**Paperback** David C Coldwell,2018-01-24 The Book of Zechariah may be one of the least read books in the Bible For the past twenty years I have taught the Bible to pastors in Asian countries where life is difficult for them My pattern was to begin each day with a devotional that would apply specific Bible lessons to their lives When I started giving devotional thoughts from Zechariah I learned that the Asian pastors had a keen interest in that prophet They would often ask questions or share their thoughts about Zechariah long after our devotional had ended I believe that a daily time with the Lord is essential for believers who desire to serve Him in this knotty world According to Proverbs life is a series of choices between which roads we will travel We decide daily to either take the path of the righteous or the way of the wicked We choose regularly to either walk on the path of the wise person or stroll along the way of the fool      *Resiliency in the Face of Disaster and Terrorism V.* Alex Kehayan,Joseph C. **All Things Reconciled** Christopher D. Marshall, 2018-06-12 The modern restorative justice movement perhaps one of the most important social movements of our time was born in a Christian home to Christian parents specifically to Christian peace workers striving to put their faith into action in the public arena The first major book on the subject was written primarily for a church audience and drew deeply on biblical themes and values But as restorative justice has moved into the mainstream of criminological thought and policy the significance of its originating spiritual impulse has been minimized or denied and subsequent theological scholarship has done little to probe the relevance of restorative perspectives for doctrine and discipleship In this collection of essays Christopher D Marshall a biblical scholar and restorative practitioner who has devoted his career to exploring the relationship between the two fields considers how peacemaking Christians can honor the witness and authority of Scripture including its apparently violence endorsing strands as they strive to join in God's great work in Christ of reconciling to himself all things whether on earth or in heaven by making peace through the blood of his cross Col 1 20

*Saved by Hope* Michael Byrd Ph.D., 2021-03-24 Many Christians believe God can do anything but they do not believe God wants to do things for them With hope no matter what the problem we win if we do not give up Romans 8 37 says Nay in all these things we are more than conquerors winners through him that loved us Moreover David said in Psalm 27 13 I had fainted unless I had believed to see the goodness of the Lord in the land of the living Michael D Byrd Ph D pastor of Living Word Global Ministries references these verses from the Bible and many others to draw attention to the fact that God will in fact make a difference in your life The author drives home a central theme throughout the book If we expect very little we get very little But if we expect a lot we receive a lot The enemy however wants to create a kingdom of pain crime and hopelessness This is a kingdom where hurting people seek to hurt other people creating a vicious circle Walk with the Lord and be inspired to achieve great things with the biblical wisdom in *Saved by Hope*

Waterman EdD,2021-05-11 As we strive for good through our fear and sense of lack we inadvertently give power to a coalition that infuses cultures in a philosophy of eternal conflict and domination as a means of preserving civic order that is controlled by promises of greater good while guiding policies and actions protect and produces a world of haves and have nots The deeper impulse of the Soul to thrive and transform itself into loving is an eternal force and is unstoppable in the long run Though ominous these times embody a great opportunity for humanity to change the narrative To do so we need to rise above the inversion layer of shadows into transcendent realms and resources Prophecy portends a new day and new dawn We are that promise We live in a time that invites a vision for humanity and leadership based on integrity and spiritual awakening Remember As we incarnate into the human condition the most essential and most forgotten element of life for each of us is that we are the ones that bring love In our first breath we encounter an overwhelming challenge to identify with the world in which we find ourselves and forget the world of love from whence we came I invite you to engage in an exploration of Self that is continuous and reveals the truth of life without fear inspired by Soul and guided by love Consider perhaps that the promise of a new day and new dawn refers simply to a change of heart Transcendental Leadership occurs when we connect to our visionary nature awaken to an integral perspective and apply our greater virtue and spiritual depth in response to the challenges and callings of life **Obstetrics: Normal and Problem Pregnancies E-Book** Mark B.
