## John C Calhoun A Biography:

**The Life of John C. Calhoun** Gustavus M. Pinckney,1903      **John C. Calhoun** Charles Maurice Wiltse,1944      John C. Calhoun and the Price of Union John Niven,1988 John C Calhoun 1782 1850 was one of the prominent figures of American politics in the first half of the nineteenth century serving as a senator from South Carolina as secretary of war and secretary of state and as vice president in the administrations of John Quincy Adams and Andrew Jackson The son of a slaveholding family he was a staunch supporter of the interests of his region throughout his life and political career      Life of John C. Calhoun John Caldwell Calhoun,1843      **John C. Calhoun** Clyde Norman Wilson,1990      Life of John C. Calhoun R. M. T. Hunter,2015-09-27 Excerpt from Life of John C Calhoun Presenting a Condensed History of Political Events From 1811 to 1843 The object of the present memoir of John Caldwell Calhoun is not to present a biography of the man but to describe him as a statesman to draw and to develop his character in that capacity and to trace his eminent public services during a long career in one of the most eventful periods of human history To dwell on a character like his distinguished by every trait that should win esteem and command admiration would be to the biographer a most attractive labour but the pleasure of depicting a private life elevated by spotless purity and integrity and a severe simplicity of tastes and habits must be relinquished except so far as occasional reference to his early history may become necessary for the higher duty of portraying his intellectual features and of explaining his motives and conduct as a public man It is not our aim to commend him to public affection or to enlist popular sympathy in his behalf but rather to show to the world not for his sake but for its own instruction the deep influence of this master mind upon the great political events of his age A fair and impartial review of the career of this eminent statesman in connexion with public affairs is necessary to a thorough understanding of the course of our own government for nearly two thirds of its existence Such a review it is believed would be no unacceptable offering at the present time Throughout the whole period from 1811 up to the present time he has served the Union in the various capacities of Representative Secretary of War Vice president and Senator He has taken a prominent and influential part in all the great questions which have arisen during that long interval and although he has asked a release from farther public service it is not impossible that he may be destined to close his career as a statesman in another and a higher station With faculties unclouded with physical powers unimpaired with a judgment matured by observation and experience with an intrepidity untamed by the many trying vicissitudes of his extraordinary life and with an activity whose energies are unabated by time it is probable that the American people will not dispense with such services as he might render in the highest sphere open to American statesmen Mr Calhoun is a native of South Carolina and was born in Abbeville District on the 18th of March 1782 His family is Irish on both sides His father Patrick Calhoun was born in Donegal in Ireland but the family emigrated when Patrick was a child first to Pennsylvania where they remained some years and then to the western part of Virginia from whence they were driven by the Indians after Braddock s defeat About the Publisher Forgotten Books publishes
