Prosperity Has A Purpose Rich Brott, 2008 Some people teach that we should give to get Others teach that we should sacrifice and withhold from our family in order to give more Neither extreme point of view is correct We must provide for our family We should not give to get Our attitude should be one of obedience and liberality The best way to give to the Lord is to understand all that He has given to us and then freely give back to Him Author Rich Brott provides a very balanced perspective in his latest book *Prosperity Has a Purpose* He notes that we gain by giving and we lose by withholding When we freely give to God regardless of our own personal need we allow God to be big in our lives We allow Him to provide for us This can only happen as we buy into the principle of freely giving If we are stingy in our giving and withhold from the Lord we miss the many blessings and provisions He wants to shower upon us

35 Keys to Financial Independence Rich Brott, 2007-06 In simple and easy to understand language author Rich Brott explains that financially you must live below your means If you have been living above your means you are already in serious debt with no hope of becoming debt free unless you quickly change your financial habits If you have been living within your means you may be debt free but you have little or no savings or investments to carry you through your retirement What you must begin to do is live below your means The book will show you how to do just that Once you've accomplished the basics of getting out of debt staying out of debt and continuing to live below your means then the next big hurdle is to set financial goals that will keep you invested in simple well diversified conservative investment vehicles The only way to reach a financial goal is to work at it The most important step in reaching that goal is to develop a plan to achieve it That's why it is so important to plan ahead for your retirement and your financial future While the idea of planning ahead and building a solid financial strategy for success can sometimes be intimidating and overwhelming once you get started it will become easier With a little planning and a better understanding of what your investment options are you too can successfully manage your money and pursue your financial goals
