Committee on Small Business, 1991 Michigan Living ,2001 Voices for the Watershed Gregor G. Beck, 2000-09-15 Voices for the Watershed is a unique look at the singular and ecologically inter connected region of the Great Lakes St Lawrence watershed including the headwater and upland regions With contributions from experts from the United States Quebec and Ontario this book offers an accessible introduction to the issues affecting the quality of our most essential and precious of natural resources clean fresh water from headwater regions downstream to the Great lakes the St Lawrence river and ultimately the watershed s outflow to the sea With thoughtful words and evocative photography Voices for the Watershed promotes understanding and examines ecological problems describing positive environmental actions and projects as well as ongoing concerns over the effects of pollution on wildlife and human health The underlying themes throughout are that the drainage basins and ecosystems are under siege from reckless land use decisions soil erosion acid rain and massive habitat destruction but that the situation is not hopeless. The authors feel strongly that education about the environmental threats in the classroom and public forums is essential to effecting positive change and that conservation actions by citizen groups and individuals can be a driving force in effecting substantial reforms regarding environmental legislation and practices Voices for the Watershed is an eye opening look at not only the problems but possible solutions to help protect and preserve this resilient natural resource on which so many depend Contributors include Gregor Beck Anne Bell Canadian Parks and Wilderness Society J Douglas Blakey Upper Canada College Serge Bourdon Chateauguay Watershed Management Agency Robert Brander retired U S Forest Service and National Park Service Dominique Brief Alliance for Environmental Management Louise Champoux Environment Canada Bruce Conn Berry College Kevin Coyle National Environmental Education and Training Foundation Brad Cundiff Wildlands League Jerry DeMarco Sierra Legal Defence Fund Jean Luc DesGranges Canadian Wildlife Service Thomas A Edsall Western Basin Ecosystem Peter Ewins World Wildlife Fund Louis Gilles Francoeur Le Devoir Stephen Gates Grey Owl Nature Trust Elliott Gimble Jewish Community Relations Council Hallett J Harris University of Wisconsin Green Bay John Hull Quebec Labrador Foundation Gail Jackson independent consultant John Jackson Great Lakes United Val Klump University of Wisconsin Milwaukee Louise Knox Hamilton Harbour Remedial Action Plan Gail Krantzberg Ontario s
