussian Poland:

Germanizing Prussian Poland Richard Wonser Tims, 1941 **Germanizing Prussian Poland, the H-K-T Society and the Struggle for the Eastern Marches in the German Empire, 1894-1919, by Richard Wonser Tims,...** Richard Wonser Tims, 1941 **Prussian Poland in the German Empire (1871-1900)** Richard Blanke, 1981 Poland, Prussia and Culture Ludwik Ehrlich, 1914 *The Polish-German Borderlands* Barbara Paul, 1994-08-30 This annotated guide to English language materials dealing with all aspects of the history of the borderlands since the 1700s gives special attention to conflicts between Germans and Poles and issues that are again critical in Central Europe Students teachers and scholars will find this bibliography of over 1200 entries to primary sources books chapters in books dissertations journal articles government documents fiction and films easy to use The introduction points to different names given to the region and puts the bibliography into historical context The chapters cover different historical periods and organize material either by genre of work or by topics significant to a particular era Author title and subject indexes make the material easily accessible for a wide variety of research needs *Germanizing Prussian Poland* Richard W. Tims, 1966 Prelude to the Final Solution Phillip T. Rutherford, 2007 Follows the Nazis attempts at a large scale deportation system after its invasion of Poland in 1939 as it sought to reclaim territory and repatriate that space with an ever expanding population of ethnic Germans Standing in the way however were millions of ethnic Poles Rutherford recounts the strenuous efforts and unexpected obstacles to the deportations which in many ways were a dress rehearsal for the Final Solution *The German Army League* Marilyn Shevin Coetzee, 1990 This book traces the development of the German Army League from its inception through the earliest days of the Weimar Republic Founded in January 1912 the League promoted the intensification of German militarism and the cultivation of German nationalism As the last and second largest of the patriotic societies to emerge after 1890 the League led the campaign for army expansion in 1912 and 1913 and against the growing influence of socialism and pacifism within Germany Attempting to harness popular and nationalist sentiment against the government s foreign and domestic policies by preying on Germans fears of defeat and socialism the League contributed to the polarization of German society and aggravated the international tensions which culminated in the Great War Coetzee combines an analysis of the League s principal personalities and policies with an exploration of the inner workings of local and regional branches arguing that rather than having served solely as a barometer of populist nationalist sentiment the League also reflected the machinations of men of education and prominence who believed that an unresponsive German government had stifled their own careers dealt ineffectually with the prospect of domestic unrest and squandered the nation s military superiority over its European rivals *We Men Who Feel Most German* Roger Chickering, 2019-06-26 Originally published in 1984 this volume presents the first systematic analysis of the cultural sources of the Pan German League s appeal and influence in Imperial Germany It focuses on the symbolic dimensions of the League s literature and activities in order to explain the attraction of the League s

aggressive ideology to certain social groups In addition it examines the relationship between the League and other patriotic societies in Imperial Germany and analyses the processes by which the organization succeeded on the eve of the First World War in mobilizing a broad national opposition to the German government The study draws on concepts from psychology and anthropology and its documentary foundation includes archival material from both the former East and West Germany

Imperial Germany, 1871-1918 Volker Rolf Berghahn, 2005 A comprehensive history of German society in this period providing a broad survey of its development The volume is thematically organized and designed to give easy access to the major topics and issues of the Bismarkian and Wilhelmine eras The statistical appendix contains a wide range of social economic and political data Written with the English speaking student in mind this book is likely to become a widely used text for this period incorporating as it does twenty years of further research on the German Empire since the appearance of Hans Ulrich Wehler's classic work

Reshaping the German Right Geoff Eley, 1991 Examines the conditions under which a particular right wing ideology was generated

Ethnic Minorities in 19th and 20th Century Germany Panikos Panayi, 2014-06-11 This is the first book to trace the history of all ethnic minorities in Germany during the nineteenth and twentieth centuries It argues that all of the different types of states in Germany since 1800 have displayed some level of hostility towards ethnic minorities While this reached its peak under the Nazis the book suggests a continuity of intolerance towards ethnic minorities from 1800 that continued into the Federal Republic During this long period German states were home to three different types of ethnic minorities in the form of dispersed Jews and Gypsies localised minorities such as Serbs Poles and Danes and immigrants from the 1880s Taking a chronological approach that runs into the new Millennium the author traces the history of all of these ethnic groups illustrating their relationship with the German government and with the rest of the German populace He demonstrates that Germany provides a perfect testing ground for examining how different forms of rule deal with minorities including monarchy liberal democracy fascism and communism

Historical Dictionary of Poland, 966-1945 Halina Lerski, 1996-01-19 The first authoritative comprehensive historical dictionary of Poland in English this volume includes over 2 000 entries on people events places and terms important to Poland's history from 966 to 1945 Entries include English and Polish language bibliographic sources The student of Polish history seeking specific information on a person or event in medieval times the troubled era leading to the late 18th century partitions of Poland and the Polish nationalist struggles before 1919 reborn Poland in the interwar years or the trauma of World War II will be amply rewarded by the accurate concise information provided in this unique historical dictionary Each of the alphabetically arranged entries is followed by pertinent bibliographic sources in both English and Polish languages A list of abbreviations a note on the Polish alphabet and a series of historical maps precede the entries Helpful cross references are provided throughout the text and in the index A general bibliography precedes the index After five years of work George Lerski completed the original manuscript in 1992 shortly before his untimely death The special editing subsequently

undertaken preparatory to publication has remained faithful to the original work its concept organization and purpose

