John Graves Simcoe And General Brock:

John Graves Simcoe and General Brock Duncan Campbell Scott, Lady Edgar, 2014-03 This Is A New Release Of The Original 1911 Edition **John Graves Simcoe** Duncan Campbell Scott, 1912 *The Diary of Mrs. John Graves Simcoe* Elizabeth Simcoe, John Ross Robertson, 1911 **General Brock** Lady Matilda Ridout Edgar, 1912 **The Correspondence of Lieut. Governor John Graves Simcoe** Ontario. Lieutenant Governor, 1791-1796 (John G. Simcoe), John Graves Simcoe, 1923 **The Geography and History of British America, and of the Other Colonies of the Empire** John George Hodgins, 1858 *Early Life in Upper Canada* Edwin C. Guillet, 1933-12-15 Although there were abundant hardships early life in Upper Canada was romantic and colourful in many ways However despite important contributions to the social and economic history of Canada few good comprehensive accounts have been generally available *Early Life in Upper Canada* originally published in 1933 is by far the finest history yet compiled and it is now being reprinted in order to make available to a new generation an important and engrossing description of this area of Canadian history The author a distinguished Canadian historian has drawn on contemporary letters diaries newspapers and periodicals as well as consulting all the existing histories and he has supplemented these researches with interviews with persons who had personal contacts with early life in the Province Mr Guillet has compiled a thorough accurate and delightfully readable history that brings vividly to life the early settlers and their experiences This is in accordance with the author s profound desire to make the study of Canadian history a delight rather than a chore He has not concealed the unpleasant aspects of pioneer life nor does he attempt to glamorize its difficulties There is a tendency at times to forget that the founders of Upper Canada include hundreds of thousands of men and women of many nationalities and fur traders lumbermen and voyageurs as well as settlers Their contributions too are acknowledged and recorded here This book is profusely illustrated with drawings made in many cases by army cartographers who were skilled creative artists as well Their paintings fortunately have been better preserved than were written accounts of the times and are accurate depictions of pioneer life The extensive bibliography and carefully prepared index will make this work invaluable for historians as well as for general readers *Geography and History of the British Colonies ... Illustrated ... Ninth Thousand* John George Hodgins, 1860 *The Makers of Canada: Smith, W. L. The pioneers of old Ontario* , 1923 *The Canadian Patent Office Record and Register of Copyrights and Trade Marks* , 1925

Elizabeth Postuma Simcoe, 1762-1850 Mary Beacock Fryer, 1989 The diaries letters and sketches of Elizabeth Simcoe portray the remarkable woman who came to Upper Canada when her husband was appointed lieutenant governor

British Generals in the War of 1812 Wesley B. Turner, 1999-03-30 In *British Generals in the War of 1812* Wesley Turner takes a fresh look at five British Generals Sir George Prevost Isaac Brock Roger Sheaffe Baron Francis de Rottenburg and Gordon Drummond who held the highest civil and military command in the Canadas He considers their formative experiences in the British Army and on active service in European and West Indian theatres and evaluates their roles in the

context of North American conditions which were very different from those of Europe Turner answers questions about the quality of each general's leadership particularly that of Isaac Brock the best known of these five generals He argues that Brock's charge up Queenston Heights the basis for his heroic stature was brave but hardly a demonstration of competent leadership Turner also shows us that while the other generals displayed courage in combat they had to face problems raised by American military successes and by the strains of warfare on the civilian population British Generals in the War of 1812 explores why these commanders succeeded or failed and why except for Brock they are all but forgotten *More Battlefields of Canada* Mary Beacock Fryer, 1996-07-26 *More Battlefields of Canada* is a sequel to Mary Beacock Fryer's bestselling *Battlefields of Canada* Like its predecessor this volume covers nearly three hundred years of history and covers the most significant as well as some of the most comic and bizarre Canadian battles Illustrated with sketches photographs and detailed maps the individual chapters begin by setting the context of the battle in terms of the larger struggle The reader is then taken on to the battlefield with an hour by hour account A brief conclusion to each chapter assesses the consequences for the victor and the loser assigning each battle its place in Canadian history Not all the battles re-created in this volume were fought in Canada Some took place in the United States and there is also an account of the Canadian experience in Hong Kong in 1941 A detailed chronology provides a comprehensive list of every Canadian battle since the 1600s *The Periodical*, 1927 **Builders of Canada from Cartier to Laurier** Agnes Maule Machar, 1903 **Papers and Records - Ontario Historical Society** Ontario Historical Society, 1927 **American and British Claims Arbitration**, 1913 **The Universal Cyclopaedia**, 1900 **The Universal Cyclopædia**, 1900 **Universal Cyclopdia and Atlas**, 1903
