Justice for Baby B MerriLea Kylo, 2020-08-15 In the 1960s the premise of this story did happen Practicing physicians in this era were treated as omnipotent creating a godlike complex allowing some of them to take it upon themselves to choose which babies when born should live or die Selectively placing babies with visible flaws in boxes with medical tape over their mouths to silence their cries than ordering nurses to place those boxes in a closet until death But what if they had lived This could have been their story Minnesota 1969 Carolyn a young nurse assisting with the delivery of a baby boy watches in disbelief and horror as Dr Jefferson attempts to dispose of the baby like unwanted trash just because he was born with a visible flaw Unwilling to let the boy die Carolyn finds herself doing the unthinkable kidnapping the child and concocting a web of lies to protect herself her family and her new son Joe Minnesota 1998 Carolyn s tenuous web of lies begins to unravel Joe has overcome the challenges from his birth and is now an assistant district attorney Upon learning the circumstances of his birth he embarks on a journey for justice for him and the babies who came before him Every step toward justice reveals unimaginable truths Joe finds himself asking if the pain of discovering the secrets of the past is worth justice after all The ethical and moral dilemmas along with multiple fast moving plot lines will engage the reader and generate great discussion points for book clubs across the country Our hero Joe is handsome smart successful and has risen to meet the challenges of his disability If you have had to overcome challenges or know someone who has you will love this novel Machine Gun Jelly Shane Norwood, 2013-01-09 Machine Gun Jelly is a cynical black comedy thriller A small time hustler and Tiger Woods lookalike named Monsoon Parker is compelled to borrow money from a pitiless Vegas mobster and is unable to pay the Vig In desperation he ransacks an old suitcase that belonged to his father who was killed in Vietnam What he discovers the titular Machine Gun Jelly triggers a sequence of increasingly bizarre events and entangles a picaresque cast of characters in a dangerous farce Only man knows what they are really dealing with and he doesn t even know which planet he s on Pretty soon people start dying The action moves from Vegas to Vietnam to Australia before coming to a chaotic and explosive conclusion and the ones that survive will never be the same again Deal we make as follows You tell me what is MGJ what it do and how much it worth and I don t cut both you Achilles tendon and drop you off in gay leper colony Monsoon weighed his options They didn t weigh very much **At the Point of Almost** Tiffany Donald-Lockett, 2021-05-06 Feeling like life has been so unfair to me but what can I say except I m still here So I m determined to make the best out of it take every opportunity as a blessing and live the rest of my life to the fullest Jonathan Anthony Burkett As an author I realize that life pitches many curve balls but as long as we can handle the curves we win Currently I am evolving with the gift of writing that was placed inside of me before I was preordained to exist in this world I am by no means intimidated nor do I feel inadequate as I communicate to others my various pitfalls I only intend to help pull someone through their own tunnel In addition I am