Arthur Ruppin and the Production of Pre-Israeli Culture Etan Bloom, 2011-03-18 Arthur Ruppin's immense contribution to the Zionist movement gave him the title The Father of Jewish Zionist settlement in Palestine Nevertheless the common narrative sets Ruppin's historical persona in an ambivalent position and suppresses his formative role and heritage Part of the reason for this is that in many ways his history causes a crack to appear in the Zionist national cover stories This study utilizes innovative archival research and contains provocative theses which make us view the foundation of Israeli culture differently It addresses the cultural interaction between the German Sonderweg with all its proto Nazi and völkische ideas and Palestinian Zionism The study therefore exposes the sources and presence of internal Jewish racism while also analysing the anti Semitic aspect of Pre Israeli culture A particularly important section details Ruppin's crucial influence on the Labor Movement and the colonization of the Land of Israel Palestine

Landownership in Eastern Germany Before the Great War Scott M. Eddie, 2008-03-06 The big landlords of eastern Germany have loomed large in the country's history but the absence of official statistics on landownership has left their position and identity confined to folklore without satisfactory quantification This study making extensive use of primary sources from the seven core provinces of eastern Germany the so called East Elbian region establishes answers to questions pivotal to our understanding of pre war Germany who were the biggest landowners both by area and by the tax assessment of their land Which social groups held land How much land did they own and where How did this change especially during the last decades before the Great War Professor Eddie demonstrates that most of the inroads into landownership by the bourgeoisie had already been made by the mid 1850s perhaps even before the mid 1830s However one of the most interesting findings in this study is that despite rapid industrialization after 1880 there was a net exodus of the nouveaux riches from the ranks of large land owners On the eve of war the largest landowners were the Prussian state the royalty and the higher nobility Meticulously researched and thoroughly documented this book will be the benchmark for all future work in this area

Congressional Record United States. Congress, 1958 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873

The German Myth of the East Vejas Gabriel Liulevicius, 2010-12-09 Over the last two centuries and indeed up to the present day Eastern Europe's lands and peoples have conjured up a complex mixture of fascination anxiety promise and peril for Germans looking eastwards Across the generations a varied cast of German writers artists philosophers diplomats political leaders generals and Nazi racial fanatics have imagined often in very different ways a special German mission in the East forging a frontier myth that paralleled the American myths of the Wild West and Manifest Destiny Through close analysis of German views of the East

from 1800 to our own times The German Myth of the East reveals that this crucial international relationship has in fact been integral to how Germans have defined and repeatedly redefined themselves and their own national identity In particular what was ultimately at stake for Germans was their own uncertain position in Europe between East and West Paradoxically the East came to be viewed as both an attractive land of unlimited potential for the future and as a place undeveloped dangerous wild dirty and uncultured Running the gamut from the messages of international understanding announced by generations of German scholars and sympathetic writers to the violent racial utopia envisaged by the Nazis German imaginings of the East represent a crucial yet unfamiliar part of modern European history and one that remains fundamentally important today in the context of an expanded European Union *Germany and Eastern Europe* ,2023-08-14 The opening up and subsequent tearing down of the Berlin Wall in 1989 effectively ended a historically unique period for Europe that had drastically changed its face over a period of fifty years and redefined in all sorts of ways what was meant by East and West For Germany in particular this radical change meant much more than unification of the divided country although initially this process seemed to consume all of the country s energies and emotions While the period of the Cold War saw the emergence of a Federal Republic distinctly Western in orientation the coming down of the Iron Curtain meant that Germany s relationship with its traditional neighbours to the East and the South East which had been essentially frozen or redefined in different ways for the two German states by the Cold War had to be rediscovered This volume which brings together scholars in German Studies from the United States Germany and other European countries examines the history of the relationship between Germany and Eastern Europe and the opportunities presented by the changes of the 1990 s drawing particular attention to the interaction between the willingness of German and its Eastern neighbours to work for political and economic inte gration on the one hand and the cultural and social problems that stem from old prejudices and unresolved disputes left over from the Second World War on the other **Information Bulletin ...** Soviet Union. Posol'stvo (U.S.),1944 German Political Organizations and Regional Particularisms in Interwar Poland (1918-1939) Winson W. Chu,2006

Germanizing Prussian Poland Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Germanizing Prussian Poland free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Germanizing Prussian Poland free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from

dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Germanizing Prussian Poland free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Germanizing Prussian Poland. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Germanizing Prussian Poland any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Germanizing Prussian Poland Books

What is a Germanizing Prussian Poland PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Germanizing Prussian Poland PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Germanizing Prussian Poland PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Germanizing Prussian Poland PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Germanizing Prussian Poland PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides

basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
